

News-Reporter Seeks Oldest Back Issue

In observance of its 100th year of publication, the Antioch News-Reporter is seeking the oldest complete copy available.

A bronze plaque will be awarded to the holder of the oldest copy and \$100 donated to the Antioch Historical Society in the name of the recipient.

Publisher William H. Schroeder said deadline for entries will be 5 p.m. Friday, Aug. 29. The holder of the oldest Antioch News will be announced Sunday, Aug. 31, at the newspaper's community picnic at Williams Park.

At the winner's option, the oldest copy of the Antioch News will be returned or turned over to the Historical Society.

Antioch's first newspaper, the Antioch News began publication in 1886. The newspaper will be conducting a series of events the remainder of the summer and this fall in observance of the centennial.

"We think it will be fun and exciting to see how many old copies of the Antioch News are tucked away in trunks and attics," Schroeder declared.

Rules of the Oldest Antioch News Contest are simple: Bring the paper to the News-Reporter office at 952 Main St. for authentication and documentation. Dates and owners will be recorded and kept secret until Centennial Sunday, Aug. 31.

Holders of the old copies will be able to retain their papers, the publisher stated.

Suspense will build as the deadline approaches. Officers of the Antioch Historical Society will be assisting with the judging and authentication.

Schroeder reported that founders of the paper and early publishers did not keep complete records of copies published.

"Our own files are incomplete. We have no way of knowing where the oldest Antioch News is or what is the earliest date available.

That's one of the reasons for our contest," Schroeder stated.

The Antioch News-Reporter now is cooperating with the Antioch Twp. Library and the Illinois State Historical Society in microfilming earliest copies available that are in suitable condition to be recorded.

Lions Club Members Ready For Barbecue

After months of planning, Antioch Lions Club members are again ready to entertain the public at their annual Chicken Barbecue Picnic and Auction on Sunday, Aug. 3. It will begin at 11 a.m. and run through 6 p.m.

All events will be held at the Aqua Center and Lions Club Pavilion located in Williams Park on Main St. Dinner tickets are available for a donation of \$4 each from Lions Club members, the State Bank of Antioch, the First National Bank of Antioch, Great American Federal Savings and Loan, and the Bank of Waukegan's Antioch facility.

Antioch has established a reputation for putting together top-rated summer festivals. The annual chicken barbecue and auction has come to be regarded as one of the highlights of the summer in the area.

Friends of former resident Ken Schultz, who is now the mayor of Albuquerque, New Mexico, will want to make sure to attend as Schultz is coming home for a visit and will attend the picnic.

Events of the day will include a water exhibition by the Antioch Parks and Recreation Dept. at 11 a.m. There will be

games, races, and prizes for the children. Games are scheduled to start at noon and competition will be divided into six age brackets, including young adults. Special attractions will include St. Peter's Clown Club and the appearance of Miss Antioch, Tamara Krause.

The auction will begin at 1 p.m. and all proceeds will be donated to the Antioch Rescue Squad. Anyone interested in donating items in good condition may call the village hall at (312) 395-1000. Donations of sporting goods, autos and automotive accessories, boats, motors, lawn and garden equipment, art objects, antiques, and other items of reasonable auction value are welcomed.

Proceeds from the picnic are used to fund the community work of the Antioch Lions Club. The Antioch Lions are one of the most active civic organizations in the community.

Softball Champions

The Antioch Girls' Little League softball team won the Dist. 16 pennant by defeating Grant 12-11. Team members include, front row, from left: Dawn Morely, Ginger Skvarce, Julie Wood, Kathy Glenn, Robin Horton, Lin Willis, and manager Howard Moran. Back row: coach Fred Skvarce, Jody Eckert, Cindy Moran, Dana Crandel, April Kilman, Tiffany Christopoulos, Malissa Good, and Renee Walden. The girls advanced to sectional play in Elgin. —Photo by Steve Young

Some Newport Students Will Attend Antioch

A group of Newport Twp. residents have obtained permission from the Lake County Regional Board of School Trustees to have their children attend Antioch schools.

The board voted 4-0 July 21 to grant the petitioner's request.

In June the board gave approval for Newport School Dist. residents to join Beach Park. Greater educational opportunities were cited as the chief reason.

Bev Maday, a Newport Twp. resident, said the group is pleased with the board's decision.

"The neighbors were ecstatic," she said. Maday said the petitioners collected 90 signatures of area registered voters. The signatures of two-thirds of the registered voters are required for a petition.

Maday, who lives on Crawford Rd., said the original plan was for students who live west of Hunt Club Rd. to attend Antioch without having to submit a petition.

Beach Park's attorney, however, did not file the necessary papers, and the group had to go the petition route. The Beach Park Board of Education had decided not to oppose the move.

Beach Park Supt. Ken Murphy said the attorney's reservations were created because of the possibility of a racetrack being built in Newport Twp. and the assessed valuation if the move was allowed.

Maday said about 12 students would be affected.

"I have no problems with that. I have felt all along that that section should be in Antioch," Murphy told Lakeland Newspapers.

Maday said the kindergarten through eighth grade students should attend Antioch grade schools because they would attend Antioch High School.

She said the distance between the homes and Beach Park is another factor in the desire for the move.

IDOC To Hold Open Meeting

The Illinois Dept. of Conservation (IDOC) will hold a public meeting on Wednesday, Aug. 6, at 7 p.m. at the Antioch VFW, 75 North Ave.

The meeting will focus on water fowl season regulations and concerns. IDOC water fowl biologist, Bob Williamson set up the meeting in response to local interest in having a public meeting in northeast Illinois.

Engineer Says Quality Is Key

William McClure, owner of McClure Engineering, which serves the Village of Antioch, says that in most categories his firm is not higher than other local competitors.

"When comparing engineering firms, you have to compare how the time charged is calculated. We calculate based only on the actual amount of time spent working for our client," McClure said.

He pointed out that some firms charge for every part of an hour or half-hour that is used, resulting in a lower rate but a higher amount of time billed. He added that an engineering firm offers professional services in the same manner that an attorney or accountant would.

"We are not like a contractor - we work to protect the interests of our client," he said. "They are paying for our professional expertise and the quality of our work."

Some local observers noted that the quality of development in Antioch has been good and that that in itself says something for the quality the village is getting for engineering services.

McClure said that he would be glad to sit down and talk with the board if there are specific areas where they believe charges are running too high.

The Hot Rate This Summer!

Summer is sizzling! And so is the rate on Skokie Federal's new 7-Year CD. This 8% CD yielding 8.44% annually is one of the hottest insured investments you'll find anywhere this summer.

This account is ideal whether you're looking for greater long-term growth or interest income you can count on month after month, season after season. There's no worry about fluctuating rates, your principal remains intact, and your funds are insured up to \$100,000 by the FSLIC.

You can open your 7-Year CD with as little as \$500. So come in today. Add a little summer sizzle to your savings portfolio before rates begin to cool off.

This rate is available as of July 29, 1986 and is subject to change without notice. There is a penalty for early withdrawal from certificates.

Seek Time Extension For Hillview Hearing

According to Richmond Atty. Don Stinespring, who is serving as legal counsel for the citizens group which is fighting the application for sludge permit of Hillview Farms, the Sara Lee company of Deerfield has been denied a permit to deliver sludge to Hillview.

Stinespring also said that the hearing officer, Prof. Schoenberger, who will hear final testimony on the case on Aug. 28 and 29, toured Hillview Farms and surrounding property on July 16. The citizens' group, a representative of the attorney general's office, county officials, and local homeowners met with him on that date.

The Illinois Atty. Gen.'s office will petition the Pollution Control Board to keep the hearing open until 10 p.m. on Aug. 28 so that people who work will have the opportunity to testify.

Ronald Erdmann, superintendent of Richmond High School, has offered the use of the school building for the hearing in order to accommodate the large number of people expected to attend.

For a different view of the Hillview situation, see the article by Jim Thomson, former editor of Prairie Farmer Magazine, elsewhere in this week's issue.

Flash Fire On Yacht Delays Mackinac Try

by GLORIA DAVIS

Mike Mohr, 21, Lake Villa, sailed on the yacht "Black Magic" on Saturday, July 26 in the Chicago-Mackinac Island Yacht Race and returned home on Monday, July 28, but never got past Wilmette.

Mohr and another of the 10 crew members, Bill Englehaupt, 32, Evanston, were in the galley at 6 p.m., when Mohr went to change a small butane tank used only on long trips for heating water.

According to Mohr, somehow the butane tank was punctured and started to spray butane gas which ignited when it came in contact with the hot propane stove on which food was cooking.

"It only lasted a few seconds, but a flash fire seemed to fill the whole galley. The explosion blew the hatch off," said Mohr.

Both men got up on deck. "It didn't seem too bad until we started to relax and then it hurt a lot," added Mohr who received first and second degree burns on his face, arm and finger tips. Englehaupt, who was burned as badly on his

arm and the backs of his legs, called the Coast Guard for help.

Inside of 15 minutes a Coast Guard helicopter lowered a basket and took the two men off of the boat and to the burn unit at Cook County Hospital in Chicago.

Mohr came home three days later but Englehaupt was still hospitalized as of press time.

Very little of the boat was marred by the fire and no one else was hurt.

Mohr, a graduate of Antioch High School and now a senior at the University of Chicago's Circle Campus, has been sailing for four years and sailed in the Mackinac race last year.

He intends to finish his senior year studying architecture in France starting with the fall semester.

The rest of the crew continue the race and did pretty well despite the delay caused by the accident.

"We're hoping that the judges will allow for the accident in figuring our time," said Mohr.

Announce Second Semester Honor Roll At Antioch High

Antioch Community High School has announced the second semester honor roll. Honored students include:

HONOR ROLL: Kim Allano, Stacey Anderson, Joseph Babio, Jennifer Baker, Carl Bennett, Cindy Bero, Patrick Bruks, David Case, Mary DeZetter, Jessica Drakonis, Beth Delek, Gretchen Dvorak, Christine Eberman, Matthew Gall, Shannon Gooch, Renee Holloway, Dorene Harp, Jean Kim, Christine Koszinski, Karl Krawich, Denise Maple, Marie Maravelos, Laura Mattson, Dennis Moore, Michael Olschlegger, Jill Palucci, Brett Parkhurst, Julie Plachy, Paul Pokorski, Mark Rogala, Lori Ruggles, Lisa Rump, Debra Rusko, Carrie Scheske, Debra Schoen, Melissa Schwartz, Robin Sherwood, Anika Sorenson, Michelle Stahl, Mike Stanek, David Thiele, Brian Thoren, Gretchen Timmerman, Elizabeth Trychta, Todd Veltman, Dana Ward, Wendy Wells, Robert Whitney, John Wierschem, Cindy Willert, Matthew Wilson, Michelle Zuponek.

JUNIORS: Robert Abbott, Jennifer Banks, Kimberly Bigham, Karen Druse, Janet Eng, John Fedor, Lisa Hetrick, Stacey Howie, Christine Johnson, Jeffrey Johnson, Pamela Kasprawicz, April Krueger, Jeffrey Lucas, Susan Montimas, Kelly Murray, Sue Nauman, Cindy Olsen, Dawn Priory, Melody Reimayor, Lynette Roman, Richard C. Ruck II, Steven Searle, Linda Sexton, Debra Sigler, Angela Simons, Diane Smith, Cindy Sprank, Jennifer Stoerk, Andrew Trieger, Sean Tuley, Traci Villa, Michelle Walk, Sherri Walsh, Gregory Werba, David Westergaard, Gregory Westergaard, Larry Williams, Darren Wolf.

SOPHOMORES: Eleanor Allen, Dorothy Anderson, Traci Atkinson, Brett Bennett, Phillip Brown, Richard Cancellaro, John Ciko, Kristina Cormaney, Jill Curtis, Eric Desbiens, Tina Diamantopoulos, John Dydo, Jason Gutke, David Hallows, Bradley Hamlin, Garret Hammond, Kevin Hannahan, Lisa Hannessey, Amy Kirshenheimer, Stefanie Kuehn, John Lundgren, Timothy MacDonald, Brett Maher, James McClure, Sharon Murar, Tom Niemiec, Brandon Parkhurst, Jerome Rusko, Matt Sexton, Joanne Shinduf, Karen Sprank, Kate Steck, Daniel Stella, Rica Turco, Diane Veltman, Rebecca Weeks.

FRESHMEN: Brenda Boria, Catherine Czaplewski, Benjamin DeMartini, Pamela Erickson, Michael Ferraro, Dawn Flood, Amanda Fritts, Michael Golebiowski, Scott Gooch, Dan Grote, Deborah

Herlich, Susan Hubbard, Jennifer Hucksstadt, Rebecca Johns, Deborah Kasprawicz, Douglas Killian, Jason Kroehler, Andrew Kranks, Rebecca Kromer, Erika Landi, Michael Leitz, Kelli Lellish, Jonathan Mademo, Chad Madro, William Radman, Alexis Rogala, Jennifer Schwartz, Jamie Stewart, Michelle Veltman, Joseph Walsh, Karen Williamson, Joanna Wilson.

HONOR ROLL SENIORS: Kessette Adkins, Rebecca Allen, Gina Altieri, Sandi Altmann, Scott Anderson, Cheryl Becker, Susan Belli, Mark Bez, Louis Billmyer, John Blakeney, John Block, Quinn Callahna, Julie Carney, Kristen Christensen, Kay Crickton, Maryann Czaplewski, Valerie Dammann, Beth Davis, Brian Eisele, Phillip Fabry, Brandi Ferguson, Suzanne Frisch, Gerilyn Frenchik, LeeAnn Frydrychowicz, Maria Geavain, Eric Glover, Derrick Gurschke, Jeff Gutke, Julie Gutke, Jeri Gutwinski, Stephen Hanson, Sabina Haugh, Charles Hawk, Nichole Haworth, Edward Hayes, Patrick Hennessy, Sara Heuselmann, John Holmes, Christi Hoskins, Christie Hubbard, Julie Jaroch, Teresa Johannesen, Darlene Johnson, Michelle Kahmeyer, Gerri Loach, Ellen Lee, Kay Lindsey, Heather Lucadello, Katrina Meyer, Kerry Mullan, Deanna Murar, Nikki Nielsen, Janetette Nyden, Laurie Paddock, Ellen Pleavik, Tracy Price, Christine Racz, Barbara Rampale, Sandi Riezinger, Larry Rodgers, Verallie Rohrs, Barb Schubert, Christine Schultz, John Stoerk, Heidi Stubner, Jennifer Tatro, Melissa Washburn, Thomas Weininski, Bryan White, Shawn Willse, Haldi Zimmermann, Nancy Zoller.

JUNIORS: George Allen, Kristine Bell, Lisa Bond, Robert Carney, Jane Carson, Keith Cartwright, Donald Champley, Jenny Chesla, Dave Chisholm, Michelle Coskey, Kimberly Crank, Dawn Doty, Sally Doucet, Thomas Durell, Diana Ernst, Timothy Gagnon, Thomas Gauthier, Corinne Grandjean, Jennifer Griffin, Grette Groninger, Jeffrey Grubich, James Herpandez, Suzanne Hucksstadt, Richard Jablonski, Donna Jackson, Lisa Johnson, James Kueche, Susan Lapars, Kristine Larsen, Michael Lawrence, Michele Lens, Karen Lindstrom, Thomas Maccek, Amy Malone, Julie McBrady, Kenneth Mullan, Jeffrey Nau, Jeffrey Nielsen, Kimberly Pouty, Sean Ramoge, Heidi Reulbach, Julie Sexton, Peter Symen, Holly Smith, Heidi Sorenson, Tom Stafford, Cathi Steinka, Jeffery Steitz, Jason Vaughn, Teresa Whitlock, Jeffrey Wolf.

SOPHOMORES: Paul Anderson, Shonda Appelt, Dana Ashley, Julie Billmyer, Dawn Blackman, Melissa Brown, Deanna Camp, Brian Clark, Cheryl Cook, Brenna Dale, Veronica DeBaccio, Susanne DeBuhl,

Rich Duetsch, David Doty, Debbie Dretske, Tracey Hawkins, Victoria Jackson, Kathleen Jones, Enid Kaufman, Lorraine Kirwan, Susan Klemme, John Lasch, Fred Locher, Kevin Mogginn, Rosemarie Marshall, Edward Meltzer, Corinne Milchen, Kristin Morgan, Thomas Mueller, Vickie Nelson, David Oheim, David Orwick, Shari Otrusina, Chris Polark, Georgette Pucin, Carrie Pullen, Cyndi Quinn, Tabra Ray, Julia Rayniak, Wendy Roman, Christopher Shea, Eric Shoemaker, Sean Sides, Renee Sieracki, Christi Skinner, Philip Smerz, Robert Sturm, Robert Sykes, Tammy Wagner, Dennis Wynn, Richard Young, Michael Zolna.

FRESHMEN: Chad Allano, Andrew Berger, Barbara Billmyer, Scott Bond, Derek Borsky, Melinda Breuer, Jenny Bunting, Alyssa Colby, John Curtis, Michelle Davis, Joe Fikals, Thomas Fry, Chris Griebelhaus, Jason Goodman, Victoria Gradowski, Amy Graesser, Sarah Gray, Jennifer Hague, Jennifer Haley, Andrew Hansen, Cornelia Haugh, Richard Harlick, Rod Hoerle, Rachel Jennings, Marcella Jester, Gerald Johnson, James Keim, Crystal Kennedy, Alicia Lavigne, Rachelle Lindas, Kelly Maple, Rebecca McKinley, Dawn Meredith, Rachel Moresi, Heather Nelson, Steven Newcomb, Carman Ogle, Colleen Osmond, Jill Oza, Kristin Pagni, Tracy Petak, James Pierce, Karen Plat, Jenni Prastek, Hope Reidel, Scott Reimers, June Rindlaub, Dawn Salyards, Michelle Schmidtke, Michael Schulz, Carole Schwartz, Tracy Searle, Paula Smith, Robert Sallenskog, Heather Sorenson, Larry Souder, Thomas Stock, Tom Stoerk, Carrie Taylor, Jennifer Thesen, Laura Valenziano, Christopher Vanderweel, Eugene Wagner, Ryan Ward, Elizabeth Waters, Erick Weber, Mark Wozniak, Kimberly Yeaton, George Zuponek.

Disabled Women

In 1981, the average disabled woman was not employed, nor was she looking for work, and her total 1980 annual income was less than \$3,500. The average age for a work-disabled woman was 51; for a nondisabled woman it was 33, according to a fact sheet on working women published by the Women's Bureau of the U.S. Dept. of Labor.

Dining/Entertainment

Wisconsin State Fair Has Varied Entertainment

Fairgoers will be swaying and swooning to several new entertainers at the 1986 Wisconsin State Fair, July 31 through Aug. 10.

Fairgoers will be tapping their feet to the timely sounds of the nationally-known group, The Jack D'Johns, on July 31, Aug. 1 and 2 at the International Amphitheater. Top-Forty hits, popular ballads and a cappella vocal pieces comprise an act that reveals the many facets of The Jack D'Johns' talent.

Nellie's Racing Pigs, sponsored by Miller American Racing, 93QFM and Saz's, will have fairgoers squealing with delight as they watch these pigs run six heats daily just south of the Sheep Barn, all for the Oreo cookie that's at the finish line! Benefits of these races will help support Milwaukee Bucks Coach Don Nelson's Farm Aid program.

The Chinese Golden Dragon Acrobats from Taipei, presented by AT&T, will be performing three times daily at the International Amphitheater. Their feats of balance, juggling, magic, gymnastics and acrobatics will leave fairgoers spellbound!

It happens every once in a

great while: that special combination of talent, musical background and collective inspiration that comes together for a new, fresh and wholly original sound. Southern Pacific, whose members hail from well-known bands such as the Doobie Brothers and Creedence Clearwater Revival, have an original sound that is both contemporary and American. Fairgoers will be able to enjoy Southern Pacific at Central Park on Aug. 1, 2 and 3.

The internationally-known humorist and ventriloquist Kenny Byrd will be bringing his subtle, imaginative comedy to state fair audiences on Aug. 3, 4 and 5 at the International Amphitheater.

The Diamonds, whose popular hits "Little Darlin'," "The Stroll," "Walking Along," "She Say," "Silhouettes," "Church Bells May Ring," "Why Do Fools Fall in Love" and "Thousand Miles Away" sold over 15 million records by the early '60s, will be appearing July 31, Aug. 1 and 2 at Central Park.

The Central Park stage will host another nostalgia act from the '50s and '60s.

Danny & The Juniors featuring Joe Terry, on Aug. 8 and 9.

Wes Harrison, "Mr. Sound Effects," uses his vocal magic to spread joy and happiness wherever he goes. Harrison has worked for Walt Disney and MGM Studios on productions such as "Peter Pan" and "20,000 Leagues Under the Sea." Harrison, who will be appearing at the International Amphitheater Aug. 7, 8, 9 and 10, also does all the sound effects for the "Tom and Jerry" cartoons.

Clay and Sally Hart, who appeared on the Lawrence Welk Show for over six years, will be performing Aug. 4, 6 and 6 at the International Amphitheater.

These entertainers plus hundreds more, will be entertaining 1986 fairgoers on 18 different stages at the Wisconsin State Fair, July 31 through Aug. 10.

Singers To Appear

Gordon Jensen, well-known Gospel music composer, recording artist and evangelist, will be at Maranatha Assembly of God Church, Sunday, Aug. 3 at 10:30 a.m. The church is located at 1309 Court St., McHenry.

Recognized as one of today's foremost Christian songwriters, Gordon's songs have been recorded by Cynthia Clawson, Larnelle Harris, Dallas Holm, The Imperials, Doug Oldham, and many others.

Gospel music lovers are familiar with such Jensen compositions as "Redemption Draweth Nigh," "Bigger Than Any Mountain," "I Should Have Been Crucified," and "Tears Are A Language."

There will be no charge for admission, but a free will offering will be taken. Nursery will be provided. For additional information, please call (815) 344-0557.

Play Opens At PM&L

"No Sex Please, We're British," a hilarious farce by Anthony Marriott and Alistair Foot, and directed by Ken Smouse, opens this weekend at the PM&L Theatre, 877 Main St., Antioch.

Show dates are Aug. 1, 2, 8, 9, 15, and 16 at 8:30 p.m. and Sunday afternoon, Aug. 10, at 2:30 p.m. This production is PM&L's last play of the silver anniversary season.

A young bride of a few weeks, living above a bank with her husband who is the assistant manager, innocently sends a mail order off for some Scandinavian glassware. What comes is Scandinavian pornography. The plot of the play is, basically, what to do with the veritable floods of pornography, photographs, books, films and eventually girls that threaten to engulf this happy couple.

The matter is considerably complicated by the man's mother, his boss, a visiting

bank inspector, a police superintendent, and a muddled friend who does everything wrong in his reluctant efforts to set everything right.

Starring in "No Sex Please, We're British," which ran successfully in London for eight years, are Peter Thelen, Tom Hausman, and Betsy Smouse from Antioch, Linda Kay Williams from Palatine, Larry Andres from Buffalo Grove, Jerry Phalen from Kenosha, Wis., Mickey Mandell and Katherine Kramer from Fox Lake, Fran Jansta from Lindenhurst and Shane Kisner from Wilmet, Wis.

Call for reservations now at (312) 395-3055. Reservations must be picked up at the box office before 8:15 p.m. the night of performance. The theatre is air conditioned for your summer comfort.

Dinner-theatre packages are available for area theatre goers. Reservations

must be made—the Village Pub, 899 Main St., Antioch, (312) 395-3373; Struggles Restaurant, Rtes. 59 & 173, Antioch, (312) 395-4900; or Hoff's Columbia Bay Tavern, 38744 N. Hwy. 59, Lake Villa, (312) 356-8550.

Air Force News

Sgt. Kevin M. Bandoli, son of Carol A. Olson of 302 Maple St., Strum, Wis., and Maynard W. Bandoli of Rural Rte. 2, Salem, has participated in Global Shield 86, an exercise involving U.S. Air Force, Navy and Marine Corps units, and elements of the Canadian forces. The exercise, coordinated by the Air Force Strategic Air Command (SAC), was designed to enhance readiness and the ability of SAC to carry out orders should deterrence fail. Bandoli is a fuels specialist with the 410th Supply Squadron at K.I. Sawyer Air Force Base, Mich.

PM&L Rehearses

Getting ready for the Aug. 1 opening of 'No Sex Please We're British,' at the PM&L Theatre are left, Linda Kay Williams, Palatine, Larry Andres, Buffalo Grove and Peter Thelen, Antioch.

'I Oughta Be In Pictures' Plays Well At Grand Hotel

Neil Simon's "I Oughta Be In Pictures" continues through August 9 at the Grand Hotel, 110 Main Street, in Waukegan. The comedy, which is the professional company's third production in the former ballroom of the historic hotel, built in 1857, is a hit with area audiences. Tickets for or the show dinner-theatre only are available at (312) 326-5582.

Bill Bunton is featured in the autobiographical role of Herbert Tucker, who relocated to California from New York to further his

writing career. His girlfriend Steffy, played by Barbara Alexander, is trying to give him the necessary push to get his career and life back on track. Matters are further complicated when his daughter Libby, portrayed by Irene Colson, arrives on the scene hoping the father she hasn't seen in 16 years will get her into the movies.

Bill Bunton is a busy actor who is appearing in "I Oughta Be in Pictures" on weekends and simultaneously in another Neil Simon comedy for lun-

cheon theatre. He is known to Chicago T.V. audiences as the spokesman for a major car company.

Barbara Alexander currently appears in a national spot for The American Cancer Society as a Meryl Streep lookalike. She will be seen in the movies "Light of Day" with Michael J. Fox and "Nothing in Common" with Tom Hanks and Jackie Gleason.

Irene Colson is a senior at Illinois Wesleyan University, majoring in theater. Performances are Fridays and Saturdays at 8:30 p.m.

Concert Assn. Accepts Names For Waiting List

The membership campaign of the Lake County Community Concert Assn. has closed for the 1986-87 season.

However, Mrs. Walter Sorvari, association secretary, is now accepting names to be placed on the waiting list for membership in the coming season. Her phone number is (312) 623-3178.

New memberships, as well as renewals, are \$22 for adults and \$10 for students

through high school age. No individual concert tickets will be sold for the six-concert series. Persons who have previously purchased season memberships will receive membership cards shortly before the opening concert Oct. 25.

All concerts will begin at 8 p.m. in the Waukegan West High School Auditorium, 2325 Brookside Ave., Waukegan.

On their debut tour of the United States, 60 dancers,

singers and orchestra of The Slovak State Folk Ensemble will perform Oct. 25. Dukes of Dixieland will perform Nov. 22, followed by Broadway Marionettes on Dec. 6 presenting Charles Dickens' 'A Christmas Carol'. Toccatas and Flourishes, a trumpet and organ duo featuring Richard Morris, organist and Scott Thornburg, trumpeter, will return by popular request Feb. 27, 1987. Evanston's Nancy Gustafson, soprano, presents a song recital March 28. Ending the season on May 16 will be The Roger Wagner Chorale in 'A Night In Vienna', featuring Viennese operetta music, including compositions by the Strauss family.

Wednesday Newsstands

All associated weeklies in the Lakeland Newspaper group are available at your favorite newsstand Wednesday afternoon. If not, please call (312) 223-8161.

Stage Two Will Do 'Lies'

Stage Two Repertory Company, a paid non-equity ensemble, presents the Chicago area/regional premiere of Hugh Whitmore's play, "Pack Of Lies," which is the final show for Stage Two's first season.

"Pack Of Lies" is a true story which deals with the surveillance and apprehension of two communist spies in England. Originally titled "Act of Betrayal" for BBC

television, this play examines the role of the ordinary citizen in society. It also challenges the themes of loyalty and deception.

The show will start at 8 p.m. on Aug. 7, 8, 9, 15 and 16 at the College of Lake County Theater Bldg. There will be a 3 p.m. show Sunday, Aug. 17.

Admission will be \$7 for adults, and \$4 for seniors and students. For information call (312) 662-4071.

'Pictures' Still On

Current production of 'I Oughta Be In Pictures' will continue to play at the Grand Hotel, Wauconda, until Aug. 9. In play are left, Barb Alexander, Bill Bunton, and Irene Colson.

Adler Center To Host Benefit

Tickets are now available for the Sept. 28 benefit for the David Adler Cultural Center that will feature John Hartford and the Jethro Burns Quartet in concert at Libertyville High School's Butler Lake Auditorium,

Rte. 176 and Dawes St., Libertyville.

Reserved seats for the 8 p.m. concert are priced at \$10 and \$8, with a \$2 discount for cultural center members, senior citizens and

children under 12.

To purchase tickets, come to the cultural center 170 N. Milwaukee Ave., Libertyville, or call (312) 367-0707, Tuesday through Saturday between 10 a.m. and 4 p.m.

Fair Attendance Up Compared to '85

This year's attendance at the Lake County Fair was up considerably from last year. On Wednesday 16,526 folks attended; while Wednesday of last year saw 15,856 participants. This year 27,066 funseekers showed up on Thursday while last year 16,557 came on that day. Friday brought 26,337 fairgoers to top last year's 24,051 on Friday. Saturday saw the biggest crowd of 1986, with 56,940 people on hand, compared to 1985's Saturday attendance of 47,637. A "last chance" crowd of 48,015 came through the gates on Sunday as opposed to 45,000 on the same day last year. Total five-day attendance for 1986 was 174,874, well over last year's 149,101.

One crowd pleasing event was the 1986 Miss Lake County Fair Pageant. Angela Gregory (Miss Mundelein) was crowned Miss Lake County Fair on July 23.

First runner-up in the pageant was Miss Zion Jubilee Days, April Wright. Miss Waukegan, Carolyn Yap was named second runner-up. The two other

finalists were Miss Grayslake, Charlotte Pierce, and Miss Round Lake Area, Jessica Rowe.

There was a tie for the Miss Congeniality title. Miss Libertyville, Judy Logsdon, and Miss Mundelein, Angela Gregory share that honor.

Another highlight of the fair was the auction of champion livestock on July 26. Purchasers of champion/reserve champion animals have been named.

B & B Repair, Grayslake, purchased the 4-H Champion goat.

Purchasers of champion swine were: 4-H Champion - Fischer Brothers Construction, Ingleside; Open Champion - CLT Corp., Neillville, Wis.; 4-H Reserve Champion - Thelen Sand and Gravel, Antioch; and the Open Reserve Champion - 1st National Bank of Mundelein.

Purchasers of champion sheep were: Midlane Country Club, Wadsworth; Open Champion - Filmore Landscaping, Libertyville; 4-H Reserve Champion - Aurron Auto Center, Libertyville; and Open Reserve Champion - Dave

Richard Farm, Zion.

Beef champions were bought by: 4-H Champion - Jerry's Parkway Foods, Grayslake; Open Champion - Lake County Grading, Libertyville; 4-H Reserve Champion - Jerry's Parkway Foods, Grayslake; and Open Reserve Champion - Temple Farms, Wadsworth.

Childbirth Prep

Tuesday, Aug. 5, 7 to 9 p.m., Victory Hospital, Waukegan, will begin a five-week Childbirth Preparation class with Sandra Oakes, R.N., B.S., as instructor. The classes are free. To register call (312) 360-4246.

Lamaze Classes

Lamaze Natural Childbirth classes begin at 9 a.m., Saturday, Aug. 2, at Condell Memorial Hospital, 900 Garfield Ave., Libertyville. Six comprehensive classes will cover a variety of topics including pregnancy, labor and delivery, post-partum, exercises and breathing, and relaxation techniques. Call the Dept. of Public Relations/Marketing at (312) 362-2900, extension 5275, for registration information.

Theater To Do 'I Do, I Do'

Magic Box Theater, a professional, non-profit organization, will open its second season Sept. 10 in the Grand Theater Ballroom of the Elks Club of Kenosha with the delightful Broadway musical comedy "I Do, I Do!"

This wonderful, tuneful story with music follows a young couple, Agnes and Michael, from their wedding

night through their 50th anniversary.

Join Magic Box Theater every Wednesday from Sept. 10 until Dec. 10 for a "Wednesday In Wisconsin."

Magic Box Theater's producer, Mark Jamison, said "This is a great way to spend an afternoon. A beautiful lunch is served in the Grand Theater Ballroom

of the Elks Club. Senior citizens love this kind of entertainment and what an easy way to raise funds for any club. We are presenting several performances for groups with this thought in mind."

Jamison concluded with the announcement that the spring season will see Magic Box Theater's presentation of "Barefoot In The Park."

Adler Center Plans Festival

The David Adler Cultural Center's 1986 Festival of the Arts will be on Saturday and Sunday, Aug. 2 and 3, from 11 a.m. to 6 p.m. on the center grounds at 1700 N. Milwaukee Ave., Libertyville.

More than 100 artists and crafters will display and sell their work, and there will also be food booths, a children's activity area, and two afternoons of entertainment.

On Saturday, the Festival of Community Arts will feature the Heritage Dance Theatre Jazz Ensemble; Bob Kann, juggler and storyteller; Mundelein's Kirk Players; the Liberty/Fremont Concert Society Madrigal Singers and Liber-

tyville's Grove Theatre players. Bob Kann's performance will be sponsored by the Libertyville/Mundelein McDonald's.

On Sunday, the Libertyville Federal Savings and Loan Assn. will sponsor the Festival of Illinois Folk and Ethnic Music. Featured performers will be the Volo Bog Trotters, playing rural stringband music; blues guitarist Honeyboy Edwards; master mandolinist Jethro Burns; Gaping Maw, a quartet specializing in traditional Irish and Scottish vocal music; and M'chaiya, a band that plays Yiddish and klezmer music.

For refreshment, there will be the Taste of the

Mediterranean, the Pop Corn Company, Inc., and an ice cream social sponsored by the Liberty/Fremont Concert Society.

Performances will run from 1 to 4 p.m. both days, and admission is free. For information, call (312) 367-0707.

Graduates

Airman Jeffrey T. Rahberger, son of Mr. and Mrs. Donald J. Rahberger of 448 Park Ave., Burlington, has graduated from the U.S. Air Force aircraft fuel systems mechanic course at Chanute Air Force Base, Ill. His wife, Air Force Airman Amy M. Rahberger, is the daughter of Aurthor and LaVerne Ellis of Rte. 1, Salem.

...then Mommy and Daddy ate this fancy dinner, and I played with the nurses!

That's right! New parents enjoy a carefree special dinner date, compliments of Northern Illinois Medical Center, before they take home their new baby. Parents relax with a gourmet dinner complete with wine, flowers and precious privacy while their little bundle is watched over by some pretty wonderful babysitters...NIMC's outstanding nursery team.

And even though it may be a long time before the new parents get another free moment like this, they'll always remember the special atmosphere and the personalized care their family received here. With choices of birthing rooms or traditional labor and delivery services; father-attended deliveries, even for Cesarean births; free prenatal classes covering all three trimesters; a free sibling class for big brothers and sisters; a session just for grandparents; a pair of scissors for daddies who want to cut the cord as they welcome their baby...and best of all, Rock-A-Bye Club, the unique maternity membership open to any expectant parents, whether or not they plan on delivering at NIMC.

To learn more about Rock-A-Bye Club, its exclusive coupon and discount book, the prenatal classes, or anything else about the wonderful world of babies at NIMC, call 815/344-5000, and ask for the Rock-A-Bye Coordinator. From your first newsletter to your Stork Cuisine dinner, NIMC knows all about your great expectations.

Former Farm Editor Comments On Hillview

by JIM THOMSON

Editor's Note: This is the first of a series of articles giving another perspective on the sludge problem on Hillview Farms. They are written by Jim Thomson, recently retired as editor of *Prairie Farmer*, America's Oldest Farm Magazine.

As a student at the University of Illinois, I had a good fortune to study under Prof. O.C. Leiter, an old veteran journalist hired from the *Portland Oregonian*. I recall one strong piece of advice that he gave to us.

"Never," he said, "jump to conclusions before you write your story. Get all the facts, before you make up your mind. And don't get emotionally involved. You could be guilty of a mental lynching."

In writing this, I have tried to follow Prof. Leiter's advice. I am no stranger to this area, having been in Richmond many times and on the May farm at least a dozen times. In fact, I wrote a story about the Arnold May sludge operation several years ago when I was editor of *Prairie Farmer*.

What bothers me most about the Richmond community is that when you talk with many people about Hillview Farms, they soon become emotional. The words thrown about are dynamite and tend to inflame. Some of them include cancer, sludge, stink, heavy metals, sewage, etc. Each of

these terms inflame and anger when uttered and are packed with emotion that cause some people to do things that they wouldn't normally do.

There is evidence at Hillview Farms that a crime was committed, although the authorities are not sure yet who is responsible for the burning of May's barns. One of the barns, his largest, was burned down recently. The fire chief said the evidence indicated arson.

Sand also was found in the gears of a tractor, causing considerable damage. Regardless of what you think of Arnold May and his sludge operation, he doesn't deserve such treatment which is tantamount to a wrought up community acting as judge, jury, and executioner.

Some leaders in the community make accusations and choose to ignore the reports of the experts from the universities. What complicates matters is the fact that these leaders have standing in the community and enjoy the publicity.

When I wrote the story about the Hillview operation several years ago, I made sure that I had all of the facts. That involved trips to the soils departments of the University of Illinois and the University of Wisconsin.

Even then, I had doubts when both soils departments said that the sludge ap-

plications were not an environmental problem. They advised me that heavy metals, according to their research, were not taken up by crops to cause a hazard to human health.

My next move was to go another 650 miles to the U.S. Dept. of Agriculture in Washington, D.C., to get the opinion of the nation's top soils researchers. I asked the scientists at Beltsville, MD., where the USDA research is carried on, what

they thought about sludge applications.

They were of the opinion that the application of sludge to farm land was no environmental problem and was no hazard to human health.

One of the scientists seemed impatient with me when he asked if I realized that the University of Wisconsin had one of the best soils departments in the nation. I still wasn't satisfied. I pursued the mat-

ter of the heavy metals further.

Were heavy metals a hazard to human health, particularly in the uptake by the plant of metals that could be absorbed by humans?

At that time, it was explained to me that regardless of the amount of heavy metals in the ground, the plant takes only minute amounts of these metals for its needs. They emphasized to me then that corn, in par-

ticular and in effect, took up no heavy metals that would affect human health.

More recently, Dr. Arthur E. Peterson, professor of soil science at the University of Wisconsin, and Dr. T.D. Hinesly, soils ecologist at the University of Illinois, have said virtually the same thing.

In subsequent articles I shall deal with some of the other items that have caused concern in the community.

Communicants

Faith Evangelical Lutheran Church in Antioch welcomed 18 new communicant members of the church. Each of the young adults made public confession of their faith in Jesus Christ as their personal savior. The new communicants are, front row, from left: Tina Sullivan, Tara Weiss, Alicea Meyer, and Bradley Behling. Second row: Christopher Bullens, Steven von

der Linden, Rebecca Birkman, and Jennifer Massie. Third row: Denise Dretske, Sheryl Gordon, Todd Pretre, Angela Schwach, and Julie Beran. Back row: Pastor D. Gruen, Carrie Sullivan, Shane Lasky, Todd Crandall, Chad Nicpon, April Blavat, and Pastor G. Hermanson.

Primary Center Will Offer Tests

Many free medical tests leading up to several grand prizes will be offered during Antioch's Maxwell Street Days by the new Primary Care Family and Emergency Medical Center at Toft and Lake Streets in downtown Antioch.

During the four day event from July 31 through August 3, the center will offer free tests for blood pressure, eye sight, height, and weight at its booth and give away free drinks and refreshing fruit bars.

Those coming to the booth on Lake Street will also be able to pick up coupons offering a free urine and hemoglobin checkup with each school physical at a greatly discounted price; also a free check for senior citizens of cholesterol and triglyceride levels of fat in the vascular system.

Other coupon offers can be obtained from the booth. These will include a substantial discount for the first visit to the Antioch medical center plus a coupon to be used in a drawing for one of five medical checkups free with a value of \$250.

The booth will be open all four days of the festival; the

medical center itself is open seven days a week, staffed by American trained physicians. Visitors to the center are asked not to park their cars in the ambulance and emergency care section of the parking area.

The medical complex can be toured during the Maxwell Street festivities or later when an open house will be held to show off the large and sophisticatedly equipped facility.

Primary Care engages in family practice, industrial medicine, internal medicine, emergency care, allergies, pediatrics, orthopedics, minor surgery, parent education which includes preventive medicine and laboratory and x-ray service.

The Center, which has extensions in the Libertyville, Grayslake and Gurnee-Waukegan areas, pioneered many programs in Lake and Kenosha counties that are designed to help the consumer of medical care. These include HMO health plans, low costs, no waiting to see a doctor, convenient hours to serve working people, and friendly and competent staff.

Joint Exercise

Airman 1st Class Philip J. Canty, son of Harry and Molly Mesmer of Richmond, has participated in Global Shield 86, an exercise involving U.S. Air Force, Navy, and Marine Corps Units, and elements of the Canadian Forces. The exercise, coordinated by the Air Force Strategic Air Command (SAC), was designed to enhance readiness and the ability of SAC to carry out orders should deterrence fail. Canty is a technical aircraft maintenance specialist with the 380th Bombardment Wing at Plattsburgh Air Force Base, N.Y.

Cooperative Extension Luncheon

Bernelda Clem, a 53-year member of the Homemaker's Extension Club (from left), joins Charlotte Bingham, Norma Schott and Maggie Marabella at an appreciation luncheon sponsored by the Lake County Cooperative Extension Service. Marabella will serve as president of the Homemaker's Extension Assn. next year. — Photo by Sue Montgomery.

Extension Service Holds Appreciation Luncheon

Those who gathered at an appreciation luncheon sponsored by the Lake County Cooperative Extension Service found they shared a remarkable bond in their experiences as members of the Extension Service.

While ten past and present members recounted their activities and skills they developed through the organization, many others at the luncheon chuckled after hearing stories that paralleled their own.

Among the speakers were former 4-H participants Pat Oakes and Eileen Bonner, Mary Kay Gutzsel, Dennis Walsh, current Lake County 4-H Ambassador, Bernelda Clem, a 53-year member of the Lake County Homemakers Extension Assn., Wayne Bingham, Joe

Fielding, Margaret Hilliard, Andy Sargent and Lorna Whitton.

Leadership and organization were only a few of the skills members highlighted as part of their association with the Extension Service. "We're not only the young adults of today, but the leaders of tomorrow," said Walsh.

Charlotte Bingham of the program council said,

however, that the federal funding for the organization's 1986-87 budget will undergo a substantial decrease.

To help offset some of the costs of programs and activities sponsored by the Extension Service, a bike-a-thon has been scheduled for Sunday, Aug. 17 beginning and ending at the Lake County fairgrounds. For information, call 223-8627.

Registration Continues

Registration for the 1986 fall semester at the College of Lake County is in progress now through Aug. 21.

Students may register in person on the Grayslake campus or the Lakeshore Campus, 111 N. Genesee St.,

Waukegan, or by telephone (312) 223-1111, Monday through Thursday from 10 a.m. to 2 p.m. and 4 to 8 p.m.

Registrations are also accepted at the Southlake Center, 1860 First St., Highland Park

MEET THE NEW DOCTOR IN TOWN!

**Hi, I'm
Dr. Jeffrey K.
Bergin, D.C.**

PROFESSIONAL QUALIFICATIONS

Did you know that becoming certified as a chiropractic physician requires a minimum of six years of highly specialized college training?

Today's Doctor of Chiropractic must complete 4,485 hours of classroom instruction and pass a rigid chiropractic board examination before earning a license. In most states, continuing educational seminars must be completed for annual license renewal.

PERSONAL BACKGROUND

In addition, I have completed courses in the care and treatment of scoliosis, sports injuries, low back and orthopedic studies; and hold a bachelor of arts degree from Lakeland College in Sheboygan, Wisconsin; and the doctor of chiropractic degree from Logan College of Chiropractic. Postgraduate courses include a one year radiology (X-Ray) course and orthopedic diplomate certifying coursework. While in college, I received Dean's List Honors and graduated in 1982. I have associated with two large chiropractic clinics prior to my coming to this area.

Additionally, I devote 3 days every month to attend advanced orthopedic course work in Chicago and Atlanta to stay current on the latest chiropractic advances.

This is the kind of training and professionalism I offer you. If you have hesitated visiting a chiropractor, perhaps you didn't know that chiropractors go to such great lengths to continue their education and provide you with the latest techniques and most qualified service. So, you see, what you don't know, can't help you. Call me today and let me help you.

Did you know that symptoms most commonly treated by chiropractors are:

Back Pain	Headaches	Painful Joints
Neck Pain	Arthritis	Shoulder Pain
Stiffness	Bursitis	Arm/Leg Pain
Numbness	Hip Pain	Cold Hands/Feet

To introduce you to the healing world of chiropractic, please accept my special offer:

**COMPLIMENTARY SPINAL EXAMINATION
July & August**

Complimentary Complimentary

This examination normally costs \$35.00 or more. It will include an orthopedic test, a neurological test, a blood pressure test, a spinal alignment check, an examination for restricted or excess motion in the spine, a muscle strengthness test, and a private consultation to discuss the results.

Editorial

Bouncing Back

Because of its location, removed from competing shopping areas and benefactor of a semi-monopolistic Wisconsin market, downtown deterioration came late to Antioch. But come it did! Like the all too familiar refrain from across the nation, the once bustling Antioch retail and commercial hub has been showing the ravages of time, pressures of economic stress and evidence of changing consumer tastes.

Unlike so many other communities where hand-wringing and waiting for governmental handouts was the typical reaction to the decline of the traditional downtown area, Antioch decided to respond positively to negative forces. Now the result of that response is beginning to be evidenced.

Village officials decided to become involved in the rehabilitative process. Formation of the Antioch Redevelopment Com-

mission and adoption of a tax increment financing district (TIF) program became the nucleus of bouncing back.

A Wauconda firm has taken a lease for a retail nut business on a main street business location owned by the village. Trustees authorized expenditures of \$13,000 to make the spot attractive to both a lessee and future shoppers. At the same time, the Antioch Rotary Club is pushing to complete the Antioch Mall project, a revitalization effort that will provide an attractive setting for public gathering when completed.

Antioch officials are convinced that they are onto something by generating new income from TIF and breathing new life into tired retail outlets. So do we. Village efforts are especially appealing to prospective small business operators. Added all together, Antioch efforts will be a beacon on how to bounce back, an example well worth emulating.

A Fight Brews

A fight may be brewing between Lake County officials and members of the Northwest Regional Sanitary Dist.

Rumors that Lake Villa may soon ask to tie in to the regional sewer system have sparked debate. The point at issue is whether existing structures in Lake Villa should pay a tap-in fee if the village does decide to join.

Members of the Northwest Region (Fox Lake and the Round Lake areas) maintain that they have paid for the necessary expansion of the lines and plant to provide for the regional system over the last decade. They note that, initially, Lake Villa was scheduled to come into the system before the Round Lake area but backed out.

They say that for Lake Villa to come in now, without having to pay a share of the original costs of providing service, would amount to a subsidy of Lake Villa by the Round Lake and Fox Lake areas.

County officials, on the other hand, note that there could have been no expansion without going to the regional system. They point out that the federal government paid for 75 percent of the cost of expansion. They also point out that the purpose of regionalization is for pollution control. For every new user that comes on line, another package (local) sewage treatment plant is

shut down, thus lowering area pollution.

Both sides are right. One need only compare the condition of area lakes today to what it was ten years ago to see the effectiveness of the regional systems in cutting pollution. The patchwork of package plants that existed before regionalization was on the verge of destroying such resources as Third Lake, Long Lake, and Deep Lake. There can be no lasting economic health if ecological health is sacrificed.

On the other hand, we do not believe that the first users of a regional plant should be the only users to pay for that system. Pollution control is important to all, and all should pay their fair share. Under the present system, the wealthiest communities in a region can afford to wait until a regional plant is paid for and then tap into it without ever having to pay a share of the cost of the plant.

Pollution control is an admirable goal, but having the poorest communities subsidize the wealthiest is not an admirable means of accomplishing it.

We hope that the county and the communities involved can sit down and reason together. Hard work, open minds, and good faith negotiations can result in a solution that is fair to everyone.

Grace Under Fire

Whether you like them or hate them, school board members and officials of Warren Twp. High School must be given credit for exhibiting grace under extreme pressure.

It was a year and a half ago that the school was gutted by fire. Four board members were tossed out in the election after the fire and the initial rebuilding plan had been revised and re-revised. The tumult resulting from the change in the board didn't subside until the middle of last winter.

Then, a group of parents from Arbor Vista suddenly decided that their children could get a much better education in Libertyville than they could at Warren. Cynics suggest that the de-annexation movement in Arbor Vista is more related to dollars than it is to sense: the dollars required to rebuild Warren. Certainly, in the 15 plus years that Arbor Vista existed before the fire, no committee had complained of the inadequacy of education at Warren.

Just weeks ago, Governor Thompson vetoed \$375,000 in emergency temporary relocation funds that the legislature had appropriated for Warren. In an exclusive interview with Lakeland Newspapers last week, the governor offered to help Warren get the money from the State Board of Education. Officials at Warren are now in the process of working with the governor's office to try to get the money before the school year.

So, in the past year and a half, Warren officials have had to deal with a catastrophic fire, come up with a rebuilding plan that the

community can afford, fight a battle with a neighborhood that would pull over \$6 million in assessed valuation out of the district, make plans based on now-you-see-it, now-you-don't state assistance, and, of course, provide a quality education for students.

It is a task that would cause many people to throw their hands up in despair. To their credit, officials at Warren continue to overcome these obstacles while keeping in mind that the education of children is their first priority.

High Tech Competition

Lakeland area schools may be hard pressed to fill all needed mathematics and science teaching posts, and it's all because of America's love affair with high tech. Many math teachers and college graduates with math teaching credentials are being lured into private industry. Competition is keen for math and science skills both in the public and private sector.

If they weren't so hard pressed to fill teaching positions for technical subjects, school administrators would be bemused by the result of having done too good a job. This is a case of the demand exceeding the supply. Parents can well tell their youngsters to forget about growing up to be pro sports stars or tv anchor persons and hit the books instead because there's a pot of gold at the end of the math and science rainbow.

Letters To The Editor:

Defining Republicans

Editor:

I have to chuckle at the way "good" and "bad" Republicans are sorted out in Warren Twp. Shawn Depke, Warren Twp. Republican Chairman, has certainly kept a watchful eye on the news, and seems to take personal offense to anyone receiving a line or two of recognition. He recently referred to Gretchen Schalck, a Wildwood resident who ran against his father in the last township election, as being neither prominent, nor a "good" Republican. Furthermore, he had to consult Webster's Dictionary to find the meaning of the word prominent.

The truth about the Warren Twp. Republican Party is that you cannot belong unless you are hand-picked by a few elite party bosses, who expect total loyalty in return. Schalck wavered on the edge of this group, until she questioned practices that are going on at the Warren Twp. Center, and found enough "gray area" policies that she decided to run for office. After losing the election, harassment has been constant by these "good ole' boys," to the point of involving another member, States Attorney Fred Foreman, in a local precinct committeeman race. A letter, signed by Foreman was distributed door-to-door and through the mail which had one purpose and one purpose only—to slander Schalck's good name and reputation. After scaring voters into submission, it is no wonder that his father, Don Foreman, was elected by eight votes. Another example of party policy in Warren Twp. took place at a Lake County Board meeting. "Prominent" Republican Bob Depke (Shawn's father), did not support Schalck's reappointment to the Gages Lake Sanitary Dist., a position she had effectively and efficiently held as president for three years prior to the reappointment. It was not enough to vote no, Bob Depke also had to stand up in front of the entire board to state that Gretchen belongs in the sewers with the rats.

Debbie Jaros
Wildwood

Misusing Taxes

Editor:

The superintendent of schools at Warren Township High School, Dr. Lawrence Callan, stated publically in a July 7 news article that it would be in the best interest of the schools and community to bring the Arbor Vista deannexation matter to a quick ending. Yet the two school boards involved have chosen to use public tax dollars to initiate legal action against the School Committee.

Arbor Vista residents are outraged that public funds are being used to prevent a public hearing on the matter of what is the most appropriate education for the students of their community. Why use tax dollars to prevent such a modest request to allow citizens to exercise their legal rights to be heard? It would seem that the school districts have everything to gain and nothing to lose if the educational programs have the broad-based quality the school officials would lead the community to believe.

It is unfortunate that the Warren Township board, at their July 17 meeting, unanimously voted to direct expensive school attorneys to prevent the Lake County School Trustees to act on this matter. This was done without one question or comment from any board member. This behavior seems consistent with the many bad decisions recently rendered regarding the building of new educational facilities and the improvement of the educational programs.

How can the community at large trust the educational decisions made for their children by these custodians of public funds?

E. Arthur and Sonja Stunard
Arbor Vista

Letters Invited

Letters to the editor are welcome. They should be on topics of general interest, approximately 250 words or less. All letters must be signed, and contain home address and telephone number. The editor reserves the right to condense all letters.

Editor's Viewpoint

Protection Edicts Deserve Support Of Gov. Thompson

by BILL SCHROEDER

Substantial progress was made in the recently concluded Illinois General Assembly in protection of children and youth. Most of the proposals now are on the governor's desk, awaiting signing into law.

Ex-cons with sexual assault convictions will be required to register with local enforcement agencies upon release from prison or probation. (SB 2292). Commercial film processors will be required to report cases of suspected child pornography. SB 2293 also allows for the seizure of property derived from child pornography.

In certain cases, video tapes of a child's testimony will be allowable in court. SB 2581 also allows the use of closed-circuit television for a jury to observe a child's testimony.

Adults who rent a motel room knowingly for a teenage drinking party now are subject to a Class C misdemeanor prosecution which calls for a 30-day jail sentence and up to a \$500 fine. With approved facilities, minors can be jailed for more than 24 hours. Teen drivers convicted of driving while under the influence of alcohol or drugs face an automatic driver's license suspension. SB 1491 expands the list of persons who are required to report cases of suspected child abuse.

All in all, Illinois lawmakers earned high marks for improving the protection of children and youth. Gov. James Thompson should be encouraged to sign into law all of the measures relating to youth and child protection.

Weddings/Engagement

Mr. and Mrs. William M. Schroeder

Bontems-Schroeder

Lisa Anne Bontems, daughter of G. Bart and Kathleen Bontems, Moline, Ill., and William M. Schroeder, son of William H. and Nancy Schroeder, Ingleside, were joined in marriage at 6 p.m., May 30, at Christ the King Church, Moline, Ill. The ceremony was performed by the Rev. Richard Bresnehan and the Rev. Lisle J. Kauffmann.

The bride was given away by her father at the double ring service. She chose an asymmetrical designer gown of silk satin embellished with sequins, seed pearls, and Alencon lace, with a full skirt and chapel length train. Her matching hat was a modified derby trimmed with Alencon lace, silk flowers and seed pearls.

Maid of honor was Michelle T. Bontems, Dallas, Texas. Bridesmaids were Susan Harris, Norman Okla.; Eric Aciri, San Diego, Calif.; and Jill Schroeder, Ingleside.

Best man was Robert Schroeder, Ingleside. Groomsmen were Thomas Barret-smith, Ingleside; William Lonnergan, Salem; and Ralph DePasquale, Waukegan.

Ushers were Michael Pramshaffer, Lindenhurst, and Paul Weiland, Libertyville.

The guest book was attended by Amy Schmid.

Following the ceremony a reception was held at the Short Hills Country Club.

The couple took a honeymoon trip to Siesta Key, Fla., and now reside in Fox Lake.

The bride is a graduate of Moline Sr. High School and the University of Illinois, with a human resource degree. She is employed by

Four Squires, Antioch.

The groom is a graduate of Carmel High School and is presently attending the University of Illinois, where he is a member of Sigma Chi. He is employed by Lakeland Publishers, Inc., Grayslake.

Mr. and Mrs. David Barhyte

Kowalski-Barhyte

Denise Kowalski, daughter of Andrew (Butch) and Carolyn Kowalski, Salem, and David Barhyte, son of Lee Jr. and Donna Barhyte, Trevor, were joined in marriage at 4 p.m., July 5, by the Rev. Knight, at the home of the bride's parents.

Maid of honor was Susan Homan, Chicago, best friend of the bride. Bridesmaids were Kathy Kowalski, sister of the bride; and Susan Kowalski, sister-in-law of the bride.

Best man was Jack Lamarle, Trevor, best friend of the groom. Groomsmen were Andrew Kowalski, brother of the bride; and Donald Barhyte, brother of the groom.

A reception was held at the home of the bride's parents.

The newlyweds honeymooned at the Wisconsin Dells.

The bride is a 1980 graduate of Wilmot Union High School. She is employed as a waitress at the Las Vegas Restaurant, Antioch.

The groom is a 1979 graduate of Wilmot Union High School. He is employed as a car-penter by Ray Bruha, Antioch.

Mr. and Mrs. Leonard Krotowski

Smith-Krotowski

Debra Ann Smith, daughter of Larry and Pam Schultz, Wildwood, and Richard T. Smith, Vancouver, Wash., and Leonard J. Krotowski, son of Joe and Irene Krotowski, North Chicago, were joined in marriage at 2:30 p.m., April 19, at Holy Family Church, North Chicago, by the Rev. Ronald Anglim.

Debra is the grand-daughter of Butch and Dolly Smith of Vancouver Wash., formerly of Gurnee.

The bride was given away by her brother, William T. Smith, during the double ring service. He took a leave from the Air Force to give his sister away.

Matron of honor was Debbie Vavrusa. Bridesmaids were Robin Naden, Dallas, Texas; Bee Warrens, and Teena Haley, sister of the groom. Junior bridesmaids were Stacey Pople and Angeique Pople, cousins of the bride.

Best man was Richie Krotowski, brother of the groom. Groomsmen were Joe Kristan; Larry Siwula, cousin of the groom; Mike Sivia; Ray Ritter, cousin of the bride; and Roger Knutel, cousin and Godson of the groom.

Flowergirls were Tera Smith, daughter of the bride, and Michelle Krotowski, niece of the groom.

Ring bearer was Travis Smith, son of the bride.

Ushers were Kenny Haley, nephew of the groom; and Mark Vavrusa.

A reception was held at the J-M Club in Waukegan.

The newlyweds honeymooned at The Sybris in Northbrook. They are residing in Waukegan.

The bride is a full-time student, pursuing a degree at the College of Lake County.

The groom is a route salesman for Pepsi Cola, Inc., Gurnee.

Henry Schmidt and Kelly Niles Niles-Schmidt

Donald and Carole Niles, Hinckley, Ill., have announced the engagement of their daughter, Kelly, to Henry Schmidt, Antioch, son of Henry and Martha Schmidt, Capron, Ill.

The ceremony will take place Aug. 16 at Immanuel Lutheran Church, Hinckley, by the Rev. Balgeman.

The bride attended Hinckley-Big Rock High School, and Monmouth College. She was a member of Kappa Delta Sorority and band. She is employed by Burgess-Norton Mfg. Co., Geneva, Ill.

The groom attended Antioch Community High School and Monmouth College. He was a member of Zeta Beta Tau Fraternity. He is employed by Realty World-Tiffany, Antioch.

To Host Health Fair

The first annual pediatric health fair, sponsored by the College of Lake County, will be held Saturday, Aug. 9 from 10 a.m. to 4 p.m. on the Grayslake campus.

Over 30 exhibitors will participate in the fair, designed to provide children and their parents with an opportunity to learn about preventive health care and to introduce them to community health resources.

Representatives from area hospitals, the Lake County Health Dept., Discovery Toys, Mead Johnson and the American Red Cross, among others, will set up booths in the main lobby and the orange court of CLC.

Free product samples will be offered and several groups will provide free health tests including vision and blood pressure screening and testing for lead poisoning. The American Red Cross will conduct first aid demonstrations and the U.S. Coast Guard will perform a mock air rescue in the circular drive outside the main lobby.

Touch and see exhibits, such as the radiology booth which will show pictures of the human skeleton and the AT&T booth set up to teach youngsters how to dial a phone in an emergency, will provide children with insight into health care.

Presentations on topics such as sports injuries and

chemical abuse will be conducted throughout the day.

Admission and parking is free, and balloons and pencils will be given away along with tickets for a toy drawing. CLC is easily accessible by public transportation.

For further information call Carmella Mikol, (312) 223-6601, ext. 340.

Chicken Popular Dish For American Families

It's the Year of the Tiger in Chinese circles. But according to the U.S. calendar, it's just another Week of the Chicken.

Credit the Chinese with plucking chickens out of the Asian jungles and domesticating them in 3000 B.C.

Today, chicken is the primary food source in this country—it is served in more than 9.5 households out of 10. About 70 percent of American families eat the bird or parts thereof at least once a week.

The most popular parts, hands down, are the breast and drumsticks. If you have more than two children in the family, you've probably played Solomon more than once, dividing the drumsticks.

Chicken breasts get top billing in many exotic dishes. You can save up to \$1.75 a pound boning them yourself. Using a fillet knife, start separating the flesh from the bones, but let your fingers supply the main action. Get rid of the big bone first, then, if the recipe requires, remove the skin. It takes about 10 minutes a breast, including trim-

ming excess fat and gristle, for amateur butchers.

If you're making cutlets, halve the breast, insert both pieces in a plastic bag and pound, working from the center out.

Chicken wings have become popular at home and at fast food establishments, which have done their best to lure the barbecued-with-hot-sauce set.

Even the back and neck come in for special mention. The back flavors soups while the neck is used in gravies.

While the thighs bring up the rear, supermarkets are offering them in packages and they may just catch on.

You can cook chicken breast quarters with the skin on and the wings attached. With the leftovers, you can prepare a simple chicken salad: chopped up chicken, mixed with mayonnaise, with cut-up stuffed olives, diced celery and finely chopped onion stirred in and the mixture chilled overnight.

You can steam chicken with the skin off

and the wings removed. Then you can fry the wings separately and serve them the next day with doctored steamed chicken, cut up and placed in avocado halves, topped with cold vegetables or salad dressing, or both.

Your dog can get into the act, too. Boil the skin with some rice and mix it in your pet's regular food for a real canine delight.

About those chicken feet.

Just kidding!

Cheesy Chicken

- 1 garlic clove
- 1/2 cup margarine, melted
- 1 cup dry plain bread crumbs
- 2/3 cup grated Cheddar cheese
- 1/3 cup Parmesan cheese
- 1 teaspoon salt
- 1/4 teaspoon black pepper
- 4 chicken breast quarters, skinned

In small mixing bowl, place garlic in margarine and let stand 30 minutes; discard garlic. In medium mixing bowl, combine bread crumbs, cheeses, salt and pepper. Dip chicken in margarine, dredge in cheese mix-

Pilot Light

GREG MELIKOV

ture and place in large casserole. Pour remaining margarine and cheese mixture over chicken and bake uncovered one hour in 350-degree oven. Serves four.

Canine Delight

- Chicken skin and gizzards
- 3 chicken wings
- 2 chicken necks
- Rice

Place chicken skin and parts in medium pot; cover with water and boil 1 1/2 hours, adding water when necessary. Add a little rice; cook 30 minutes on simmer and let cool. Cut up skin and gizzards; bone wings and remove meat from necks. Yields four servings. Stir mixture into dog food.

The Turtle Is A 200 Million Year Old Reptile

by CHARLENE WHITNEY

Like dinosaurs, the turtle is a primitive reptile that first appeared on earth 200 million years ago. It hasn't changed much over the years. In fact, there are now over 200 species of turtles in the world. They are as small as less than a pound, and as big as 1,500 pounds. They live everywhere in the world except the coldest climates.

There are three different groups: freshwater turtles, which live in rivers and ponds; sea turtles, which live in the sea; and tortoises, which live on land.

There are a few types which don't fit into these groups because they swim like freshwater, but spend time on land like tortoises.

Some turtles live to be 100 years old.

Most turtles are freshwater and there are many kinds. They are all sizes from tiny to large. They find their food in the water and eat anything from fish to other types of water animals. A big snapping turtle will try to sneak up on ducks and eat them.

They are cold-blooded, air-breathing reptiles. For this reason they must adjust to temperature changes. If it is warm, they sun on a rock.

covered with hard scales and the turtle can feel pressure through his shell. The shell is part of his skeleton and it has a top and bottom to it.

The tortoise has a high shell whereas the freshwater turtle has a flatter shell. The tortoise has legs that are round and sturdy and the freshwater turtle has thin flat legs. There are only four toes on tortoises, but five on

the freshwater turtle.

A tortoise gets all the water he needs by eating plants which store moisture.

They live very slow, quiet lives. With his shell to protect him there is no need of fear. He eats plants and finds little that makes his day exciting.

Sometimes males fight for hours over a female. The one pushed on his back loses. If

he can't get back on his feet before the hot sun gets to him, he may also lose his life.

The sea turtles used to be a big mystery. They have lived since the age of the dinosaur and are rarely seen. They can fly through water at speeds of 15 miles an hour.

The sea turtle will come ashore to mate and to lay eggs every year at about the same time, usually at night.

The female digs a hole with her back legs and lays about 200 eggs. Two or three months later they hatch. The babies dig their way out and head for the water. Many never make it to the water as they are eaten by gulls, crabs and other predators. Even in the water, fish and sharks eat them. After more

than 20 years, the one or two that live to adulthood come back to the same beach to have young of their own.

The largest sea turtle that ever lived was Archelon. He was about 10 feet long and must have weighed about

two tons.

Another interesting fact about sea turtles is that they get a lot of salt from ocean water. They can't handle all that salt, so to get rid of the excess, they shed big salty tears.

but if it gets too hot, they go into the water to get cooled off. If the days become downright cold, they go into the water and dig a burrow. There the turtle will go into a deep sleep for months.

There are indeed some odd looking turtles. The head of the reddish colored matamoras is like a vacuum cleaner. This turtle, from South America, hides in murky water and when a fish swims nearby, it sucks it into its mouth.

The alligator snapping turtle can be as big as 200 pounds. He wiggles his bright tongue until a fish assumes it is a worm and swims right into his mouth.

Turtles have no teeth, but they have jaws with a very hard covering. The jaws of every turtle look different. They can eat many different foods. Most turtle shells are

Buying Art Prints For Pleasure

by GARY S. MEYERS

Even if you don't know the difference between Picasso and Norman Rockwell, you can own the work of a master artist without having to take out a second mortgage. Thousands of amateur American art collectors are buying signed, numbered artist prints, one of the most popular and affordable art forms available for today's consumer.

It doesn't matter if you're buying art strictly as an investment or just trying to fill a space on the living room wall. Knowing about what you are buying will save you money, experts say.

"Most purchase errors occur when buyers get taken in by art dealers' chatter and the buyers get taken in by art dealers' chatter and the buyer is embarrassed to admit that he doesn't know," said Anselmo Carini, associate curator for prints at the world famous Art Institute of Chicago.

Beware of these five great lies in the art field:

1. The artist is on his deathbed, so the value will soar;
2. There have been only 300 printed;
3. Artists' proofs are more valuable than the numbered copies of an edition;
4. The low numbers on a series are worth more than the higher numbers of a print edition;
5. And, of course, it's valuable. Here's the certificate of authenticity.

Art prints are originals. "Original prints are not reproductions of prior art pieces, like many Norman Rockwell and Salvador Dali reproductions currently on the market," said Michael Wyman, director of his own gallery in Chicago.

Artist print originals are a limited run of a lithograph, etching or silkscreen print. The master plate or stone is created by the artist expressly for a single edition and is then destroyed or defaced, so no more can be made.

"The artist supervises all aspects of production and then signs and numbers the edition as his mark of final approval," said Carini.

Fine print editions are usually limited to 50 to 300 prints. "Larger runs reduce the value of the work because of less scarcity," said Wyman.

Carini and Wyman offer the following tips on protecting your buying power:

-Never buy a paper work of art unless you remove the frame. "Look at the physical condition, and make sure that you are not buying a cheap commercial replica," said Carini.

-Take a magnifying glass. Carini said that "a commercial replica will have 'printer's' dot patterns, rather than full ink and irregular ink coverage."

-Do your own homework. Turn your art hunt into a fantasy search. "Go to your local museum and educate yourself before you buy," said Carini. "The help is personal, free, professional and without bias. Besides you'll have fun and learn something."

-Learn to distinguish the quality and the age of paper. "There is a big difference between cheap pulp and fine rag. When fine paper is held to the light, a clear weave pattern can be seen," said Carini.

-Restrikes. Sometimes additional prints called restrikes are generated from the original plate at a later date. It is legal to sell these, but "...they must be identified as restrikes on the bill of sale," said Wyman.

-Beware of prints that are not originals. Restrikes are perfectly legal, but can't be passed off as originals. Nor is it legal to forge the name of the artist. Still, it is done.

Forgeries are sometimes difficult to detect. However, restrikes are often not as sharp or as clear as original print editions, because plates generally begin to break down after 600 or 800 prints have been made.

-Before purchasing a print, or any art work, consult a complete catalog of artist's work. The catalog lists the chronological order of an artist's work, provides color pictures and physical descriptions of individual pieces, the date and number of the edition and notes on the artist's style. Catalogs can be found at libraries and art museums.

-Get it in writing. "Ask for written affirmation from the seller listing the history of ownership of the print, the

print's description, and whether it has some bibliographical sources," said Chicago-based art appraiser Richard-Raymond Alanko. "Once you get it in writing, the seller is liable."

New York state adopted a law requiring art dealers to include this information with the bill of sale, for prints and other works of art.

"The problem with some prints isn't that they're forgeries, but that they're just not valuable," said Wyman.

"Dali, for example, has given permission to many artists to copy some of his

work, and then prints are made from the copies," said Wyman. "Dali has sold out for cash."

"Much of Dali's work done after 1949 was subject to contemporary mass merchandising and mass production," Carini noted.

Buy for pleasure," said Wyman. "The layman cannot make money on art without a great deal of specialized expertise."

Both Carini and Wyman suggest that to find affordable, quality art, look for unknown but emerging artists through the gallery system.

Aware Holds Dance

Money Managers Can Work For You

Whether you are a school teacher paying into a pension fund, a young couple trying to tuck away a little nest egg in a mutual fund, or a millionaire looking to shelter income from the IRS, you probably have one thing in common—a money manager who works for you.

Once considered a luxury and only for the rich, money managers are now working for the small and middle-sized investor. Money managers run the investment portfolios of mutual funds, unions, major banking houses—they are found anywhere money is collected and needs to be invested.

But beware, not all managers are successful, and those that are, are not successful all of the time. Every money manager has his own style, and bases his investment strategy on the needs of his client and, to a degree, his own personality.

"Money managers are much like star athletes or race horses," said Mark Klibanow, investment expert with E.F. Hutton & Co. "They and their styles can be distinctly different, and their objectives are geared to get the highest possible investment return, within the different risk parameters accepted by their clients."

This week The Meyers Report highlights three successful money managers and their differing styles.

-THE CONSERVATIVES - "I look for down-and-dirty value. I want investments that are underpriced and still have the opportunity for long-term capital appreciation," said Donald Reed, president of New Jersey-based Trident Investment Management Inc., which specializes in managing public employee pension funds.

"You can't explain risk to my clients. They're trusting me with their life savings, their retirement money. I look for sleep-at-night companies that have intrinsic value," said Reed.

Reed manages an \$85 million equity fund. In outlining his investment strategy, he looks for:

generic, easy-to-recognize company names like Xerox, Avon, Sears, etc.; companies with a rock-hard balance sheet, good cash flow, and steady dividends; the real value of the company's assets, and for companies holding financial assets, such as banks; a "trigger mechanism," such as a pending high dividend or a new product, that will make the stock move.

When Reed finds companies with these criteria, he tries to buy at book value, when general investor interest is low. Once that is done, he sits back and waits for the trigger to kick in.

"Polaroid was a great example of this strategy. A year ago we bought it at \$30; the trigger was the patent-infringement suit they

had against Kodak. When Polaroid won the suit this year, the stock more than doubled in value," said Reed. "Overall we've had a 25 percent capital appreciation this past year."

-THE YIELD METHOD is an equally conservative and safe method of money management. However, unlike the gut-level, method that Reed employs, the yield method is based on a rigid, model-based investment discipline.

"We let the market drive us, instead of trying to drive the market ourselves," said John Lohr, general counsel for Cleveland-based AFA Financial Services Inc., whose trademark is the yield method.

"The discipline is written right into the contract," Lohr said. "There are 10 criteria that a company must meet for us to invest."

Among these criteria are such features as

The Meyers Report

Economic forecaster Gary S. Meyers has been a lecturer and consultant to major financial institutions, government analysts, real estate developers and daily newspapers throughout the nation for the past 16 years. Readers are invited to submit comments and questions for possible use as subjects for future columns. Write Gary S. Meyers & Associates, Ltd., 20 W. Hubbard, Chicago, IL 60610.

10 years of uncut dividends, more than 10 million shares outstanding, and no more than 50 percent long-term debt. In addition, AFA must sell a stock if its yield drops as low as the Dow Jones industrial average, (currently around three percent).

"It's a very risk averse strategy," said Lohr. "The bulk of our assets (totalling \$378 million) come from pension funds, university funds and foundations, but half of our clients are private investors."

"This year AFA has averaged a 23 percent return on investment. Over the 11 years that we have existed, we show an 18 percent average return," said Lohr.

-ECLECTIC STRATEGY - "We combine a number of methods," said Michael Callahan, analyst for E.F. Hutton's Special Equities Fund, a mutual fund. "We take slightly greater risks in looking for companies with high growth potential."

Callahan combines a top-down strategy with a bottom-up strategy. The top-down strategy follows three steps: look at the general trends in the economy, look for industries which will grow according to these

trends, and then look for strong companies in the growth industries. The bottom-up strategy is the same process in reverse.

We don't live by any hard-and-fast rules, except that we want to make money in stocks," said Callahan. "We use all kinds of methods when looking for investment opportunities. If we are looking at a health-care concern like cancer treatment centers, we

aren't going to look at interest rates because that won't change what people will pay for health care."

Hutton began the Special Equities Fund in late 1983. The \$250 million fund is invested in approximately 200 stocks in 15 different categories. During 1984 the fund lost 10 percent, in 1985 it delivered a 37 percent return, and so far for 1986, the fund has appreciated 19 percent.

Abbott Promotes Glanz

Edward T. Glanz has been promoted to area treasurer for Europe in the international division at Abbott Laboratories.

Previously, Glanz was manager of domestic cash in the treasury operations department of the corporate finance division.

He holds B.S. and M.B.A. degrees from Northern Illinois University. Glanz resides in Grayslake with his wife, Susan.

Announce Lucky Winners

Lucky door prize winners from registrants who visited the Lakewood in Lindenhurst grand opening of new model homes July 5 through 13 included five Illinois residents and one Wisconsinite.

Grand prize was a Weber "Genesis II" gas barbeque, which went to Roseann Basford of Waukegan. Five other prizes were Weber 22-inch kettles won by John H. Force of Vernon Hills, Lynne Mark of Lindenhurst, Jan Naeger of Lindenhurst, Susan Papak of McHenry and Gayle Beck of Palmyra, Wis.

Anyone who visited Lakewood in Lindenhurst model homes, off of Beck Rd. just north of Grass Lake Rd. in Lindenhurst, was eligible to enter the drawing which took place July 13.

Lakewood in Lindenhurst models include three-bedroom, two-bath ranch models with base prices starting at \$125,500, and two-story homes with up to four bedrooms and 2 and a half baths. All models offer the following features with their base prices: central air conditioning, basement, underground utilities, lawns, attached two-car garage, concrete drive and walk, family room and patio, double glazed windows and patio doors, oak-cabineted kitchen with range and hood, dishwasher and disposer, Antron carpeting and vinyl flooring and walk-in closets.

An incentive offered by the developer is a free outdoor furniture patio set for buyers who contract to purchase during the month of July.

Century 21 Francis Carr Ltd., Realtors of Deerfield is the exclusive sales agent for Lakewood in Lindenhurst.

For more information telephone the sales office at (312) 356-2400 or (312) 945-5240.

Business Briefs

Baxter Reports Figures

Baxter Travenol Laboratories, Inc. has reported second-quarter sales of \$1.4 billion and net income of \$51 million. Earnings per common share were 17 cents. Sales, net income and earnings per common share for the second quarter of 1985 were \$512 million, \$43 million and 30 cents. Sales for the first six months of 1986 were \$2.8 billion. Net income was \$100 million, and earnings per share were 32 cents. Sales, net income and earnings per share for the comparable period in 1985 were \$1.0 billion, \$82 million and 56 cents. Results for 1986 reflect the acquisition of American Hospital Supply Corp. in late 1985.

Name Sales Veep

Anson Systems, the Travenol Laboratories, Inc. subsidiary that develops and markets physician-to-hospital communications networks and physician practice management software, has named James T. Nutter vice president of sales. Nutter, who will be based at Anson's Northbrook headquarters, will direct the national sales organization and have responsibility for sales of all products.

Name Top Achievers

The Red Carpet Chicago Area Council has recognized its salespeople as being members of the Red Carpet Top Achiever's Club for the month of June. The award, based on sales activity, recognized the top professionals within the Red Carpet's Chicago Metropolitan Area 45 offices consisting of over 550 salespeople. Recipients of this award from Lake County included Virginia Hileman, Rusty Canty and John Dvorak of Red Carpet C. Frank Realty, Fox Lake.

Complete Insurance Course

Sandra Ostrowski, Mundelein, local representative for Mutual of Omaha and United of Omaha, has completed a comprehensive insurance course at the Career Sales Institute in Omaha, Neb. The course is designed to develop professional marketing skills with health and life insurance products as well as the companies' other multi-line coverages. Ostrowski is associated with the Richard Collins Division Office, the Mutual and United agency, Racine.

Hold Volunteer Orientation

Big Brothers/Big Sisters of Lake County invite interested men and women to learn more about their program at an Orientation Meeting on Tuesday, Aug. 5, at the office at 4213 Grove Ave., Gurnee, from 7 to 9 p.m. Volunteers share three to five hours a week with a child in need of a friend.

84 Lumber Promotes

Rod Hilmer, a former resident of Madison has been promoted to outside salesman of the 84 Lumber store in Round Lake Beach.

The new outside salesman graduated from Beloit High School in 1973, and from the University of Wisconsin in 1977. He is the son of Ben and Joanne Hilmer, who are residing in Roscoe.

Hilmer began his 84 Lumber career in March, 1984, at the Round Lake Beach store. He and his wife,

Julie, and son, Derek, age 5 months, reside in Round Lake Beach.

As outside salesman of the store, Hilmer is responsible for total store operation including sales and inventory control.

84 Lumber Company is a retail lumber chain with regional offices in five major cities and has 400 stores nationwide.

Admit Wozniak To Registry

Robert T. Wozniak, CFP, a general agent for the Kemper Life Insurance Companies (KLIC), has been admitted to the Registry of Financial Planning Practitioners.

Membership to the registry is based upon successful completion of an examination, an interview and approval by a national committee. All participants must be re-admitted to the registry biannually. Currently, there are 550 entrants.

Wozniak has been a KLIC agent since 1961 and a certified financial planner since 1983. He and his wife, Barbara, live in Grayslake. They have three daughters.

Notice of Closure

A partial closure plan to close the Travenol Laboratories hazardous waste trailer storage facility located in Round Lake, has been submitted to the Illinois Environmental Protection Agency (IEPA) pursuant to Subpart G of 35 Ill. Adm. Code 725. The site is operated by Travenol Laboratories and will continue operations at this location during and following closure of the trailer storage facility. At this time the IEPA is also requesting that the facility provide information concerning any prior release of hazardous waste constituents from any solid waste management facility on the site.

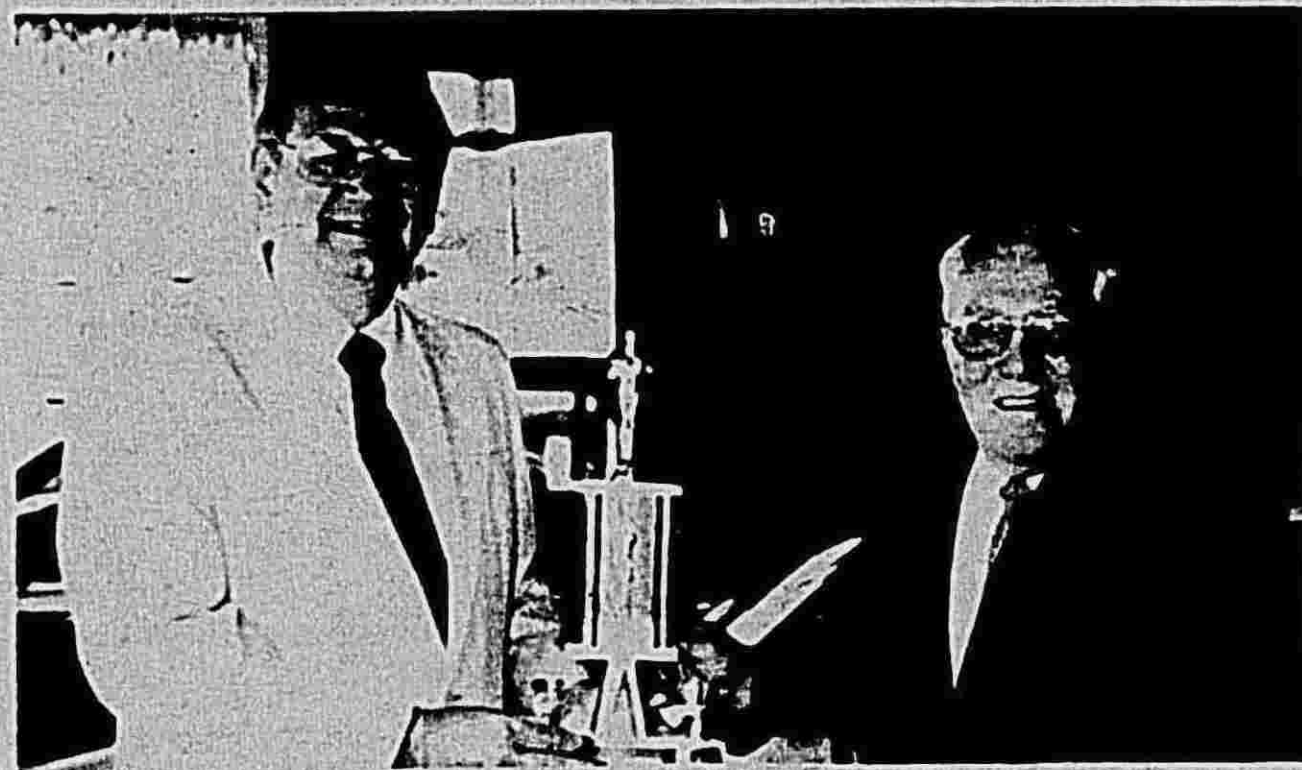

Interested persons are invited to submit written comments on the plan or request modifications of the plan or provide information on the release of any type of hazardous waste constituents from the facility, within 30 days of the first publication date of this notice. Written comments must be addressed to the IEPA, Government/Community Affairs, Attn: Public Notice Clerk, 2200 Churchill Road, Springfield, Illinois 62706.

The site must be closed in accordance with the standards set forth in the Environmental Protection Act, Ill. Rev. Stat., Ch. 111 1/2, Pars. 1001 et seq., and regulations adopted thereunder.

The proposed closure plan, closure performance requirements, and other documents are available for inspection and may be copied at a cost of 25 cents per page at the IEPA's Springfield headquarters. These documents are also available for inspection and copying from the DLPC Field Manager at the Maywood Field Office, 1701 First Avenue, Maywood 60153 (312/345-9780).

In response to requests or at the discretion of the IEPA, a public hearing may be held to clarify one or more issues concerning the closure plan. Public notice will be issued 30 days before any public hearing.

Funeral services for Ruth A. Wilton, 69, of Zion, were held on Thursday, July 24, at the Strang Funeral Home in Antioch.

Mrs. Wilton died on Monday, July 21, at Victory Memorial Hospital in Waukegan. She was born on Dec. 1, 1916 in Antioch, and had been a lifelong resident of this area.

Survivors include one daughter, Barbara Dehler of Zion; two sons, Brett (Peggy) Wilton of Antioch and Frank (Mary Jane) Wilton of Ohio; one brother; three sisters; and five grandchildren.

Interment was at Home Oak Cemetery in Antioch.

Kipp Knoke

Funeral services for Kipp Knoke, 21, of Mundelein, were held on Thursday, July 24, at the Kristan Funeral

Home in Mundelein.

Mr. Knoke died on Monday, July 21 in Mundelein. He was born on June 28, 1965 in Libertyville, and had been a Mundelein resident all of his life.

Survivors include his parents, Maria and Edward Knoke; one brother; one sister; his maternal grandparents, Beatrice and Christ Benz; his paternal grandparents, Florence and Harry Knoke; and several aunts, uncles and cousins.

Interment was at Ridgewood Cemetery in Des Plaines.

Toni Dickson

Funeral services for Toni N. Dickson, 70, of Antioch, were held on Tuesday, July 29 in Antioch.

Mrs. Dickson died on July 26 at Lake Forest Hospital in Lake Forest. She was born on Aug. 27, 1915 in New York, and had lived in this area since 1948.

Survivors include one son, Gregory Dickson of Antioch; one brother; one sister; and two cousins.

Center Passes

Nineteenth Judicial Circuit Chief Judge William Block has announced that the Lake County detention center has passed its annual state inspection with flying colors.

In a letter sent to the Hulse Detention Center, George T. Troike, Chief of Detention Standards and Services for the State of Illinois, praised Director of Court Services George Gallagher for scoring high on the inspection from year to year and also stated that the good results "appears to be the result of your consistently maintaining a programmatic and administrative well-managed facility."

Two minor non-compliances were noted which to correct would entail physical alteration of the center and which were enacted after the center was constructed in 1978.

Illinois Revised Statutes require that the Dept. of Corrections make at least an annual inspection of all detention centers in the state. The focus of the inspections cover such matters as security, cleanliness, program activity, wholesome diet, food preparation and safety issues in the management of the facility on a day to day basis.

To Host Tourney

Junior golfers, ages 12 to 19, can sign up now for the fourth golf tournament to be held at Renwood Country Club, Round Lake Beach, Monday and Tuesday, Aug. 11 and 12.

Renwood, a facility of the Round Lake Area Park Dist., is located on Hainesville Rd., between Washington St. and Rollins Rd., west of Rte. 83. For more information, or to obtain an entry blank, phone the Renwood Golf Pro-shop at (312) 546-8242.

Checking Results Of Poll

Sen. Jack Schaffer (R-McHenry County) goes over the results of his 1986 Public Opinion Polls. Sen. Schaffer received over 7,000 responses during the spring session on issues from liability insurance to drunk driving. The senator expressed appreciation for the guidance the polls gave him in gaging his constituents' feelings on the important issues before the General Assembly this year.

Survey Shows Residents Support Seat Belt Law

Sen. Jack Schaffer (R-McHenry County) has reported that a survey he conducted shows that more than half of district residents support the Illinois seat belt law, showing a significant increase compared to two years ago when 60 percent were opposed to such a law.

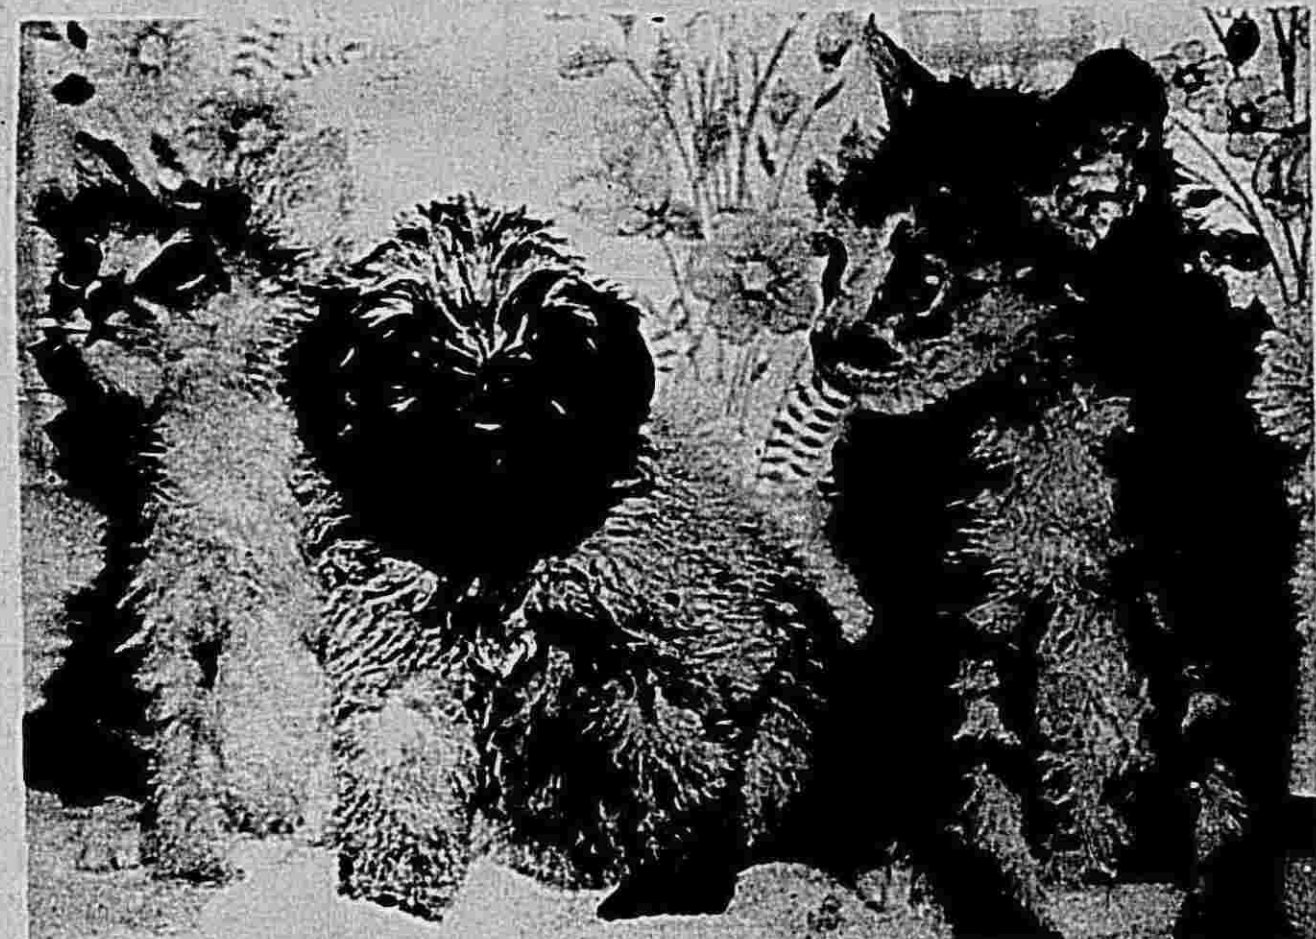

Nearly 60 percent of district residents who responded to his questionnaire said they were not in favor of a repeal of the seat belt law, while 36 percent said they would like to see the law repealed, according to Schaffer.

Although more than half of those surveyed said they wouldn't favor a repeal of the law, nearly 73 percent were opposed to law enforcement officers being allowed to stop or arrest a person based solely on failure to comply with the mandatory seat belt use requirement. Only 21.5 percent of district residents said law enforcement officers should be allowed to stop motorists for that reason alone.

The opinion poll, distributed throughout Schaffer's 32nd Dist., drew

nearly 7,000 respondents who gave their opinions on not only the seat belt law, but also liability insurance, drunk driving penalties, the "no pass, no play" legislation and spending priorities for state government.

Schaffer said survey results showed strong support for setting limits on fees attorneys may receive for civil suits, with 93 percent in favor of limits and only four percent opposed. "There was stronger agreement on this question than on any of the others I asked."

Abandoned Waifs

These playful kittens and pup are among a litter of six-week-old kittens and four more adorable five-week-old German shepherd mix pups seeking a home with a loving family. The pets were abandoned by careless owners and are being cared for by Wauconda animal trainer Charlene Whitney. Persons wishing to adopt an animal may contact Whitney at (312) 526-3414 after 2 p.m. weekdays. — Photo by Sue Montgomery.

Find Home After Plea

by SUSAN MONTGOMERY

A handful of Wauconda and Island Lake residents not only took heart upon a litter of homeless German shepherd puppies, but are eager to provide homes for the spritely creatures.

Since the plight of the five-week-old pups, and three six-week-old kittens was first announced a few weeks ago in Lakeland Newspapers, public response has been "tremendous," said Charlene Whitney, who is currently caring for the lively brood.

As of July 29, two pups have been adopted, the Wauconda resident said. Despite Whitney's efforts to nurture the pups back to health after their roadside ordeal, one died last week after a bout with pneumonia. Four pups and three cats are still in need of homes.

With all the local publicity the animals have received, someone decided to take advantage of Whitney's humanitarian spirit by leaving another litter on her doorstep one morning.

Now, three adorable three-week-old kittens have joined the others. A day later, someone else left Whitney to care for a day-old kitten.

Although a pet enthusiast, Whitney admits she would like to find a home for the animals soon "because I've been up 'round the clock caring for them."

"I'm hoping if we can find homes for all of them by August, I'll be able to take a vacation," she said.

For information on the kittens and pups, Whitney can be reached at (312) 526-3414 before 2 p.m. weekdays.

Indpls., IN 46236

Q: I like to use my seven iron for chipping but so often my distance is not accurate. What is the best way to improve this part of my game?

A: There is really nothing wrong with favoring your seven iron. In fact, we all have a club we tend to reach for simply because it feels 'right' or comfortable to us. But to really improve in this area, you will have to leave that seven iron in your bag more often because it simply will not be the correct choice in many cases. You may be familiar with the saying that the safest shot is to get the ball onto the green and rolling toward the hole. In other words, the chances of error increase in proportion to the distance the ball travels in the air, so we want to place the ball two or three feet onto the green and let it roll to the hole. This distance the ball must roll will vary with each hole but once you calculate this distance you need only select the club which will produce that amount of roll. The difference in loft is what determines how far the ball will roll. Because you use the same stroke for every club and let the loft produce the distance, you will become quite accurate in a very short time. Practice this with each club in order, remembering to repeat the same stroke with each club. Land the ball two to three feet onto the green, and learn what distance each club will produce for you.

It's Time To Get In Shape For Lakeland Football Players

One can see them all over Lakeland.

At this time of year, it's usually by oneself or in small groups.

Weight training, practicing punting, passing and catching.

In order to get a jump on practice seasons which officially begin Aug. 18, area football players are beginning to take the sport seriously as summer winds down.

"They should be just trying to do some weight training, some jogging and

sprints," Grayslake football coach Harold Jahnke said.

Jahnke, who is returning to the sidelines to coach the Rams after a five-year absence, said he is looking forward to the coming season.

"I really enjoy the x's and o's part of the game. I'm no different than the players," he said.

Jahnke said one of the most important things a player can do just before the pre-season is to start wearing football shoes.

"That's one less thing they have to worry about," the

coach said.

Jahnke said the modern high school athlete is taking being in shape more seriously than his counterpart in the past.

"It all goes back to the idea of kids specializing and year-round sports with basketball camps and football camps. It helps them stay in shape," Jahnke said.

In weight training, the mentor said players should be trying to maintain a certain weight.

In running, Jahnke suggests the level of distance

be increased as to the shape the individual player is in.

One of the newer state regulations requires athletes to participate in 14 practices before a game. Jahnke said that is a good rule.

Although practice starts on Aug. 18, coaches will not be seeing any jarring tackles for a while. The state requires three days of workouts in pads before full contact.

But whatever the state may or may not say, one can feel football is definitely in the air.

Chi Chi To Conduct Exhibition

Chi Chi Rodriguez will conduct a golf exhibition and play in the Children's Memorial Medical Center Pro-Am Golf Championship to be held Aug. 4 at Onwentsia Club, 200 N. Green Bay Rd., Lake Forest. The exhibition will be held at 10 a.m. and Rodriguez will tee off at noon.

Rodriguez, a member of the PGA tour since 1980, has participated in 14 PGA tournaments this year, including the Senior Tournament Players Championship in which he finished first.

He was runner up with Gene Littler in the Greater Grand Rapids Open, which

was held on July 20. Rodriguez became a member of the Senior PGA tour in 1985 and ranks second on the money list for seniors in 1986. Rodriguez has announced that he will return his guarantee to Children's Memorial as a charitable contribution.

Also playing in the Children's Memorial Pro-Am will be Bob Murphy, 1986 Canadian Open winner, and Scott VerPlank, 1985 Western Open winner.

Other PGA pros participating in the tournament include: Fred Couples; Gary Hallberg; Scott Simpson; J.C. Sneed; Dave Barr; Ronnie Black; Frank Conner; Ed Fiori; Buddy Gardner; Bill Glasson; Lou Graham; Dan Halldorson; Mark Hayes; Pat Lindsey; Tim Norris; David Ogren; Loren Roberts; Clarence Rose; Tony Sils; Mike Smith; Ron

Streck; and Leonard Thompson.

Gallery tickets are available to the public

(\$12.50 for adults and \$6 for children) and can be obtained at the gate, or by calling (312) 880-4018.

Acosta Stays Ahead

Fred Acosta continues to lead the pack in the Coca Cola-Lakeland Publishers tennis series.

With three tournaments left, Acosta has 10 points, two points better than Dave Buksa. Acosta won at Gurnee and has been racking up strong finishes since.

Buksa joined Acosta, Leonard Rosenberg, Dennis Korjenek as winners of tournaments when he won at Waukegan Park Dist. Rosenberg won at Round Lake and Korjenek at Zion. Title winners automatically advance to the championship round Aug. 22-24 at Waukegan Park Dist.

Vernon Hills will host the next stop Aug. 2 and 3. Libertyville Recreation Dept. will host the final tourney Aug. 16 and 17.

Korjenek is third behind Acosta and Buksa with seven points. Rosenberg is fourth with five points.

Mike Stanzak is tied with Dave Cary with four points.

Tied with three points are: Stu Short, Dennis Daly, Rodney Warfield, Jeff Oleksinski and Lance Laverty. Nine players are tied with two points each.

County Fair Champions

Angela Gregory and Jack "Red" Anderson were both victorious in their endeavors at the Lake County Fair this year. Gregory (Miss Mundelein) was crowned Miss Lake County on the first night of the fair, while Anderson (Lake County Treasurer) knocked Lake County Sheriff Mickey Babcox down from his hog calling throne.—Photo by Craig Vogel.

Five Change Boundaries

Voters in a few Lake County precincts are now living in new precincts, according to Lake County Clerk Linda Hess.

"Election law allows the County Board to adjust precinct boundaries under certain circumstances," explained Hess.

"We had precincts where the voters had requested we look at geographical boundaries to better serve their voting needs," she continued.

The following changes were approved at the Lake County Board's June meeting and became effective July 1:

Regarding Fremont Twp. Precincts 114, 122 and 123—A small section of Precinct 114 was added to Precinct 123, and a land change was made in Precinct 122. Precinct 114 votes at Fremont School, and Precincts 122 and 123 vote at Washington School;

Regarding Lake Villa Twp. Precincts 144 and 146—Several voters in Precinct 144 have been added to Precinct 146. The area involved in the change is the south half of Sheehan Dr., all

of Monica Dr., and Roselle Ct., part of Kenz Ct., and Cremin Dr. Precinct 144 votes at Venetian Village Civic Center, and Precinct 146 votes at Lake Villa Intermediate School.

"All voters affected by these changes have been

notified of the change and a new voter identification card has been sent to each one," said Hess. "These voters will be voting in their new precincts for the Nov. 4 election."

Hess said voters' questions on the changes will be answered by calling (312) 360-6631.

Hess Becomes Board Member

Lake County Clerk Linda Hess has become a member of the board of directors of Daisy's Resource Developmental Center in North Chicago.

The center is planned to be a multi-purpose community center providing a place for pregnant teenagers to live during this very difficult time and providing facilities for daytime senior citizen activities.

Hess' familiarity with the Lake County Community and her past experience in social services will be a

great help in developing this new concept for a multi-use center.

Road & Track Club

On Friday, Aug. 1, the Liberty Road and Track Club, a group of runners, joggers, and walkers, will meet at 7:30 p.m. at Condell Memorial Hospital, 900 Garfield Ave., Libertyville. A discussion of aerobic fitness will be included. Weekly track workouts are held at 6 p.m. Wednesdays during the summer.

Reagan Hoping To Defy '6 Year Itch' Bugaboo

by JOHN STEINKE

Can the Democrats recapture the U.S. Senate this fall? Of the 34 Senate seats that are up for election on Nov. 4, 22 are held by Republicans, including 16 first-termers elected in Ronald Reagan's first landslide in 1980. Presently, the GOP controls the Senate by a narrow 53-47 margin. The Democrats need to gain four seats in this year's elections to win the Senate. Historically, this should be a tough year for the Republicans. In a president's sixth year, his party traditionally loses an average of seven Senate seats. It is a phenomenon dubbed the "six-year itch."

But in many ways, these are not ordinary times and the 1986 elections may defy history. Ronald Reagan has been one of the

most popular chief executives of the 20th century. He enjoys both an economic boom at home and peace abroad. Will the voters really want to disappoint him? The President is expected to pull out all the political stops this fall. Voters can expect to see Reagan jetting into every region of the country to save his party's Senate majority.

Also bolstering GOP hopes is a rich campaign treasury. The Republicans, flush with cash, have been able to scare away or discourage potentially strong opponents against some of their Senate incumbents. In Wisconsin, for example, Democratic Governor Anthony (Tony) Earl decided to seek reelection to a second term instead of challenging Republican Senator Robert W.

Kasten. GOP strategist Ed Rollins says the party's rich treasury is probably worth at least two Senate seats. In addition, many Republican Senators are proving to be effective candidates for reelection. In Iowa, many farmers are struggling with bankruptcies, foreclosures and personal tragedies. Yet, GOP Senator Charles Grassley has been able to distance himself from Reagan's farm policies that are unpopular in Iowa.

The GOP also has a list of Democratic Senate seats that could swing Republican, including California, Colorado, Louisiana and Missouri. Polls show Rep. W. Henson (R) leading Rep. John Breaux (D) in Louisiana, where Democratic incumbent Russell B. Long is retiring. The Republicans have at least a 50-50 chance of winning in Missouri, where ex-Governor Christopher "Kit" Bond (R) is likely to face Lt. Gov. Harriet Woods (D) for the seat being vacated by Sen. Thomas F. Eagleton (D). In California, 71-year-old Alan Cranston appears to be the most vulnerable Democratic Senator seeking reelection this year. His Republican opponent is 46-year-old Rep. Ed Zschau, a political moderate. With Democratic Senator Rep. Gary Hart retiring

Steinke On Politics

to run for president, the Republicans could pick up this Colorado seat. Rep. Ken Kramer (R) is running against Rep. Tim Wirth (D) to replace Hart.

Despite these advantages, the Senate races remain the Republicans' toughest challenge in the 1986 elections. Political analyst Kevin Phillips has pointed out that since 1950, in the five midterm elections held when they controlled the White House, the GOP has usually managed to win fewer than one-third of the Senate seats at stake. This year, with 22 Republican and 12 Democratic seats up, the GOP would have to win 65 percent of the races to maintain their current 53-47 majority, and 56 percent to eke out a 50-50 tie, which Vice President George Bush could break for the Republicans in organizing the Senate next January.

Next week, we will analyze the vulnerable Republican Senate seats in this year's elections.

LCCAP To Introduce New Pilot Program

A new pilot program for Lake County will be formally introduced to the public at 8 p.m. on Monday, Aug. 4, at the Lake County Community Action Project (LCCAP)-West Lake County Office, 1316 Cedar Lake Rd., Round Lake Beach.

The program entitled the Share/Family Food Plan-Lake County Chapter, is designed to help supplement the already existing Share Food Program in West Lake County.

Kathleen M. Lennon, Share Food-WLC executive director, explained that the new concept will allow a family to pay \$14 per month, signing up for a three-month period, with another family who can not afford to pay the \$14 themselves doing the four hours of community service and then receiving the food package which is estimated at \$40 to \$50 worth of a well-balanced assortment of food items.

Sander P. Stagman of Highland Park is expected to be announced at the Aug. 4 meeting as chairman of the program. Stagman also plans on signing up as the first participant in the new program at that time.

"Melany, my eight and a half-year-old daughter, said to me after a parade one day that there needs to be some way to feed everyone in Lake County," said Stagman. "I've heard a lot of good things about the Share Food Program and I decided I wanted to get involved in it. I'm excited about the new program. It allows my family to help your family."

Lennon stresses that Share Food is not a charity, a poverty plan, or a buying coop or give away. It is a program to help people expand their food dollars.

"Through this specific Share/Family Food Plan, families can help other families to expand their food dollars through times of hardship," said Lennon. "We hope that eventually, the plan can expand from families helping other families to businesses and corporations helping families."

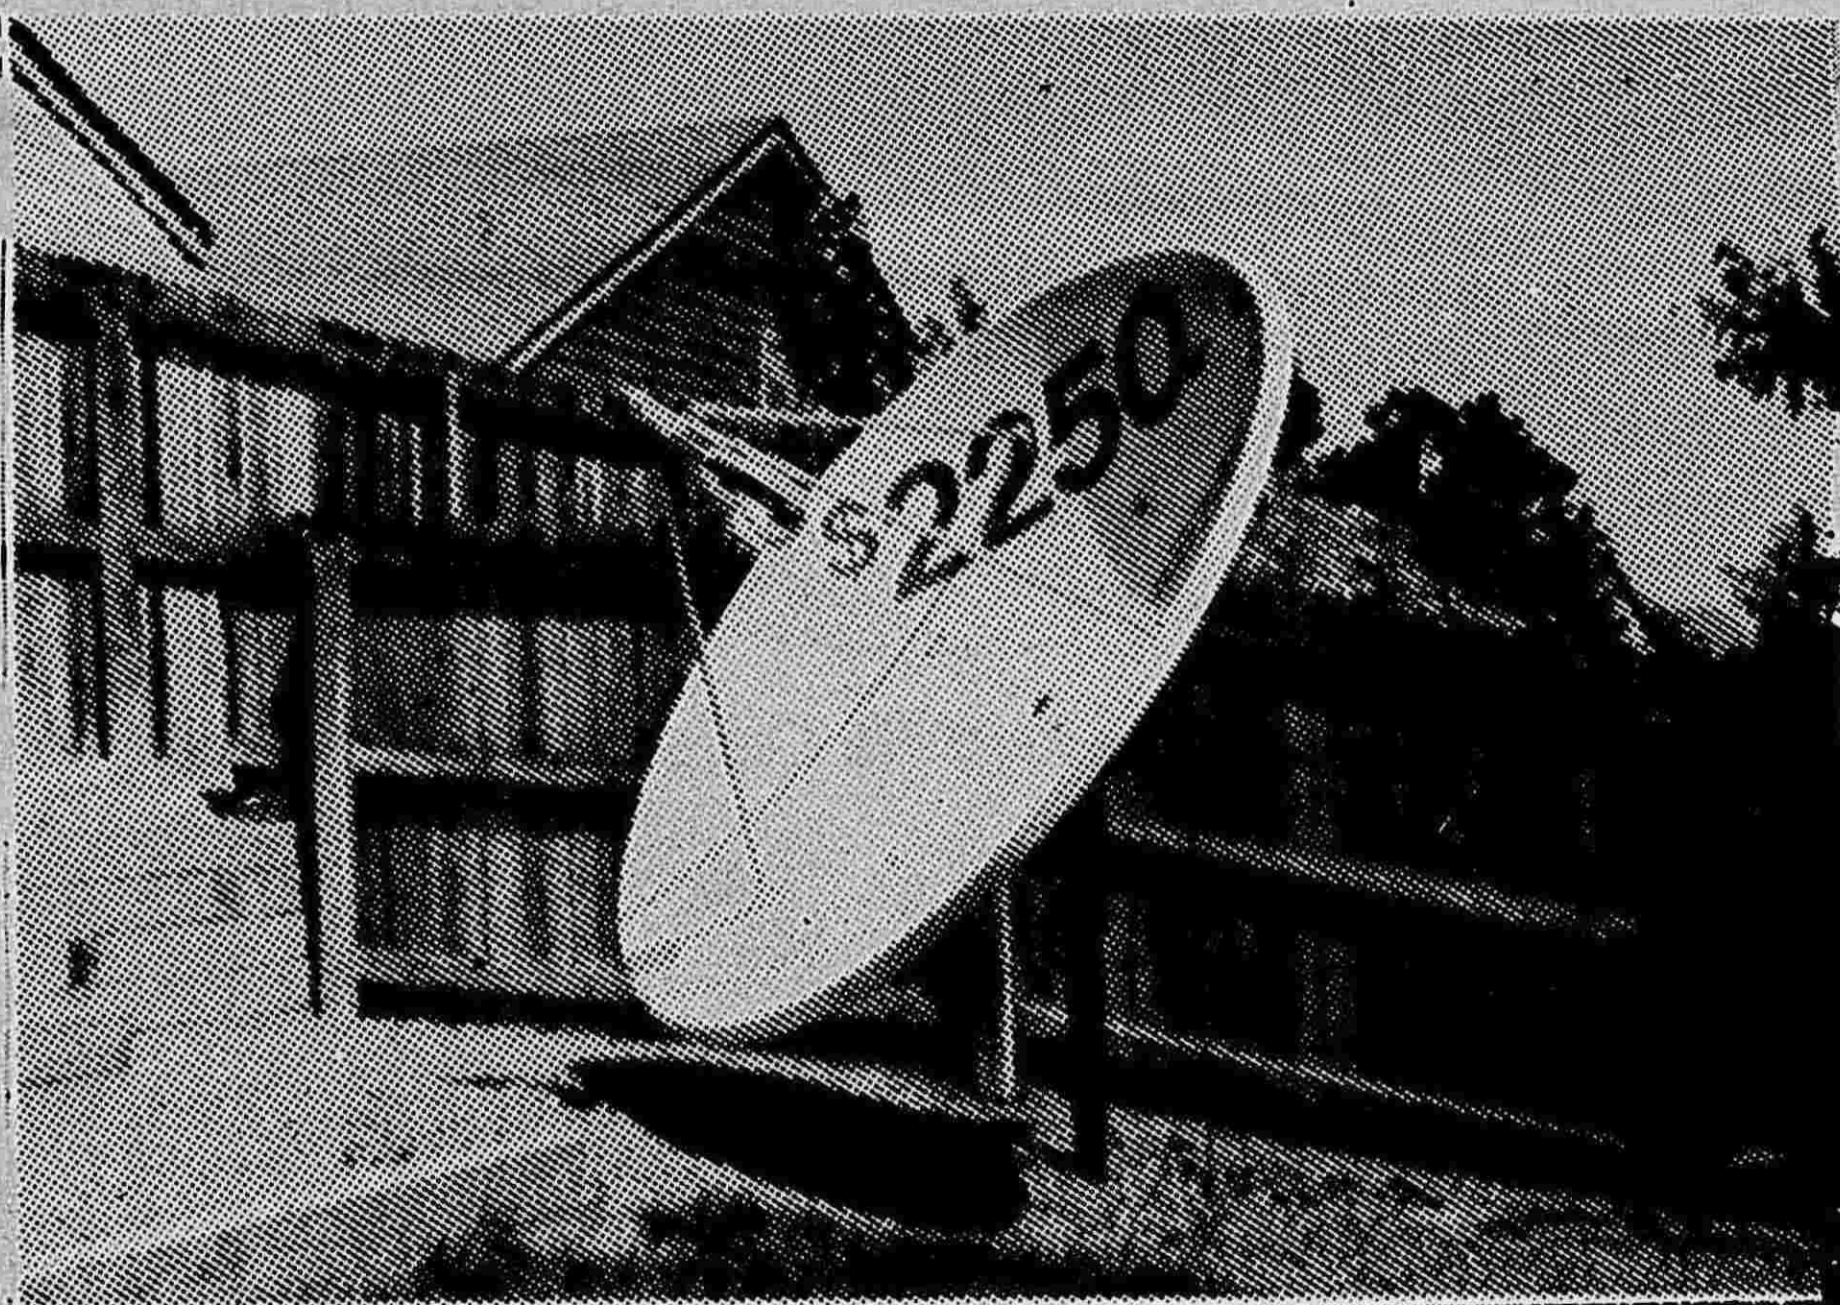

"The whole approach is so that nobody in Lake County goes hungry," Lennon said, and Stagman concurred.

The public is invited to the Share Food meeting to be held Aug. 4. Persons interested in finding out more about the Share/Family Food Plan, or the Share

Food Program itself, should contact Lennon at LCCAP-WLC, (312) 546-7482.

Share Food-WLC is coordinated by LCCAP under a grant obtained by Avon Twp.

BUYING A HOME SATELLITE DISH IS COSTLIER THAN YOU THINK.

Before you spend your hard earned money on a satellite receive dish you should learn the facts.

This year popular premium services like HBO and Cinemax will begin scrambling their signals with highly sophisticated electronic encryption devices.

And this new technique won't be

limited to just premium services. Many basic cable channels like ESPN, MTV and CNN have announced their intentions to scramble signals.

What does this mean for satellite dish owners?

In addition to paying several thousand dollars for the purchase and installation of a receive dish, it will be necessary

to spend hundreds of dollars on descrambling equipment **plus** pay monthly service fees for each channel received.

Make your decision based on the facts.

This message is brought to you as a public service by U.S. Cable.

Name Lyons Superintendent At Hidden Springs Forest

Glenn A. Lyons, a ranger for the past nine years at Chain O'Lakes State Park has been named by Conservation Dir. Michael B. Witte as site superintendent for Hidden Springs State Forest in Shelby County.

Lyons assumed his duties last month. He replaces Brian Plawer, who earlier this year was appointed site superintendent at Kickapoo State Park near Danville after eight years as manager of the Hidden Springs site.

Lyons, born and raised in Lake Villa, joined the Dept. of Conservation (DOC) almost 12 years ago. He worked first as a maintenance man at Chain O'Lakes for about a year, then was assigned for two

years at Goose Lake Prairie State Natural Area, southeast of Morris in Grundy County.

Lyons, 34, is a 1970 graduate of Grant High School, near Villa Grove, and a 1974 grad of Western Illinois University, Macomb, where he earned a bachelor of science degree in zoology, with minors in botany and business administration.

In 1981, he also was a member of the first class of DOC employees to complete the horsemanship course at the Conservation Dept.'s "riding academy" at Des Plaines Conservation Area in Will County. He became

one of the first members of the department's Mounted Patrol Unit. Later, he was named as an instructor for the program and became the assistant to the facility's director and organizer, Dennis Doyle. He still holds those positions.

At Hidden Springs, Lyons takes over a site encompassing 1,200 acres of largely forest land near Clarksburg. The site, devoted primarily to timber management programs, also offers picnicking facilities, two campgrounds, four fishing ponds and extensive hiking trails. Shotgun and

bowhunting are permitted on all but 240 acres of the property.

Lyons and his wife, Lois, are the parents of two boys, Aaron, 7, and Craig, 4. His hobbies include camping, fishing, hunting, and woodworking, along with horseback riding.

10 Administer Funds

Funds have been made available from the Illinois Dept. of Commerce and Community Affairs to assist low-income persons with a medical need for cooling.

Lake County Community Action Project, 102-6 S. Sheridan Rd., Waukegan, will be the local administering agency for the program.

The program will make a one time payment to cooling source utility companies on behalf of income eligible households in which a family member has a medically certified need for cooling.

Applicants must furnish proof of total gross family income for the 90 days preceeding application, proof that a household member has a medical need for cooling, two forms of identification and current utility bills.

The main office will accept applications Tuesday through Friday, from 9 a.m. to 4 p.m. until Sept. 30, or as long as funds last.

Those who believe they may be eligible may also apply at the Round Lake CAP office, 1316 Cedar Lake Rd., Round Lake Beach, or at any of the following sites. Clients

should phone the site nearest them for an appointment: Catholic Charities, 1 North Genesee St., Waukegan, (312) 249-3500; Ela Twp., 95 East Main St., Lake Zurich, (312) 438-7823; Warren Twp., 7173 W. Washington St., Gurnee, (312) 244-1101; Libertyville Twp., 359 Merrill Ave., Libertyville, (312) 362-5900; West Deerfield Twp., 858 Waukegan Rd., Deerfield; Antioch Twp., 99 West Highway 173, Antioch, (312) 395-3378; Lake Villa Twp., 37908 North Fairfield Rd., Lake Villa, (312) 356-2116;

Cuba Twp., 130 West Northwest Highway, Barrington, (312) 381-1120; Lake County Housing Authority, 1401 Sherman Ave., North Chicago, (312) 473-4711.

Home Delivery

Home delivery of this newspaper and associated Lakeland Newspapers is easy to arrange. Simply dial (312) 223-8161, connect with the circulation department and ask for home delivery. Delivery will start with the next issue.

Older Americans Face Barriers Of Prejudice: Employment

Americans aged 65 and over are fighting a fierce battle these days. They're ready and raring to work but age-old attitudes and new economics may delay a significant re-entry of America's growing labor force into the job market.

Several major studies over the past five years by private institutions and government committees show that older Americans are better equipped physically and psychologically than ever to work. But myths about health and changing business climates may have contributed to a national declining labor participation rate among elderly employees — despite their ability to be employed.

A recent study by the U.S. Senate's Special Committee on Aging found that while health problems can be more common among older persons, age 65 did not signal a "threshold to dramatic changes in health patterns." In fact, the majority of people aged 65 to 74 questioned, reported no physical limitations in their daily activities because of health.

While the ailing health of older Americans may have been valid criteria against their hiring 20 years ago, personnel managers agree that medical advancements and the physical fitness revolution have helped slow down the aging process. The health question has, in fact, provided the most salient proof that today's older people are more capable of employment than past generations.

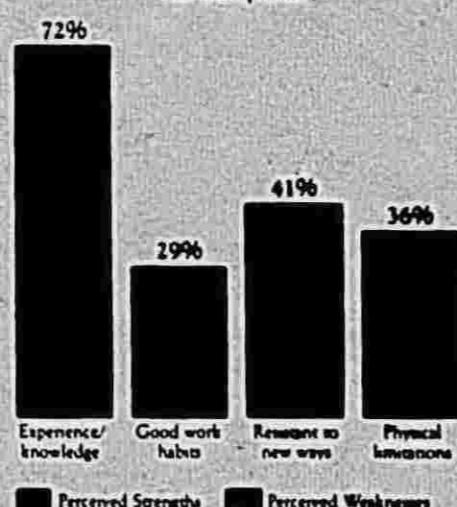

That importance has also spilled over into medical education and practice. For example, the American Board of Family Practice (ABFP), the

certifying organization of the nation's second largest medical specialty, Family Practice, has just instituted a Certificate of Added Qualifications (CAQ) in Geriatrics.

The ABFP, the first medical specialty board to mandate recertification since its inception in 1969 of all its Diplomates, instituted the CAQ to enable Diplomates to address the ever-increasing health needs and problems of this burgeoning segment of the American population.

Dr. Robert Dickman, an ABFP

PERCEIVED STRENGTHS AND WEAKNESSES OF OLDER WORKERS (Unaided)
All Companies

Source: American Association of Retired Persons

PROS AND CONS: In a recent study, "Workers over 50", an overwhelming number of company executives gave older workers high marks for their business experience and knowledge; approximately half of those questioned also listed good work habits and superior emotional maturity as strengths of the older worker.†

Diplomate, prescribes work for many of his older patients. "More of these people are perfectly capable of keeping jobs than the younger American public imagines. Medical advancements and changing family lifestyles have extended their youth, in a sense, allowing them to continue to contribute experience, talent and enthusiasm to any company."

The high cost of living is another reason why this age group wants work. Corporate mergers trim company rosters, forcing older workers into early retirement long before they are financially or psychologically prepared. Rapid change in technological industries also bumps older workers from company payrolls.

Social Security payments, once a bastion of financial security, are also being viewed skeptically by older Americans and younger Americans too. According to a recent national survey conducted for the American Association of Retired Persons, the American public believes Social Security should provide an adequate standard of living when in actuality, it provides far less than required to ensure a minimum standard of living.

Industry analysts note that business should start soon to resolve their problems regarding the growing number of older employees who want to work, as the problem will not go away.

Today's treatment of elderly workers will affect the enormous number of "baby boom" workers tomorrow. They've already swelled employment ranks since graduating from college 20 years ago and will probably continue to do so.†

New Work Force Works At Home

Today more than 20 million Americans, young and old alike, are involved in some activity to earn money at home, and although the number has almost doubled since 1972, it is now about to boom!

Several factors are responsible for this. One is that America is changing from an industrial society to an information society. The key factor here is that information can be handled in smaller places like the home. People do not need the office or factory to handle information. Another is that employers plagued with rising costs like rent, employee benefits, etc., have begun to reorganize their operations and encourage work-at-home operations with special pay arrangements for those people.

The result is a new type of work force — with no age or sex requirements — earning their way working in their garage, basement or from their kitchen table. For companies it means locating people in different parts of the country willing to work at home. For people it means finding a company with a project they would like to handle.

A report on this work-at-home movement has been prepared by a research firm in New York that has been studying this trend. They also have compiled information on companies that are presently looking for people and a referral service for anyone who is interested. The report is available free. To get a copy write, Home-Data Research, Special Report, 496 Hudson St., Dept. 467 New York, N.Y. 10014.

New Features Lighten Up Comfortable Styles

Granny's shoes never looked this good! That's the word from shoe manufacturers who have put new life in the comfort shoe category this year.

Shoe designers are stepping up their so-called "comfort shoe" styles by adding lively shoe designs to their traditional offerings. Now, low-heeled pumps and sleek wedges are appearing with eye-catching details which fashionably cover the comfort shoe features that make them fit for feet.

Why the sudden interest in comfortable steppers? "There's been increasing consumer demand for these shoes from the working woman," says Rich Learn, a buyer for Kinney Shoe Cor-

poration. "As more women enter the marketplace, they need fashionable dress shoes that match business attire yet are comfortable to wear five days a week."

Shoe manufacturers anticipate that women who like walkable shoes with a bit of pizzazz will flock to the shoe stores. That's why these styles will be available all year-round and in an assortment of heel heights and colors, including white, taupe, grey and navy blue.

For more on shoes and how to select comfortable footwear, send for a free copy of Kinney's *Insider's Guide to Footwear*, P.O. Box 5006, New York, NY 10150.†

New System Helps The Impaired

Part of the pleasure of watching TV or listening to the stereo is sharing the experience with family and friends. But this warm, sharing atmosphere is something that hearing impaired people have been missing. Up until now they have had to listen to TV or stereo at such high volumes that they drove others from the room. A new infrared cordless headphone system from Nady Systems of Oakland, California will change all that.

With this system, persons with moderate to severe hearing loss can enjoy sound from their TV or stereo, while others in the room with them hear at a comfortable level.

It's all done with light — infrared

light — which transmits the audio information usually carried in a wire to a lightweight, comfortable cordless headphone. An infrared transmitter sends out a high-quality audio signal which is picked up by a sensor on top of the headphone. Headset volume is fully adjustable, so the hearing impaired person is able to set the volume as needed to hear well. What's more, because the headset is cordless and has 360 degree reception, the user is free to move around the room. Range is 35 feet, and any number of headphones may be used in the room at once.

Operating the headphone system is simple, and installation is easy, requiring

no tools or special knowledge. The transmitter is AC powered, and plugs into a regular outlet. A microphone adapter mounts over the TV speaker with velcro tape and plugs into the transmitter. (The transmitter can also be plugged directly into TVs and stereos having earphone and headphone jacks.) Then, a single button on the transmitter and an on/off switch on the headphone activates the system.

The Nady Infrared Audio System is inexpensive, yet it allows hearing impaired people much fuller use of their home entertainment centers. For more information, contact Nady Systems, 1145 65th St., Oakland, CA. 94608 415/652-2411.†

To spend uncounted years of pain,
Again, again, and yet again,

The problem of our being here;
To gather facts from far and near,
Upon the mind to hold them clear,
And, knowing more may yet appear,
Unto one's latest breath to fear
The premature result to draw —
Is this the object, end and law,
And purpose of our being here?

— Arthur Hugh Clough

BANK of WAUKEGAN 60 PLUS CLUB

Bank of Waukegan's 60 PLUS CLUB is an integrated group of banking, financial and business services designed to meet the total needs of the 60 and over individual.

The best thing about 60 PLUS is that it is completely FREE to anyone age 60 and over, when a minimum balance of \$500 is maintained in any Bank of Waukegan savings plan.

60 PLUS SERVICES

- **Free Checking**

No minimum balance
No monthly service charge
No limit on number of checks written
Also, your first 50 personalized checks free

- **Free Safety Deposit Box- 1st year**

First year's rental of a \$15.00 safety deposit box or, apply \$15.00 toward the rental of a larger box.

- **Free Newsletter**

Receive "Moneywise", a monthly newsletter dealing with budgeting, the economy and daily money facts.

- **Free Traveler's Checks, Foreign Drafts, Cashier's Checks and Money Orders**

- **Direct Deposit of Social Security or Other Retirement Checks**

- **Free Seminars**

Periodic seminars relating to trust services, insurance and social security information, financial planning and other topical matters of interest to the 60 and over individual.

- **Membership Card**

Your own photo identification card good for check cashing and many other convenient uses.

- **No Service Charge for License Plate - Sticker Renewal**

- **Free Photo Copy Service**

- **Free Notary Service**

You Might Own Hidden Treasures But Don't Know It

Most people over 40 have "hidden treasures" tucked away in their homes but don't know it, warns collectibles expert, Dr. H.A. Tony Hyman, author of *Cash For Your Undiscovered Treasures*.

"Sad to say, people usually sell their treasures at yard sales for a tiny fraction of their real value," he says, citing a Long Island couple who sold an "ugly little dish" for \$2 at a house sale, then were horrified when it resold a few months later for \$66,000.

Not every treasure is worth that much, he admits, but "nearly every middle class home has something worth between \$25 and \$1,000 that the owner thinks is valueless." Claims Hyman, a collector for 35 years, "I've found \$300 items in trash cans more than once."

Items don't have to be antique or expensive to be valuable, emphasizes Hyman. "It's amazing how many things made during our lifetime are worth hundreds of times what they originally sold for." He lists toys, figurines, detective novels, and tin cans as examples.

The collectibles market is growing so rapidly that virtually anything made by man is collected by someone.

Even give-aways from fast food chains have buyers! "Everyone knows stamps and coins might be valuable, but you're far more likely to own a \$250 tin can than a \$250 stamp," he says. "But you must get expert advice to know what's junk and what's treasure."

Today's values are astronomical, Hyman says. "Who'd ever imagine that someone would pay \$5,000 for a furniture catalog or \$1,100 for plastic Barbie doll furniture that isn't even 30 years old? It's hard to believe but the record price for a doll is \$43,000 and for an Indian blanket more than \$150,000. And I know people who'd pay \$20,000 for the right baseball card, TV set, or slot machine."

The biggest problem has always been getting reliable advice and finding honest buyers. "There's only one good cigar box buyer in the country. Finding experts on roller coasters, corkscrews, and sewing machines is equally difficult."

Antique dealers jealously guard the names of specialty buyers, Hyman says. "Good buyers are worth their weight in gold. I know one Eastern dealer who never lets her buyers list out of her sight. She puts it under her

pillow when she goes to sleep."

Hyman's book, *Cash For Your Undiscovered Treasures* makes names, addresses, and phone numbers of 1,500 expert buyers available to everyone. It is designed to help people learn what collectors want to buy, where to go for free appraisals, and how to get top dollar by selling through the mail.

Selling through the mail is easy as long as you deal with reliable buyers and follow the prescriptions about describing your item carefully, listing every defect, making a photocopy or photo, and including a self-addressed, stamped envelope.

There are thousands of things you need advice about selling, including: cameras, watches, Xmas ornaments, war souvenirs, pens, light bulbs, ash trays, cookbooks, phonograph records, license plates, old clothes, dog tags, beer cans, plastic radios, and cigar boxes.

He points out that a duck decoy found in someone's front room recently brought \$50,000 and a lowly fishing plug sold for \$5,000, "proving you also better be careful of anything hand carved of wood."

Paper goods are very desirable, warns Hyman. Among collectible

items he lists stocks, old checks, photos, calendars, postcards, blueprints, girlie magazines, catalogs, bills, diaries, scrapbooks, gum and tobacco cards, comic books, wine labels, and newspapers. "Even old oil company road maps have some value and the 25 cent Dell paperback mysteries will shock you with how much they can be worth. So will old science fiction and mystery pulp magazines" he says.

Cash For Your Undiscovered Treasures is available only by mail. Send \$19.95 plus \$3 shipping to Treasure Hunt Publications, Box 1710, Temple City, CA 91780. Credit card orders only may phone toll free 1-800-543-7500. It comes with an unconditional money back guarantee.

Mention this paper when you order and get a free pad of SELL-AGRAMS, a handy form letter that simplifies selling through the mail. While supplies last, an up-to-date price guide which lists the value of 6,000 items will also be included.

"Don't try to sell a two-headed calf or a shrunken head without my book," Hyman laughs, "even they can be treasures."

Keeping Mature Feet On A Healthy Track

Feet that work hard to keep people mobile throughout life deserve special care to keep them on a healthy track.

"Because feet change as you mature, it is especially important for older adults to pay particular attention to proper foot care and grooming," says Dr. Charles J. Gudas, a clinical professor of orthopedic surgery at the University of Chicago and member of Dr. Scholl's Foot Health Council.

Gudas and other members of Dr. Scholl's Foot Health Council provide foot care advice for older adults in a new booklet entitled, *Healthy Footsteps*. Among the foot care tips given in the booklet:

Cushioning: Adding shock-absorbing insoles to shoes can help cushion feet that lose some of their internal padding as they mature. In winter, insulated or wool fleece insoles can protect feet from cold and dampness.

Dry Skin: Skin is inclined to become dry with aging. The skin on the feet should be moisturized daily with a conditioning lotion to retain moisture and keep them soft and smooth.

Soothing Leg Cramps: Often described as a "charley horse," night leg

muscle cramps are common among those over 45. The painful cramps are caused by involuntary contractions of the leg muscles. The newest non-prescription medication for the condition is Legatrin, containing the muscle relaxant, quinine sulfate, which is often prescribed by doctors for relief of night leg cramps.

Relieving Foot Conditions: Calluses can be reduced by soaking feet regularly in a moisturizing foot soak to soften, then using a pumice stone or file to smooth the rough, hardened skin. Soft pads can help relieve painful bunions and corns and protect them from shoe pressure.

Foot Grooming: After bathing feet, use a foot powder to keep them dry and help prevent odor or potential development of athlete's foot, which thrives in warm, moist areas between the toes. Trim toenails straight across to avoid ingrown nails.

For a free copy of Dr. Scholl's *Healthy Footsteps*, send a stamped, self-addressed, long envelope to: PRB/SC, 150 E. Huron St., Chicago, IL. 60611.

Drug-Free Holiday Provides Benefits For Some Seniors

As part of the natural process of aging, elderly individuals experience a 20 percent reduction in renal and kidney function. Therefore, medications taken by elderly individuals are metabolized at a slower rate than in younger adults. As a result, certain drugs can build up in their bloodstreams and while medications have many benefits, they can cause side effects.

To prevent the overaccumulation of drugs and the associated side effects in elderly patients, a "drug-free day program" was initiated at Daughters of Jacob Geriatric Center in New York City. Each Monday, senior citizens whose medical conditions are considered stable and, under strict medical supervision, participate in the drug-free holiday program during which they receive no medication one day a week.

Daughters of Jacob President Claire Vogelmann said, "In the past three years that the program has existed, both staff and elderly residents have received positive benefits from the drug-free day program."

First, it gives the patients a chance to experience their daily activities without medication. The residents don't feel sick on drug-free days and they have more free time for activities. It also reduces the anxiety of having to take a pill and many participants feel more alert.

Second, it allows Daughters of Jacob staff to spend more time with the residents. Freed from dispensing medications, the nursing staff has more time to work with the residents and give them the tender loving care they need.

Third, it gives the medical staff a chance to evaluate the prescription patterns of the elderly patients. The doctors are better able to learn what medications do and do not work and then make decisions about whether or not to change a medication or to discontinue a drug completely.

Concluded Mrs. Vogelmann, "While only a single remedy, the Daughters of Jacob 'Drug-Free Holiday Program' is one way to ensure the quality of life for the elderly."

Safeguarding Your Home Important

Since the beginning of time, man has sought to control his environment in order to survive. Today, gerontologists, designers and architects are making strides toward creating liveable home environments for the vast majority of the nation's nearly 30 million elderly who wish to live independently in their own homes.

According to Andrew S. Dibner, Ph.D., a leading gerontologist and psychologist, by adjusting home environments to accommodate the needs of elderly individuals and creating safer and more secure places to live, older Americans can maintain a sense of dignity and independence.

"As people age," Dibner explained, "they need some mechanism to ensure their physical safety and psychological comfort so that they can remain independent and vital, living in their own home."

Deeply involved in the personal and societal implications of aging, in 1973 Dr. Dibner invented the nation's first personal emergency response system: Lifeline.

In case of emergency, this popular system brings medical assistance with

the push of a small remote-controlled help button worn around a person's neck or wrist. The signal is then transmitted to the sponsoring health organization via phone lines where it is received by trained operators who may dispatch emergency assistance immediately if necessary. Lifeline is currently available through approximately 1,700 hospital and health care organizations around the country.

Lifeline has proven especially effective for people who have fallen in their homes. According to Dr. Dibner, loss of hearing, vision, muscular strength, memory and balance, all common to the aging process, often result in falls — which constitute 95 percent of all injuries incurred by people over 65. However, Dr. Dibner and other experts in the field of home safety agree that nearly half of the falls occurring today can be prevented by making simple changes in kitchen, bathroom, stairway, livingroom and bedroom areas.

The U.S. Consumer Product Safety Commission (CPSC) believes that injuries result from hazards that are easily overlooked, but also easy to repair.

The following tips and recommendations will help to make your home, or the home of an older person you care about, a better place to live: safer, more comfortable and easier to manage.

- Make sure all areas of home are well-lit; install night lights and light switches near doors.

- Remove cords from walkways and from underneath furniture or carpeting; replace damaged or frayed cords; use rugs with skid resistant backing.

- Install ramps where necessary.

- Apply textured strips or appliques on floors of tubs and showers; attach grab bars to wall and to sides of bath tub; use stool with no skid tips as a seat while showering or bathing.

- Place phone, light or light switch near bed.

- Make sure stairs are well lit with no glare or shadows; install light switches at either end of stairwell; install handrails that extend full length of stairwell.

- Make certain carpets are firmly attached in every room.

While following these tips will prevent dangerous accidents in the home, they do not offer a total guarantee of safety. For a sense of security in knowing that immediate medical assistance is available in case of emergencies, consider installing a personal emergency response system.

For a free copy of the U.S. Consumer Product Safety Commission's booklet, "Home Safety Checklist for Older Consumers" and further information on a Lifeline program near you, call 1-800-451-0525.†

Help Is Close At Hand

As the population in the U.S. is aging, this means one thing: More and more elderly people are living alone at home. Faced with the possibility of being moved to a convalescent home or skilled nursing facility, most seniors prefer to maintain their independence and remain in their own homes.

These facts create problems for the independent seniors as well as for their families. As health naturally deteriorates, the need arises for assistance in basic home activities. Cleaning, eating, even walking become increasingly difficult.

One of the major concerns for the person living alone is the ability to get help in an emergency situation. Family members are not always close by. What if I get chest pains and I can't get to the telephone? What if I fall in the bathroom — how long will I have to wait until someone knows there has been an accident? What if I hear a prowler outside my bedroom window?

With the Emergency Response System, these fears can be put to rest. The homebound elderly and their families can now have the security of knowing that they will be taken care of in any type of emergency that occurs in the home.

This system (ERS) is particularly appropriate for senior citizens, people who live alone, and individuals with

specific medical needs requiring prompt attention, such as heart patients, diabetics and the physically disabled. The Emergency Response System is a potentially life-saving device that can provide older people in our community with a sense of security and independence.

The core of the system is a small communication unit which is conveniently placed in the home. The unit contains separate buttons for police, fire or medical emergencies. The ERS user simply presses the appropriate button, indicating the type of emergency. If they are unable to reach the home unit, the system can be activated from anywhere in the home by using a handheld transmitter or a necklace-type pendant.

Once the system is activated, a signal is sent through the telephone lines to a 24-hour central monitoring station. Within seconds, the user is in direct voice contact with an operator at the central station through a speaker/microphone built into the home unit. No telephone has to be picked up.

Based on the nature of the problem, the operator will immediately dispatch help to the home and notify relatives and friends. Important medical information is relayed to paramedics and emergency room personnel to assure the best possible and most timely treatment.

The system also comes with a daily check-in feature for those who live alone, and each ERS subscriber is given a medical identification card to carry with them to help in emergencies that occur outside the home.

The Emergency Response System is clearly a way to help seniors remain independent in their own homes and at the same time give peace of mind to family members and friends. It's available through hospitals and other health care organizations. For more information, please call (213) 475-6066 or 1-800-223-2511 (inside California).†

When a stairway becomes a barrier, Cheney offers just the lift you need. Cheney's Weclator® for straight, curved or spiral stairways or the economical Liberty® Lift for straight stairways are a big step ahead in quality features:

- Wide comfortable seats and footrests.
- Folds up for normal stair use.
- Individualized options, decorator colors.
- Unique cog-drive system.
- Unequalled limited warranties.
- Over 50 years of service.

For those confined to a wheelchair, Cheney's Liberty® Wheelchair Lift for straight stairways has a 500 lb. load rating and even takes intermediate landings in stride. And when space is restricted, the Handi-Lift® is an ideal solution. It, too, has a 500 lb. loading rating (750 lb. optional), a big 12 sq. ft. platform and comes in five lifting heights from 4 to 12 feet. And when restricted access is a problem, a Handi-Enclosure™ can be installed along with the Handi-Lift.

Answers To Denture Questions

You may be a denture wearer. According to the American Dental Society, about one out of every five Americans is. If so, during your initial adjustment period, you probably had numerous questions about how to get started.

Dr. A. Albert Yurkstas, Chairman of the Department of Complete Dentures at the Tufts University School of Dental Medicine in Boston, has encountered numerous questions from denture wearers in his many years in the profession. Here are his answers to some of the most frequently asked questions:

1. How soon will my dentist give me dentures?

Right away. During your first visits, impressions will be made of your mouth. Your dentist can often have a set of dentures waiting for you so that you will leave the office with dentures in your mouth. At no time will you be "denture-less."

2. Why does my denture fit properly one time and not the next?

Although your dentures will maintain their shape, your mouth continues to change. The bone and gum ridges on which the dentures are supported can recede and shrink, causing the jaws to come closer together. When gum shrinkage occurs, your dentures begin to feel loose and less stable.

3. How often do dentures need to be relined?

Your immediate denture may need relining within six months. This is due to the fact that the gums and underlying tissues may tend to shrink when the remaining teeth are pulled and your first pair of dentures fitted.

Thereafter, shrinkage occurs at a slower rate and your dentures may need relining only once a year or less frequently.

4. Is there a temporary solution for loose dentures?

A solution is something that will create a close fit, yet won't ooze out when you bite or wash when you drink. A temporary solution for loose dentures could be a soft, disposable cushion, such as Ezo Denture Cushions, which come in thin, regular, and heavy thicknesses. The denture cushion molds itself to the contours of the gums. This creates suction that keeps your dentures in place, enabling you to eat more comfortably, and it continues to hold your dentures for longer periods of time.

5. Should I wear my dentures to bed at night?

Many people prefer to use the nighttime to clean their dentures and to be free from denture constraints while sleeping. This is an excellent practice as the gums should be allowed to breathe and rest, to be stimulated by the tongue and washed by saliva. However, some people are concerned about appearance. In such cases, it is suggested that dentures be carefully scrubbed at night before going to bed, stimulate the gums with finger or soft brush massage, wash your mouth out, then put them back in and go to sleep.

6. Does having dentures mean I'm getting old?

Not at all! Unfortunately, some people lose their teeth when they are very young, either by an injury to the mouth or improper care. Barring ill-

ness or injury, some people keep their teeth all of their lives.

7. Is there a way to make dentures look like real teeth?

The art of making dentures is such that they can be made to look any way you wish. One of the most recent developments on the dental scene is called "characterized dentures" — custom-sculpted artificial teeth that can be made to duplicate the real thing in exacting detail from contour and color to the texture of the gums. Too many people want perfectly shaped, white teeth. The result: dentures that don't look real.

8. Why do people who need dentures become depressed?

People have a number of anxieties and concerns about what their lives will be like with dentures. They become embarrassed. They see dentures as a tell-tale sign that they are growing old. They are concerned that they will no longer be able to eat comfortably or perhaps won't be able to eat their favorite dishes without the dentures becoming loose and falling out. All of these anxieties cause depression. Coping with depression requires a good sense of reality and a positive outlook. Reality says you must accept the fact that you have dentures. A positive outlook comes from the decision to live with dentures as a valuable and important aid to happy, healthy living.†

Elders Can Sell Crafts

The Elder Craftsmen, Inc. works to educate, encourage, and advise older people in the making and selling of fine handcrafts. Established as a voluntary organization in 1955, Elder Craftsmen continues today as a not-for-profit group based in New York.

They run a series of programs to help older men and women capitalize on their talents, acquire new skills, and earn extra income. In the process of training new audiences in traditional techniques, they are also helping to preserve the American crafts heritage — and making more people aware of that heritage as they market distinctive hand-fashioned items to the general public.

A number of separate activities support their basic objectives. The Elder Craftsmen, Inc. conducts training programs for representatives of agencies and community groups serving older adults. They manage a retail shop in Manhattan that sells handwork produced by older men and women.

They also act as a resource for other organizations by offering advice and technical assistance to groups with similar interests. Some 250 agencies a year benefit from training programs, and hundreds of older craftspeople earn money through sales of their work in the shop.

The Retail Shop

A street-level shop at 846 Lexington Avenue (between 64th and 65th Streets) in Manhattan serves as the sales outlet and showcase for items produced by Elder Craftsmen artisans.

Highway Travel On An Upward Trend

Highway travel this summer is on an upward trend as those who have changed their minds regarding overseas visits turn to enjoying the U.S.

Folks away from campers, RV's and vans for a while find an everchanging atmosphere. Sophistication has been added, orderliness is more prevailing. Campsites are used oftener for longer periods in both private and governmental settings.

To make things a little easier for the car traveler, Illinois and Indiana state parks offer a Family Rent-A-Tent program. It promotes camping experiences for newcomers without the need to purchase supplies. Getting familiar with certain types of furnished equipment helps form purchase decisions at a later date. It also allows hikers to trail through state parks without toting the larger tents.

Illinois' Dept. of Conservation program currently includes 10 parks which offer Rent-

A-Camp facilities in addition to normal campsite selections. These are tailor made for the inexperienced or unequipped campers and are available for an overnight reservation or longer periods for up to 14 nights. They include tents, wooden floors, cots, charcoal grill, picnic table, fire ring, broom, dustpan, trash barrel and camplight. For details contact the department's Land Management Div., 524 S. 2nd St., Springfield, Ill. 62706, or call (217) 782-6752.

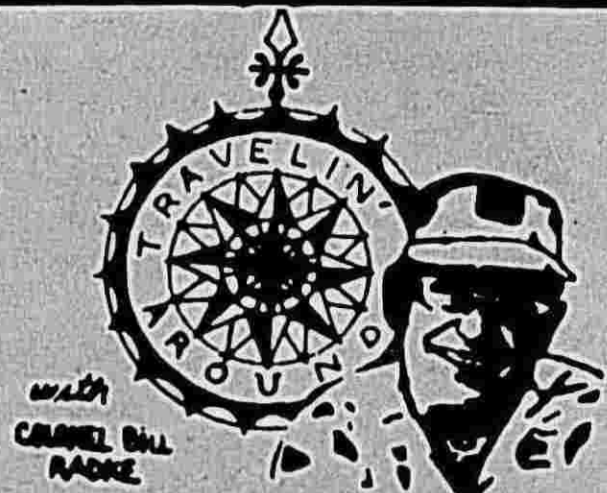

A family of four, traveling by car this summer, will spend approximately \$148 per day for meals and lodging, says Chicago Motor Club. Add about \$17 for gas and oil, allocated for each 300 miles traveled. Costs are up slightly over last year's estimate. Despite lower gas prices, lodgings and meals have increased. Seeking out food and lodging in small towns and rural areas may save an additional 30 percent compared with resorts and metropolitan centers.

One casual area for travelers headed north

is Faribault, in southern Minnesota. Away from crowds and centered among 50 lakes, all recreational activities are offered at reasonable rates along with lodges, rooms and campsites. Even fishing popularity is kept economical by use of Helco Tackle. Manufactured and proven locally, lures are designed for anglers, by anglers, at affordable prices.

Roberts Lake Resort and campground offers a variety of facilities, (507) 332-8978, while the Faribault Chamber of Commerce, Box 434, 55021, will send area details on request, (507) 334-4381, for what they believe to be the best in southern Minnesota travel fare.

It's possible to enjoy the ambience of many European countries without leaving the U.S. Wisconsin and Minnesota may supply those seeking Scandinavian, Teutonic and Swiss atmospheres. Green County Cheese Days are scheduled for Sept. 19-21 in Monroe, Wis. Every second year, over 100,000 visitors en-

joy many little Switzerland displays, music, dancing and sample delicious foods, cheeses and sausages. An air of friendliness prevails and it's less than a two-hour drive. Call (608) 325-3267 for details and a brochure, or write: Cheese Days, Box 606, Monroe, Wis., 53566.

Wisconsin Dells Form Whirl Of Family Pleasures

The Wisconsin Dells are only 100 miles further north. Here interesting displays of nature combine with man's ingenuity to form a whirl of family recreational pleasures.

A stay at River's Edge Resort on the Wisconsin River, can include the famous excursion vessel tours or in a smaller, self-captained rental boat or canoe. Log cabin housing here is an unusually well presented combination of rustic-modern. Call for details and brochure (1-608) 254-7707. Just watching river boat traffic is a relaxing pastime. River fishing is usually productive

and downtown entertainment row attractions are only minutes away.

For "Ach Du Lieber" food and Gemuetlichkeit, Essen Hause is on the same road leading to River's Edge Resort. Here authentic German food and Omm-pah entertainment, has proven popular. A second Essen Hause, Bier Garten, in Madison, Wis., is rapidly becoming one of the state capitol's popular relaxing spots. Diners may choose from 162 label of imported beers. Call Dells tourism office for area details at (1-800) 22-dells.

A visit to Traverse City, Mich., and the new Grand Traverse Resort Village leaves one with the impression that Traverse City is a growing visitor interest area. The 850-acre Resort Village combines amenities with a new 15-story, free form glass and steel hotel tower that dominates the countryside. It tops off with the 15th floor Trillium Restaurant featuring an unexcelled menu and countryside vista.

Among featured Lake Michigan fish is walleye. "Named the Bread Fish By American Indians" said Chef Abbey,

"because walleye can be eaten daily without tiring of it." A call to the Resort Village (1-616) 938-2100 will bring verbal information and brochures by return mail.

Closer to home, the Brookfield Zoo is planning four August weekends of musical entertainment. The first, starting Aug. 2-3, features musical memories of the 1950's and 60's. Free with zoo admissions, performances will be at the east mall, next to Roosevelt Fountain at 3:30 p.m. Program emphasis and musicians change each weekend. For information call (312) 485-0263.

Farmer's Market Fair To Feature Delights

The best of what's tasty about Michigan fresh fruits and vegetables, plus a sampling of upcoming autumn travel events, closeby getaway attractions—and other regional palate pleasures, will be featured Aug. 16, from 10 a.m. to 5 p.m., during a special "Michigan Farmer's Market Fair," at The Milk Pail Restaurant, located at Fin 'N Feather Farm in suburban Dundee.

The event, sponsored in cooperation with the Michigan Travel Bureau, will highlight over 30 representatives of Michigan farms, wineries and special

"pick-your-own" fresh fruit and vegetable travel attractions. And added to the all-day "lunching and munching" fest will be live entertainment by southwest Michigan talent, as well as free travel information and exhibits from some of Michigan's most popular autumn vacation spots.

"This is the first time we've introduced Chicagoland travelers to Michigan's 'pick-your-own' fruit and vegetable attractions by bringing over farm representatives themselves," said Michigan Travel Bureau Director

John Savich. "This is an event that should give people a good taste for what they can see and do in Michigan this autumn."

Added to the fair's events and fruit and vegetable treats will be a special menu selection of regional Michigan food dishes offered at The Milk Pail Restaurant. A Chicagoland dining tradition for nearly half a century, The Milk Pail will boast a variety of Michigan-themed dishes, including "All-Michigan Cherry Pie."

The "Michigan Farmer's Market Fair" will be held throughout the Fin 'N

Feather Farm's 30-acre grounds. Admission to the event is free.

In addition, the farm's seven shops, which offer year-round specialty gift items, homemade bakery goods, plus women's fashion-wear and fine gallery art and crafts, will also offer special shopping discounts during the Aug. 16 event.

The Milk Pail Restaurant and Fin 'N Feather Farm are located just 45 minutes northwest of Chicago via I-90 and the northbound Rte. 25 exit. For more information call (312) 742-5040. For brochures, maps and travel

guides on Michigan vacation destinations, call toll-free 1-800-5432-YES.

Health Dept. Instructs Residents

Because laboratory results of blood samples collected from birds in counties south of St. Louis have shown an increase in St. Louis encephalitis in the bird population, the Lake County Health Dept. is instructing residents to take precautions to avoid getting bitten by mosquitoes, the carriers of the disease.

The mosquito that transmits the disease is the Culex mosquito. The bite may actually go unnoticed

because these insects are small and gentle biters.

Preventive measures include the elimination of breeding sites, use of repellent and avoidance of areas known to have a high mosquito population.

St. Louis encephalitis is a serious disease which affects the central nervous system. Symptoms usually begin five to 15 days following the bite of an infected mosquito. The first symptoms include sudden onset of headache, high fever and muscle aches.

These symptoms are followed by stiffness in the back of the neck, poor muscle coordination, disorientation or confusion. If any of these symptoms occur, seek medical attention right away from your physician.

For further information on

elimination of mosquito breeding sites, call the Environmental Health Division of the Lake County Health Dept. at (312) 360-6740. If further information is required on St. Louis encephalitis, or its symptoms, call the Communicable Disease Program at (312) 360-6761.

ORDINANCE NO. 86-7-18

AN ORDINANCE authorizing and providing for the issue of \$2,750,000 Waterworks and Sewerage Revenue Bonds, Series 1986A, of the Village of Antioch, Lake County, Illinois, for the purpose of refunding outstanding waterworks and sewerage revenue bonds of said Village and defraying the cost of improving the combined waterworks and sewerage system of said Village, prescribing all the details of said bonds, and providing for the collection, segregation and distribution of the revenues of the combined waterworks and sewerage system of said Village.

WHEREAS, the Village of Antioch, Lake County, Illinois (the "Village") has provided by ordinance for the combination of its municipally-owned waterworks system and its municipally-owned sanitary sewerage system and for the operation thereof as a single utility (the "System"), in accordance with the provisions of Division 139 of Article 11 of the Illinois Municipal Code, as supplemented and amended; and

WHEREAS, The President and Board of Trustees of the Village (the "President and Board of Trustees") has determined that it is advisable, necessary and in the best interests of public health, safety and welfare to improve and extend the System, including improvements to the existing sewage treatment plant and collection system and the construction of 2,900 lineal feet, more or less, of new sanitary sewer and 12 manholes, and other sanitary sewer extensions, and all electrical, mechanical and other services necessary, useful or advisable to the construction program and bond discount, legal, financing, refunding and administrative expense (the "Project") all in accordance with the preliminary plans and estimates of cost therefore prepared by McClure Engineering Associates, Inc.; Waukegan, Illinois, Consulting Engineers, which have been approved by the President and Board of Trustees, and are now on file in the office of the Village Clerk for public inspection; and

WHEREAS, The estimated costs of the Project, as defined, including engineering, legal, financial, bond discount, printing and publication costs; and other expenses are \$2,462,100; and

WHEREAS, there are insufficient funds on hand and lawfully available to pay costs of the Project, and such costs are expected to be defrayed by cash on hand or expected to be on hand and lawfully available for the purpose, interest earnings, and up to \$2,400,000 proceeds of bonds payable from the revenues of the System and issued at this time pursuant to the Illinois Municipal Code; and

WHEREAS, the Village has heretofore issued the following described bonds which are payable from the revenues of the System:

(a) \$315,000 original issue Waterworks and Sewerage Revenue Bonds, dated July 1, 1962, of which \$150,000 remain outstanding (the "Series 1962 Bonds");

(b) \$340,000 original issue Waterworks and Sewerage Revenue Bonds, Series of 1972, dated May 1, 1972, of which \$210,000 remain outstanding (the "Series 1972 Bonds"); and

(c) \$450,000 original issue Waterworks and Sewerage Revenue Bonds, Series of 1977, dated February 1, 1977, of which \$380,000 remain outstanding (the "Series 1977 Bonds");

all outstanding bonds of the three series collectively the Prior Bonds"; and

WHEREAS, under the proceedings of the Village authorizing the Prior Bonds, the Village cannot sell or in any manner dispose of or encumber the System until provision has been made for the payment of the Prior Bonds; and

WHEREAS, the President and Board of Trustees has and does hereby determine it to be advisable and in the best interests of the Village that all the Prior Bonds be refunded in advance of maturity in order to eliminate the effect of certain covenants contained in the ordinances providing for their issuance and to thereby allow the advantageous financing of the Project; and

WHEREAS, the estimated cost of refunding the Prior Bonds, including necessary expenses, is not in excess of \$675,000; and

WHEREAS, Village does not have sufficient funds on hand and lawfully available for the purpose to provide for the refunding of the Prior Bonds; and

WHEREAS, the total estimated costs of the Project and refunding the Prior Bonds, as aforesaid, are \$3,137,100, and the Village has insufficient funds to pay the same and, therefore, must borrow money and issue bonds at this time in evidence thereof in the total amount of \$2,750,000 for such purposes; and

WHEREAS, pursuant to and in accordance with the provisions of Division 139 of Article 11 and Division 4 of Article 8 of the Illinois Municipal Code, as supplemented and amended, the Village is authorized to issue waterworks and sewerage revenue bonds in the aggregate principal amount of \$2,750,000 for the purpose of paying a part of the costs of refunding the Prior Bonds and the Project;

NOW, THEREFORE, Be It Ordained by the President and Board of Trustees of the Village of Antioch, Lake County, Illinois, as follows:

Section 1. Definitions

The following words and terms used in this ordinance shall have the following meanings unless the context or use clearly indicates another or different meaning is intended:

"Act" means the Illinois Municipal Code, as supplemented and amended (Ill. Rev. Stat. Ch. 24 Section 1-1.2 et seq.) and in particular, Division 4 of Article 8 and Division 139 of Article 11 thereof.

"Bond" or "Bonds" means one or more, as applicable, of the \$2,750,000 Waterworks and Sewerage Revenue Bonds, Series 1986A, authorized to be issued by this Ordinance.

"Bond Register" means the Books of the Village kept by the Bond Registrar to evidence the registration and transfer of the Bonds.

"Bond Registrar" means LaSalle National Bank, a national banking association with principal corporate trust offices located in Chicago, Illinois, or successor thereto or designated hereunder.

"Code" means the Internal Revenue Code of 1954, as amended.

"Fiscal Year" means a twelve-month period beginning May 1 of the calendar year and ending on the next succeeding April 30.

"Maximum Annual Debt Service" means an amount of money equal to the highest future principal and interest requirement of all Outstanding Bonds required to be deposited into the Bond and Interest Account created by this ordinance in any Fiscal Year, including and subsequent to the Fiscal Year in which the computation is made. Any Outstanding Bonds required to be redeemed pursuant to mandatory redemption from said Bond and Interest Account shall be treated as falling due on the date required to be redeemed (except in the case of failure to make any such mandatory redemption) and not on the stated maturity date of such Outstanding Bonds.

"Net Revenues" means Revenues minus Operation and Maintenance Costs.

"Operation and Maintenance Costs" means all costs of operating, maintaining and routine repair of the System, including wages, salaries, costs of materials and supplies, power, fuel, insurance, purchase of water or sewage treatment services (including all payments by the Village pursuant to long term contracts for such services); but excluding debt service, depreciation, or any reserve requirements; and otherwise determined in accordance with generally accepted accounting principles for municipal enterprise funds.

"Outstanding Bonds" means Bonds and Parity Bonds which are outstanding and unpaid; provided, however, such term shall not include Bonds or Parity Bonds (i) which have matured and for which moneys are on deposit with proper paying agents, or are otherwise properly available, sufficient to pay all principal thereof and interest thereon, or (ii) the provision for payment of which has been made by the Village by the deposit in an irrevocable trust or escrow of funds or direct, full faith and credit obligations of the United States of America, the principal of and interest on which will be sufficient to pay at maturity or as called for redemption all the principal of and interest on such Bonds or Parity Bonds.

"Parity Bonds" means bonds or any other obligation to be issued subsequent in time to the Bonds and which will share ratably and equally in the earnings of the System with the Bonds.

"Project" means the improvements and extensions to the System as set forth in the preambles to this Ordinance.

"Prior Bonds" means the outstanding bonds of the Village payable from the revenues of the System as more particularly described in the preambles to this Ordinance.

"Revenues" means all income from whatever source derived from the System, including (i) investment income; (ii) connection, permit and inspection fees and the like; (iii) penalties and delinquency charges; (iv) capital development, reimbursement, or recovery charges and the like; (v) annexation or preannexation charges insofar as designated by the President and Board of Trustees as paid for System connection or service; but excluding expressly (a) non-recurring income from the sale of property of the System; (b) governmental or other grants; (c) advances or grants made from the Village; and as otherwise determined in accordance with generally accepted accounting principles for municipal enterprise funds.

"System" refers to all property, real, personal or otherwise owned or to be owned by the Village or under the control of the Village, and used for waterworks and sewerage purposes, including the Project and any and all further extensions, improvements and additions to the System or the Project.

"Village" means the Village of Antioch, Lake County, Illinois.

"Waterworks and Sewerage Fund" means the Waterworks and Sewerage Fund of the Village created and established by this Ordinance.

Section 2. Incorporation of Preambles.

The President and Board of Trustees hereby finds that all of the recitals contained in the preambles to this Ordinance are full, true and correct and do incorporate them into this Ordinance by this reference.

Section 3. Determination To Issue Bonds.

It is necessary and in the best interests of the Village to refund the Prior Bonds and to provide for the Project for the public health, safety and welfare, in accordance with the plans and specifications, as described, and that the System continue to be operated as a single utility in accordance with the provisions of the Act.

Section 4. Determination of Useful Life.

The President and Board of Trustees does hereby determine the period of usefulness of the System and the Project to be 40 years from the date of the Bonds.

Section 5. Bond Details.

For the purpose of refunding the Prior Bonds and providing for the Project, there shall be issued and sold the Bonds in the principal amount of \$2,750,000. The Bonds shall each be designated "Waterworks and Sewerage Revenue Bond, Series 1986A" and be dated August 1, 1986; and shall also bear the date of authentication thereof. The Bonds shall be in fully registered form, shall be in denominations of \$5,000 and authorized integral multiples thereof (but no single Bond shall represent principal maturing on more than one date), shall be numbered 1 and upward, shall bear interest at a rate or rates not to exceed the maximum interest rate provided by law at the time of the sale of Bonds, which rate or rates shall be determined and specified in a resolution of the President and Board of Trustees to be adopted at the time of sale of the Bonds, and shall mature serially on May 1 of each of the years and in the amounts as follows (subject to the right of prior redemption hereinafter stated):

Year	Amount(\$)
1988	60,000
1989	60,000
1990	75,000
1991	75,000
1992	90,000
1993	90,000
1994	100,000
1995	100,000
1996	125,000
1997	125,000
1998	150,000
1999	150,000
2000	175,000
2001	175,000
2002	200,000
2003	200,000
2004	250,000
2005	250,000
2006	300,000

The Bonds shall bear interest from their dated date until the principal amount of the Bonds is paid, such interest (computed upon the basis of a 360-day year of twelve 30-day months) being payable on May 1, 1987, and semiannually thereafter on November 1 and May 1 of each year until the principal amount is paid. Interest on each Bond shall be paid by check or draft of the Bond Registrar, payable upon presentation in lawful money of the United States of America, to the person in whose name such Bond is registered at the close of business on the 15th day of the month next preceding the interest payment date. The principal of and premium (if any) on the Bonds shall be payable upon presentation in lawful money of the United States of America at the principal corporate trust office of the Bond Registrar.

Section 6. Redemption.

Those of the Bonds due on or after May 1, 1998, are subject to redemption and payment prior to their maturity, at the option of the Village, in whole or in part, from any available funds, on May 1, 1997, or on any interest payment date thereafter, and if in part, in an amount which is equal to at least \$5,000 or is an integral multiple thereof, in inverse order of maturity and within any maturity by lot, at a redemption price of par and accrued interest to the date fixed for redemption.

Unless waived by the Bond Registrar, the City shall notify the Bond Registrar of the redemption of Bonds (by maturity and amount per maturity, if less than all Bonds of a maturity are to be redeemed) not less than 45 days prior to the date of redemption. In the event of a partial redemption of Bonds of a given maturity, the particular Bonds or portions thereof to be redeemed shall be selected by lot not more than 60 days prior to the redemption date by the Bond Registrar. With respect to partial redemptions, the Bond Registrar shall assign to each Bond a distinctive number for each \$5,000 principal amount of such Bond and shall select by lot from the numbers so assigned as many numbers as, allocating \$5,000 to each number, shall equal the principal amount of such Bonds required to be redeemed on the applicable redemption date. The Bonds or portions of Bonds to be redeemed shall be the Bonds or portions of Bonds to which were assigned numbers so selected; provided that only such portion of the principal amount of each Bond shall be redeemed as shall equal \$5,000 for each number assigned to it and so selected.

The Bond Registrar shall promptly notify the City in writing of the Bonds or portions of Bonds selected for redemption and, in the case of any Bond selected for partial redemption, the principal amount thereof to be redeemed.

Unless waived by the registered owner of Bonds to be redeemed, notice of any such redemption shall be given by the Bond Registrar on behalf of the City by mailing the redemption notice by registered or certified mail not less than thirty days and not more than sixty days prior to the date fixed for redemption to each registered owner of the Bond or Bonds to be redeemed at the address shown on the Bond Register or at such other address as is furnished in writing by such registered owners to the Bond Registrar.

All notices of redemption shall include at least the information as follows:

- (1) the redemption date;
- (2) the redemption price;
- (3) if less than all the Bonds of a single maturity are to be redeemed, the identification (and, in the case of partial redemption of any Bonds, the respective principal amounts) of the Bonds to be redeemed;
- (4) a statement that on the redemption date the redemption price will become due and payable upon each such Bond or portion thereof called for redemption and that interest thereon shall cease to accrue from and after said date; and
- (5) the place where such Bonds are to be surrendered for payment of the redemption price, which place of payment shall be the principal corporate trust office of the Bond Registrar.

Prior to any redemption date, the Village shall deposit with the Bond Registrar an amount of money sufficient to pay the redemption price of all the Bonds or portions of Bonds which are to be redeemed on that date.

Notice of redemption having been given as aforesaid, the Bonds or portions of Bonds so to be redeemed shall, on the redemption date, become due and payable at the redemption price therein specified, and from and after such date (unless the Village shall default in the payment of the redemption price) such Bonds or portions of Bonds shall cease to bear interest. Upon surrender of such Bonds for redemption in accordance with said notice, such Bonds shall be paid by the Bond Registrar at the redemption price. Interest due on or prior to the redemption date shall be payable as herein provided for payment of interest. Upon surrender for any partial redemption of any Bond, there shall be prepared for the registered owner a new Bond or Bonds of the same maturity and rate of interest in the amount of the unpaid principal.

If any Bond or portion of Bond called for redemption shall not be so paid upon surrender thereof for redemption, the principal, and premium, if any, shall, until paid, bear interest from the redemption date at the rate borne by the Bond or portion of Bond so called for redemption. All Bonds which have been redeemed shall be cancelled and destroyed by the Bond Registrar and shall not be reissued.

Parity Bonds hereinafter issued pursuant to the terms hereof may be redeemable at such times and upon such terms as may be determined at the time of authorization thereof.

Section 7. Amendment.

The rights and obligations of the Village and of the owners of Outstanding Bonds may from time to time be modified or amended by a supplemental ordinance adopted by the President and Board of Trustees with the written consent of the owners of not less than two-thirds (2/3rds) of the principal amount of all Outstanding Bonds (excluding any of said bonds owned by or under the control of the Village); provided, however, that no such modification or amendment shall extend or change the maturity of or date of redemption prior to maturity, or reduce the interest rate on, or permit the creation of a preference or priority of any Outstanding Bond or Outstanding Bonds over any other Outstanding Bond or Outstanding Bonds, or otherwise alter or impair the obligation of the Village to pay the principal of and interest on any of the Outstanding Bonds at the time, place, rate, and in the currency provided therein, or alter or impair the obligations of the Village with respect to registration, transfer, exchange or notice of redemption of Bonds, without the express consent of the owners of all the Outstanding Bonds affected; nor shall any such modification or amendment reduce the percentage of the owners of Outstanding Bonds required for the written consent of such modification or amendment without the consent of the owners of all of the Outstanding Bonds.

Section 8. Execution; Authentication.

The Bonds shall be executed on behalf of the Village with the manual or facsimile signature of the President and attested with the manual or facsimile signature of the Village Clerk, as they may determine, and shall have impressed or imprinted thereon the corporate seal or facsimile thereof of the Village. In case any officer whose signature shall appear on any Bond shall cease to be such officer before the delivery of such Bond, such signature shall nevertheless be valid and sufficient for all purposes, the same as if such officer had remained in office until delivery.

All Bonds shall have thereon a certificate of authentication substantially in the form hereinafter set forth duly executed by the Bond Registrar as authenticating agent of the Village and showing the date of authentication. No Bond shall be valid or obligatory for any purpose or be entitled to any security or benefit under this Ordinance unless and until such certificate of authentication shall have been duly executed by the Bond Registrar by manual signature, and such certificate of authentication upon any such Bond shall be conclusive evidence that such Bond has been authenticated and delivered under this Ordinance. The certificate of authentication on any Bond shall be deemed to have been executed by it if signed by an authorized officer of the Bond Registrar; but it shall not be necessary that the same officer sign the certificate of authentication on all of the Bonds issued hereunder.

Section 9. Registration of Bonds; Persons Treated as Owners.

The Village shall cause books (the "Bond Register") for the registration and for the transfer of the Bonds as provided in this Ordinance to be kept at the principal corporate trust office of the Bond Registrar, which is hereby constituted and appointed the registrar of the Village. The Village is authorized to prepare, and the Bond Registrar or such other agent as the Village may designate shall keep custody of, multiple Bond blanks executed by the Village for use in the transfer and exchange of Bonds.

Upon surrender for transfer of any Bond at the principal corporate trust office of the Bond Registrar, duly endorsed by, or accompanied by a written instrument or in-

struments of transfer in form satisfactory to the Bond Registrar and duly executed by, the registered owner or an attorney duly authorized in writing, the Village shall execute and the Bond Registrar shall authenticate, date and deliver in the name of the transferee or transferees a new fully registered Bond or Bonds of the same maturity and rate of interest of authorized denominations, for a like aggregate principal amount. Any fully registered Bond or Bonds may be exchanged at said office of the Bond Registrar for a like aggregate principal amount of Bond or Bonds of the same maturity and rate of interest of other authorized denominations. The execution by the Village of any fully registered Bond shall constitute full and due authorization of such Bond; and the Bond Registrar shall thereby be authorized to authenticate, date and deliver such Bond; provided, however, the principal amount of Outstanding Bonds of each maturity authenticated by the Bond Registrar shall not at any one time exceed the authorized principal amount of Bonds for such maturity less the amount of such Bonds which have been paid.

The Bond Registrar shall not be required to transfer or exchange any Bond during the period from the fifteenth day of the month next preceding an interest payment date to such interest payment date, or to transfer or exchange any Bond after notice calling such Bond for redemption has been mailed, or to transfer or exchange any Bond during a period of fifteen days next preceding mailing of a notice of redemption of any Bonds.

The person in whose name any Bond shall be registered shall be deemed and regarded as the absolute owner thereof for all purposes, and payment of the principal of or interest on any Bond shall be made only to or upon the order of the registered owner thereof or his legal representative. All such payments shall be valid and effectual to satisfy and discharge the liability upon such Bond to the extent of the sum or sums so paid.

No service charge shall be made for any transfer or exchange of Bonds, but the Village or the Bond Registrar may require payment of a sum sufficient to cover any tax or other governmental charge that may be imposed in connection with any transfer or exchange of Bonds except in the case of the issuance of a Bond or Bonds for the unredeemed portion of a Bond surrendered for redemption.

Section 10. Form of Bond.

The Bonds shall be prepared in compliance with the National Standard Specifications for Fully Registered Municipal Securities prepared by the American National Standards Institute and shall be in substantially the form hereinafter set forth; provided, however, that if the text of the Bond is to be printed in its entirety on the front side of the Bond, then paragraph (2) and the legend, "See Reverse Side for Additional Provisions", shall be omitted and paragraphs (6) through (14) shall be inserted immediately after paragraph (1).

(1) **KNOW ALL PERSONS BY THESE PRESENTS**, that the Village of Antioch, Lake County, Illinois, a municipality and political subdivision of the State of Illinois (the "Village"), hereby acknowledges itself to owe and for value received promises to pay to the Registered Owner identified above, or registered assigns as hereinafter provided, on the Maturity Date identified above, the Principal Amount identified above and to pay interest (computed on the basis of a 360-day year of twelve 30-day months) on such principal amount from the dated date of this Bond or from the most recent interest payment date to which interest has been paid at the Interest Rate per annum identified above, such interest to be payable on May 1, 1987, and semiannually thereafter on November 1 and May 1 of each year until the principal amount is paid, except as the provisions hereinafter set forth with respect to redemption prior to maturity may be and become applicable hereto. Principal of this Bond is payable in lawful money of the United States of America upon presentation at the principal corporate trust office of LaSalle National Bank in Chicago, Illinois, as bond registrar and paying agent (the "Bond Registrar"). Payment of interest shall be made to the Registered Owner of hereof as appearing on the registration books of the Village maintained by the Bond Registrar at the close of business on the 15th day of the month next preceding the interest payment date and shall be paid by check or draft of the Bond Registrar, payable upon presentation in lawful money of the United States of America, mailed to the address of such Registered Owner as it appears on such registration books or at such other address furnished in writing by such Registered Owner to the Bond Registrar.

(2) Reference is hereby made to the further provisions of this Bond set forth on the reverse hereof, and such further provisions shall for all purposes have the same effect as is set forth at this place.

(3) It is hereby certified and recited that all acts, conditions and things required to be done precedent to and in the issuance of this Bond have been done and have happened and have been performed in regular and due form of law and that provision has been made for depositing into the Waterworks and Sewerage Fund the entire Revenues received from the operation of the System to be applied in the manner as hereinabove set forth; and the Village hereby covenants and agrees that it will fix and maintain rates for the use and service of the System and collect and account for the Revenues derived therefrom sufficient at all time to pay Operation and Maintenance Costs, to promptly pay principal of and interest on all bonds issued by the Village which are payable solely from the Revenues of the System, to provide an adequate depreciation fund, and to comply with all the covenants of and to maintain the accounts created by the Bond Ordinance.

(4) This Bond shall not be valid or become obligatory for any purpose until the certificate of authentication hereon shall have been signed by the Bond Registrar.

(5) **IN WITNESS WHEREOF**, the Village of Antioch, Lake County, Illinois, by its President and Board of Trustees has caused this Bond to be executed with the duly authorized manual or facsimile signature of its President and attested by the duly authorized manual or facsimile signature of its Village Clerk and its corporate seal or a facsimile thereof to be impressed or reproduced hereon, all as appearing hereon and as of the Dated Date identified above.

By
Authorized Officer

(Form of Bond-Reverse Side)

**Village of Antioch, Lake County, Illinois
Waterworks and Sewerage Revenue Bond
Series 1986A**

(6) This bond and the bonds of the series of which it forms a part ("Bond" and "Bonds" respectively) are of an authorized issue of Two Million Seven Hundred Fifty Thousand Dollars (\$2,750,000) of like dated date and tenor except as to maturity, rate of interest and privilege of redemption. The Bonds are payable solely from the Revenues derived from the operation of the waterworks and sewerage system of the Village (the "System") after payment of Operation and Maintenance Costs, and not otherwise, and are issued under authority of the provisions of Division 139 of Article 11 and Division 4 of Article 8 of the Illinois Municipal Code, as supplemented and amended (the "Act"), for the purpose of paying a part of the costs of refunding all of the outstanding and unpaid bonds of the Village payable from the revenues of the System (the "Prior Bonds") and of a Project relating to construction of improvements to the System. The Bonds are issued pursuant to Ordinance Number 86-7-18, passed by the President and Board of Trustees of the Village on the 21st day of July 1986 (the "Ordinance"), to which reference is hereby expressly made for further definitions and terms and to all the provisions of which the holder by the acceptance of this Bond assents. This Bond does not constitute an indebtedness of the Village within the meaning of any constitutional or statutory provision or limitation.

(7) Under the Act and the Ordinance, the Revenues from the operation of the System shall be deposited into the Waterworks and Sewerage Fund, which shall be used only and is hereby pledged for paying Operation and Maintenance Costs, paying the principal of and interest on all bonds of the Village that are payable by their terms only from the Revenues of the System, providing an adequate depreciation fund and in making all payments required to maintain the accounts established under the terms of the Ordinance. Parity Bonds may be issued pursuant to the terms of the Ordinance.

(8) Outstanding Bonds issued and authenticated pursuant to the Ordinance are co-equal as to the lien on the Revenues of the System for their payment and share ratably, without any preference, priority, or distinction, the one over the other, as to the source or method of payment and security of the Outstanding Bonds, but are subject and subordinate to the rights of the holders of the Prior Bonds to a prior claim on the Revenues of the System pending the final payment of the principal of and interest on the Prior Bonds. Cash and investments have previously been deposited into an irrevocable escrow account in an amount adequate for that purpose.

(9) The rights and obligations of the Village and of the owners of the Bonds may from time to time be modified or amended by a supplemental ordinance adopted by the President and Board of Trustees with the written consent of the owners of not less than two-thirds (2/3rds) of the principal amount of all Outstanding Bonds (excluding any of said bonds owned by or under the control of the Village); provided, however, that no such modification or amendment shall extend or change the maturity of or date of redemption prior to maturity, or reduce the interest rate or premium on, or permit the creation of a preference or priority of any Outstanding Bond or Outstanding Bonds over any other Outstanding Bond or Outstanding Bonds, or otherwise alter or impair the obligation of the Village to pay the principal of or interest on any of the Outstanding Bonds at the time, place, rate and in the currency provided therein or alter or impair the obligations of the Village with respect to registration, transfer, exchange or notice of redemption of Bonds, without the express consent of the owners of all the Outstanding Bonds affected; nor shall any such modification or amendment reduce the percentage of the owners of Outstanding Bonds required for the written consent to such modification or amendment without the consent of the owners of all of the Outstanding Bonds.

(10) Those of the Bonds due on or after May 1, 1998, are subject to redemption at the option of the Village, in whole or in part, on May 1, 1997, or on any interest payment date thereafter, in integral multiples of \$5,000, in inverse order of maturity and within any maturity by lot, at a price of par and accrued interest to the date fixed for redemption.

(11) Notice of any such redemption shall be sent by registered or certified mail not less than thirty days nor more than sixty days prior to the date fixed for redemption to the Registered Owner of each Bond to be redeemed at the address shown on the registered books of the Village maintained by the Bond Registrar or at such other address as is furnished in writing by such Registered Owner to the Bond Registrar. When so called for redemption, this Bond will cease to bear interest on the specified redemption date, provided funds for redemption are on deposit at the place of payment at that time.

(12) This Bond is transferable by the Registered Owner hereof in person or by an attorney duly authorized in writing at the principal corporate trust office of the Bond Registrar in Chicago, Illinois, but only in the manner, subject to the limitations and upon payment of the charges provided in the Ordinance, and upon surrender and cancellation of this Bond. Upon such transfer a new Bond or Bonds of authorized denominations of the same maturity and rate of interest and for the same aggregate principal amount will be issued to the transferee in exchange therefor.

(13) The Bonds are issued in fully registered form in the denomination of \$5,000 or authorized integral multiples thereof. This Bond may be exchanged at the principal corporate trust office of the Bond Registrar for a like aggregate principal amount of Bonds of the same maturity and rate of interest of other authorized denominations upon the terms set forth in the Ordinance.

(14) The Village and the Bond Registrar may deem and treat the Registered Owner hereof as the absolute owner hereof for the purpose of receiving payment of or on account of principal hereof, premium, if any, hereon and interest due hereon and for all other purposes, and neither the Village nor the Bond Registrar shall be affected by any notice to the contrary.

ASSIGNMENT

FOR VALUE RECEIVED, the undersigned sells, assigns and transfers unto

(Name and Address of Assignee)

the within Bond and does hereby irrevocably constitute and appoint

as attorney to transfer the said Bond on the books kept for registration thereof with full power of substitution in the premises.

Dated:

Signature Guaranteed:

NOTICE: The signature to this assignment must correspond with the name of the registered owner as it appears upon the face of the within Bond in every particular, without alteration or enlargement or any change whatever.

Section 11. Bonds Limited Obligations.

The Bonds shall be payable solely from the Net Revenues as derived from the operation of the System, and shall not constitute an indebtedness of the Village within the meaning of any constitutional or statutory limitation.

Section 12. Creation of Waterworks and Sewerage Fund and Accounts Thereof.

Upon the issuance of any of the Bonds, the System shall be operated on a Fiscal Year basis. All of the Revenues shall be set aside as collected and be deposited into a separate fund and in an account in a bank to be designated by the President and Board of Trustees, which fund is hereby created and is designated as the "Waterworks and Sewerage Fund" (the "Waterworks and Sewerage Fund") of the Village, which shall constitute a trust fund for the sole purpose of carrying out the covenants, terms, and conditions of this Ordinance, and shall be used only in paying Operation and Maintenance Costs, providing an adequate depreciation fund, paying the principal of and interest on all revenue bonds of the Village which by their terms are payable solely from the Revenues derived from the System, and providing for the establishment of and expenditure from the respective accounts as hereinafter described.

Section 13. Flow of Funds.

There shall be and there are hereby created separate accounts in the Waterworks and Sewerage Fund to be known as the "Operation and Maintenance Account," the "Bond and Interest Account," the "Bond Reserve Account," the "Depreciation Account," and the "Surplus Account," to which there shall be credited on or before the first day of each month by the financial officer of the Village, without any further official action or direction, in the order in which said accounts are hereinafter mentioned, all moneys held in the Waterworks and Sewerage Fund, in accordance with the following provisions:

(a) Operation and Maintenance Account

There shall be credited to the Operation and Maintenance Account an amount sufficient, when added to the amount then on deposit in said Account, to establish a balance to an amount not less than the amount necessary to pay Operation and Maintenance Costs for the then current month.

Amounts in said Account shall be used to pay Operation and Maintenance Costs.

(b) Bond and Interest Account

After making any payments required for the benefit of the Prior Bonds, there next shall be credited to the Bond and Interest Account and held, in cash and investments, a fractional amount of the interest becoming due on the next succeeding interest payment date on all Outstanding Bonds and also a fractional amount of the principal becoming due or subject to mandatory redemption of the next succeeding principal maturity or mandatory redemption date of all of the Outstanding Bonds until there shall have been accumulated and held, in cash and investments, in the Bond and Interest Account on or before the month preceding such maturity date of interest or maturity or mandatory redemption date of principal, an amount sufficient to pay such principal or interest, or both.

In computing the fractional amount to be set aside each month in the Bond and Interest Account, the fraction shall be so computed that a sufficient amount will be set aside in said Account and will be available for the prompt payment of such principal of and interest on all Outstanding Bonds and shall be not less than one-fifth of the interest becoming due on the next succeeding interest payment date and not less than one-tenth of the principal becoming due or subject to mandatory redemption on the next succeeding principal payment, or mandatory redemption date on all Outstanding Bonds until there is sufficient money in said Account to pay such principal or interest, or both.

Credits to the Bond and Interest Account may be suspended in any Fiscal Year at such time as there shall be a sufficient sum, held in cash and investments, in said Account to meet principal and interest requirements in said Account for the balance of such Fiscal Year, but such credits shall again be resumed at the beginning of the next Fiscal Year.

All moneys in said Account shall be used only for the purpose of paying interest on and principal of Outstanding Bonds.

(c) Depreciation Account:

At the time of delivery of the Bonds, the sum of not less than \$100,000.00 shall be credited to the Depreciation Account from funds on hand and remaining in the existing Waterworks and Sewerage Fund and thereafter there shall be credited and held, in cash and investments, the sum of \$2,000 each month until the credit balance of said Account aggregates the sum of \$200,000. No additional fund shall be credited to said Account, except that whenever for any reason the amount on deposit to the credit of said Account is less than \$200,000, credits into said Account shall be resumed in the amount of \$2,000 each month and continued until the amount on deposit to the credit of said Account is once again equal to \$200,000.

Amounts to the credit of said Depreciation Account shall be used for (i) the payment of the cost of extraordinary maintenance, necessary repairs and replacements, or contingencies, the payment for which no other funds are available, in order that the System may at all times be able to render efficient service and (ii) the payment of principal of or interest on any Outstanding Bonds at any time when there are no other funds available for that purpose in order to prevent a default and shall be transferred to the Bond and Interest Account for such purpose.

Whenever an amount is withdrawn from such Account for the purpose stated in clause (ii) of the preceding paragraph, the amount so transferred shall be added to the amount to be next and thereafter credited to said Depreciation Account until full reimbursement to said Account has been made.

(d) Bond Reserve Account:

At the time of delivery of the Bonds, the sum of not less than \$150,000.00 shall be credited to the Bond Reserve Account from funds on hand and remaining in the existing Waterworks and Sewerage Fund and thereafter there shall be credited to the Bond Reserve Account and held, in cash and investments, the sum of \$3,000 each month until the credit balance of said Account aggregates the amount of \$300,000. In the event of a withdrawal from the Bond Reserve Account, the Village covenants to replenish the Bond Reserve Account at the rate of 1/12 the amount withdrawn per month, or \$3,000 per month, whichever is greater.

Amounts to the credit of the Bond Reserve Account shall be used to pay principal of or interest on the Outstanding Bonds at any time when there are insufficient funds available in the Bond and Interest Account to pay the same.

(e) Surplus Account:

All moneys remaining in the Waterworks and Sewerage Fund, after crediting the required amounts to the respective accounts hereinabove provided for, and after making up any deficiency in the accounts described in subsections (a) to (d), inclusive, shall be credited each month to the Surplus Account. Funds in the Surplus Account shall first be used to make up any subsequent deficiencies in any of the accounts hereinabove named and then, at the discretion of the President and Board of Trustees, shall be used for one or more of the following purposes without any priority among them:

(1) For the purpose of constructing or acquiring repairs, replacements, or improvements to the System; or

(2) For the purpose of calling and redeeming Outstanding Bonds which are callable at the time; or

(3) For the purpose of purchasing Outstanding Bonds at the time at a price of not to exceed par and accrued interest to the date of purchase; or

(4) For the purpose of paying principal of and interest on any subordinate bonds or obligations issued for the purpose of acquiring or constructing repairs, replacements, or improvements to the System; or

(5) For any other lawful Village purpose.

(f) Money to the credit of the Waterworks and Sewerage Fund prior to the monthly accounting and to the credit of the Operation and Maintenance Account may be invested pursuant to any authorization granted to municipal corporations by Illinois statute or court decision.

Moneys to the credit of the Bond and Interest Account, Bond Reserve Account, Depreciation Account and Surplus Account may be invested from time to time by the Treasurer of the Village in (i) interest bearing bonds, notes, or other direct full faith and credit obligations of the United States of America, (ii) obligations unconditionally guaranteed as to both principal and interest by the United States of America, or (iii) certificates of deposit or time deposits of any bank, as defined by the Illinois Banking Act, provided such bank is insured by the Federal Deposit Insurance Corporation or a successor corporation to the Federal Deposit Insurance Corporation, and provided further that the principal of such deposits in excess of the insured amount is secured by a pledge of obligations as described in clauses (i) and (ii) above in the full principal amount of such excess. Such investments may be sold from time to time by the Treasurer of the Village as funds may be needed for the purpose for which said respective accounts have been created. To the extent moneys in said Accounts as described in this paragraph are held uninvested and on deposit in demand accounts, such amounts shall be added to the amount invested pursuant to clause (iii) above and the sum so derived subject to the limitations as set forth therein.

Investments in the Accounts shall mature or be subject to redemption at the option of the holder thereof prior to the time when needed, and, in any event, within the times as follows:

Account	Time
Operation and Maintenance	45 days
Bond and Interest	1 year
Bond Reserve	3 years
Depreciation	5 years
Surplus	5 years

All interest on any funds so invested shall be credited to the Waterworks and Sewerage Fund and is hereby deemed and allocated as expended with the next expenditure(s) of money from the Waterworks and Sewerage Fund.

Moneys in any of said accounts shall be invested by the Treasurer, if necessary, in investments restricted as to yield, which investments may be in United States Treasury Obligations-State and Local Government Series, if available, and to such end the Treasurer shall refer to any investment restrictions covenanted by the Village or any officer thereof as part of the transcript of proceedings for the issuance of the Bonds, and to appropriate opinions of counsel.

(g) Any amounts to the credit of the Accounts in excess of the then current requirement therefore may be transferred by the President and Board of Trustees to such other Account or Accounts of the Waterworks and Sewerage Fund as they may in their sole discretion designate.

(h) Upon the refunding of the Prior Bonds, all the moneys remaining in the special accounts established and maintained by the ordinances authorizing the Prior Bonds (the "Prior Accounts") shall be transferred as follows:

(i) From the Prior Operation and Maintenance Accounts, all amounts on deposit to the Operation and Maintenance Account hereunder.

(ii) From the remaining Prior Accounts:

(A) So much of the remainder as may be necessary to the escrow account for the purpose of refunding the Prior Bonds;

(B) The sums necessary to make the required beginning credits to the accounts hereinabove created; and

(C) The balance to the Construction Fund (1986) hereunder.

Section 14. General Covenants.

The Village covenants and agrees with the holders of the Outstanding Bonds, so long as there are any Outstanding Bonds (as defined herein), as follows:

(a) The Village will maintain the System in good repair and working order, will operate the same efficiently and faithfully, will promptly proceed with the Project, and will punctually perform all duties with respect thereto required by the Constitution and laws of the State of Illinois.

(b) The Village will establish and maintain at all time reasonable fees, charges, and rates for the use and service of the System and will provide for the collection thereof and the segregation and application of the Revenues in the manner provided by this ordinance, sufficient at all times to pay Operation and Maintenance Costs, to provide an adequate depreciation fund, to pay the principal of and interest on all revenue bonds of the Village which by their terms are payable solely from the Revenues, and to provide for the creation and maintenance of the respective accounts as provided in Section 13 of this Ordinance.

There shall be charged against all users of the System, including the Village, such rates and amounts for water and sewer services as shall be adequate to meet the requirements of this subsection. Charges for services rendered the Village shall be made against the Village, and payment for the same shall be made monthly from the corporate funds into the Waterworks and Sewerage Fund as revenues derived from the operation of the System; provided however, that the Village need not charge itself for such services if in the previous Fiscal Year Revenues not including any payments made by the Village shall have met the requirements of this ordinance.

Whenever money in the Bond Reserve Account is used to pay principal of or interest on Outstanding Bonds, the Village covenants to promptly have prepared a rate study for the System by an independent consultant employed for that purpose, and further, to send a copy of such study, when completed, to the original purchaser of the Bonds along with a letter indicating what action the Village has taken responsive to such study.

(c) The Village from time to time will make all needful and proper repairs, replacements, additions, and betterments to the System so that it may at all times be operated properly and advantageously; and when any necessary equipment or facility shall have been worn out, destroyed, or otherwise is insufficient for proper use, it shall be promptly replaced so that the value and efficiency of the System shall be at all times fully maintained.

(d) The Village will establish such rules and regulations for the control and operation of the System necessary for the safe, lawful, efficient and economical operation thereof.

(e) The Village will make and keep proper books and accounts (separate and apart from all other records and accounts of said Village), in which complete entries shall be made of all transactions relating to the System, and hereby covenants that within 90 days following the close of each Fiscal Year, it will cause the books and accounts of the System to be audited by independent certified public accountants. Said audit will be available for inspection by the holders of any of the Bonds. Each such audit, in addition to whatever matters may be thought proper by the accountants to be included therein, shall, without limiting the generality of the foregoing, include the following:

(i) A statement in detail of income and expenditures of the System for such Fiscal Year.

(ii) A balance sheet as of the end of such Fiscal Year, including a statement of the amount held in each of the accounts of the Waterworks and Sewerage Fund.

(iii) A list of all insurance policies in force at the end of the Fiscal Year, setting out as to each policy the amount of the policy, the risks covered, the name of the insurer, and the expiration date of the policy.

(iv) The number of sewer customers served by the System at the end of the year and the quantity of sewage treated, the number of metered water customers and the number of unmetered water customers at the end of the year, the quantity of water pumped and the quantity of water billed.

(v) Changes in the cost of purchased water or sewer services during such Fiscal Year.

(vi) A summary of rates in effect at the end of such Fiscal Year for services of the System and any changes in such rates effective during such Fiscal Year.

(vii) The amount and details of all Outstanding Bonds.

(viii) The accountant's comment regarding the manner in which the Village has carried out the requirements of this Ordinance, and the accountant's recommendations for any changes or improvements in the operation of the System.

All expenses of the audit required by this section shall be regarded and paid as Operation and Maintenance Costs.

It is further covenanted and agreed that a copy of each such audit shall be furnished upon completion to the original purchaser of the Bonds, and a summary thereof shall be furnished to any bondholder upon request.

(f) The Village will keep books and accounts for the System in accordance with generally accepted fund reporting practices for municipal enterprise funds; provided, however, that the monthly credits to the Bond and Interest Account, the Bond Reserve Account and the Depreciation Account shall be in cash and said funds shall be held separate and apart in cash and investments. For the purpose of determining whether sufficient cash and investments are on deposit in such accounts under the terms and requirements of this Ordinance, investments shall be valued at amortized cost.

(g) The Village will not sell, lease, loan, mortgage or in any manner dispose of or encumber the System (subject to the right of the Village to issue Parity Bonds as provided in this Ordinance, to issue bonds subordinate to Outstanding Bonds, and to dispose of real or personal property which is no longer useful or necessary to the operation of the System), and the Village will take no action in relation to the System which would unfavorably affect the security of the Outstanding Bonds or the prompt payment of the principal thereof and interest thereon. Any amounts received from the sale of property of the System shall be deposited to the credit of the Depreciation Account.

(h) Any holder of a Bond may proceed by civil action to compel performance of all duties required by law and this Ordinance, including the making and collecting of sufficient charges and rates for the service supplied by the System and the application of the income and revenue therefrom.

(i) The Village will carry insurance on the System of the kinds and in the amounts which are usually carried by private parties operating similar properties, covering such risks as shall be recommended by a competent consulting engineer or insurance consultant employed by the Village for the purpose of making such recommendations. All moneys received for loss under such insurance policies shall be deposited to the credit of the Depreciation Account and used in making good the loss or damage in respect of which they were paid, either by repairing the property damaged or making replacement of the property destroyed, and provision for making good such loss or damage shall be made within 90 days from the date of the loss. The payment of premiums for all insurance policies required under the provisions of this covenant shall be considered an Operation and Maintenance Cost. The proceeds derived from any and all policies for workers' compensation or public liability shall be paid into the Operation and Maintenance Account and used in paying the claims on account of which they were received.

(j) Except as hereinabove expressly provided for services to the Village, the Village covenants not to provide any free service of the System, and, to the extent permitted by law, the Village will not grant a franchise for the operation of any competing waterworks system, sewerage system, or combined waterworks and sewerage system within the Village.

(k) The Village covenants to redeem Bonds pursuant to the mandatory redemption provisions hereof at the times and in the amounts provided herein.

(l) The Village will adopt a budget for the Waterworks and Sewerage Fund prior to the beginning of each Fiscal Year, subject to applicable state law, provided for payment of all sums to be due in the Fiscal Year so as to comply with the terms of this Ordinance and of long term water supply agreements. The budget may include in its estimate of income, the use of available surplus moneys or other funds of the Village appropriated for the purpose. If during the Fiscal year there are extraordinary receipts or payments of unusual cost, the Village will adopt an amended budget for the remainder of the Fiscal Year, providing for receipts or payments pursuant to this Ordinance.

Section 15. Issuance of Parity Bonds.

As long as there are any Outstanding Bonds, no obligations or bonds of any kind shall be issued which are payable from the Revenues, except upon compliance with one of the options (a) through (d) set out below:

(a) Parity Bonds may be issued for the purpose of paying the cost of repairs, replacements, renewals, improvements and extensions to the System or for refunding Outstanding Bonds upon compliance with the following conditions:

(i) The amounts required to be credited monthly to the respective accounts described in subsections (a) through (d), inclusive, of Section 13 of this Ordinance must have been credited in full up to the date of the delivery of such Parity Bonds.

(ii) The Net Revenues of the System for the last completed Fiscal year prior to the issuance of the Parity Bonds (as shown by the audit of an independent certified public accountant), or the adjusted Net Revenues of the System for such year (as defined herein) must equal at least 120% of Maximum Annual Debt Service computed immediately after the issuance of the proposed Parity Bonds, but only for those Fiscal Years in which the Outstanding Bonds immediately prior to such issuance will continue to be Outstanding Bonds as provided herein.

(iii) Net Revenues of the System may be adjusted as follows: In the event there shall have been an increase in the rates of the System from the rates in effect for the preceding Fiscal Year, which increase is in effect at the time of the issuance of any such Parity Bonds, the Net Revenues as described hereinabove may be adjusted to reflect the Net Revenues of the System for the immediately preceding Fiscal Year as they would have been had said then existing rates been in effect during all of said Fiscal Year. Any such adjustment shall be evidenced by the certificate of an independent consulting engineer or an independent certified public accountant employed for that purpose, which certificate shall be filed with and approved by the President and Board of Trustees prior to the issuance of the proposed Parity Bonds.

(b) Parity Bonds may be issued to refund Outstanding Bonds if the Parity Bonds so issued (i) do not exceed the principal amount of the Outstanding Bonds to be refunded, (ii) do not bear interest at a rate in excess of the Outstanding Bonds to be refunded, and (iii) do not mature earlier than any Outstanding Bonds not to be refunded.

(c) Parity Bonds may be issued to refund Outstanding Bonds in order to avoid default in the payment of principal of or interest on Outstanding Bonds; provided, they are issued to avoid such default within three months of the date thereof.

(d) Bonds or other obligations may be issued payable from the Revenues subordinate to the Outstanding Bonds. Such subordinate bonds shall be payable from the Surplus Account created in Section 13 of this Ordinance.

All bonds issued under this Section shall mature as to principal on May 1 and as to interest on May 1 and/or November 1.

Contracts or agreements, including long-term and take or pay contracts or agreements, for the supply of water or the treatment of sewage which by their terms require payment by the Village as an Operation and Maintenance Cost or from the Operation and Maintenance Account are expressly excluded from the

provisions of this Ordinance pertaining to Parity Bonds. Such contracts or agreements may be made by the Village notwithstanding any of the provisions herein.

Section 16. Sale of Bonds.

As soon as may be after this Ordinance becomes effective, the Bonds shall be executed and delivered to the Treasurer of the Village and be by him delivered to the purchaser thereof, upon receipt of the purchase price therefor, same to be determined and specified in a resolution of the President and Board of Trustees to be adopted at the time of sale of said Bonds to said purchaser, the same being not less than 98% of the par value of the Bonds then being sold plus accrued interest to date of delivery. If the President and Board of Trustees by such proceedings sells less than all of the Bonds herein authorized, the President and Board of Trustees shall at its discretion in such resolution select and establish from the maximum amounts of Bonds due or subject to mandatory redemption in any year as set forth herein, such lesser amounts to be due and so subject as shall be necessary in consideration of the lesser amount of Bonds to be issued.

Section 17. Use of Proceeds, Expense Fund, Construction Fund (1986).

The proceeds derived from the sale of the Bonds shall be used as follows:

(a) Accrued interest shall be credited to the Bond and Interest Account.

(b) \$100,000 of the proceeds of the Bonds shall be deposited into a separate fund, hereby created, designated the "Expense Fund" to be used to pay expenses of issuance. Disbursements from such fund shall be made from time to time upon the direction of the President and Board of Trustees. Any excess in said fund shall be paid into the Construction Fund (1986) hereinafter created in this Section after six months from the date of issuance of the Bonds.

(c) The sum necessary shall be used to provide for the refunding of all the Prior Bonds, and for the payment of such expenses as may be designated, pursuant to the provisions of an Escrow Agreement with such Escrow Agent as may be designated, all in accordance with the provisions of an ordinance to be hereafter adopted by the President and Board of Trustees. Said ordinance will set forth the terms and conditions of the Escrow Agreement and will approve the form of such Escrow Agreement to be executed and delivered at or prior to the delivery of the Bonds.

(d) The remaining funds shall be set aside in a separate fund hereby created and designated as the "Construction Fund (1986)," which shall be deposited in a bank or banks to be hereafter designated by the President and Board of Trustees pursuant to a depository agreement.

Such Agreement shall provide that money in said fund shall be withdrawn from time to time as needed for the payment of costs of the Project and paying the fees and expenses incidental thereto not paid out of the Expense Fund and that said money shall be withdrawn from the depository from time to time by the Treasurer of the Village only upon submission by him to said depository of the following:

(i) If such withdrawal of funds by the Treasurer is for payment to a supplier, materialman, or contractor for work done in connection with the Project, a certificate executed by the engineer in charge of the construction of the Project stating the amount of materials supplied or the nature of the work completed, that such materials have been properly accepted or such work approved by him, the amount due and payable thereon, and the amount remaining to be paid in connection with the Project; and

(ii) A duplicate copy of the order signed by the President and Village Clerk, or such other officer(s) as may from time to time be by law authorized to sign and countersign orders of the Treasurer of the Village, stating specifically the purpose for which the order is issued and indicating that the payment for which the order is issued has been approved by the President and Board of Trustees.

Within 60 days after full depletion of the Construction Fund (1986) or payment of all costs of the Project, as herein referred to, and as heretofore approved by the President and Board of Trustees, the Treasurer shall certify to the President and Board of Trustees the fact of such depletion or the engineer in responsible charge of the Project shall certify to the President and Board of Trustees the fact that the work has been completed according to approved plans and specifications, as applicable, and upon approval of such certification by the President and Board of Trustees, funds (if any) remaining in the Construction Fund (1986) shall be transmitted said depository to the Treasurer of the Village, and said Treasurer shall credit said funds to the Bond Reserve Account, or, if such account is fully funded, to the Depreciation Account; and the Construction Fund (1986) shall be closed.

Funds on deposit in the Construction Fund (1986) may be invested by the Depository at the direction of the Treasurer in the same manner as provided in Section 13(f) of this Ordinance for money in the Bond and Interest Account.

Section 18. Provisions a Contract.

The provisions of this Ordinance shall constitute a contract between the Village and the holders of the Outstanding Bonds and no changes, additions, or alterations of any kind shall be made hereto, except as herein provided, so long as there are any Outstanding Bonds.

Section 19. Arbitrage.

The proceeds of the Bonds shall be devoted to and used with due diligence for the refunding of the Prior Bonds and paying the costs of the Project. The President and Board of Trustees represent and certify as follows:

(a) The Village has heretofore incurred, or within six months after delivery of the Bonds expects to incur, a substantial binding obligation with respect to the Project to be paid for with money received from the sale of the Bonds, said binding obligation comprising a contract or contracts for components of the Project in the amount of not less than \$100,000.

(b) All of proceeds of the Bonds to be applied to payment of costs of the Project will be expended on or before August 1, 1989, for the purpose of paying such costs.

(c) All of the principal proceeds and investment earnings thereon of the Bonds will be used, needed and expended for the purpose of paying the costs of the Project, including expenses incidental thereto.

(d) Work on the Project is expected to proceed with due diligence to completion.

(e) No part of the System or the Project has been or expected to be sold or otherwise disposed of in whole or in material part prior to the last maturity of the Bonds. "Material part" means (i) land, or (ii) any building, or (iii) personal property or fixtures in excess of this which is expected to be sold, traded in or discarded upon wearing out or becoming obsolete.

(f) Except for the Bond and Interest Account and for the Bond Reserve Account established hereunder, the Village has not created or established and does not expect to create or establish any debt service fund, reserve fund, sinking fund or other similar fund for the Bonds.

(g) Amounts deposited in the Bond and Interest Account will be expended within a 12-month period beginning on the date of deposit; said account will be depleted to an amount not greater than 1/12 annual principal and interest requirements payable therefrom at least once yearly; and any amounts received from investment of money in the Bond and Interest Account will be expended within a one year period beginning on the date of receipt.

(h) The Bond Reserve Account is to be established and accumulated from funds other than Bond proceeds. The total amount of the Bond Reserve Account to be accumulated is \$300,000.

(i) Credits are required by this Ordinance to be made from the Revenues into the Depreciation Account. Moneys in such account are to be used to pay the cost of repairs or replacements to the System as may be necessary from time to time for the continued efficient operation of the System. Although amounts in said account are required to be used to pay principal

of and interest on the Bonds to prevent or remedy a default, such amounts are not expected to be so used, and there is no assurance (due to the necessity of making reasonable repairs or replacements to the System, from time to time, as discussed above) that such amounts will be available to pay principal of and interest on the Bonds even if all other sources of payment are exhausted.

(j) The foregoing statements of expectation are based upon the following facts and estimates:

(i) Amounts expected to be received are estimated.

(ii) Amounts paid or to be paid into various funds and accounts have been directed to be paid into said funds and accounts by authority of this Ordinance.

(iii) The anticipated dates of the obligation and expenditure of money derived from the sale of Bonds and to be deposited into the various funds and accounts for the Project and the amounts to be spent on or before such dates are based upon consultation with the engineers employed by the Village to supervise the Project.

(k) The Village has not been notified of any disqualification or proposed disqualification of it by the Commissioner of the Internal Revenue Service as a bond issuer which may not certify bond issues under Treas. Reg. Section 1.103-13 (a) (2) (ii) (1979).

(l) To the best of the knowledge and belief of the President and Board of Trustees, there are no facts, estimates or circumstances that would materially change the conclusions and representations set out in the section, and the expectations hereinabove set out are reasonable.

The President and Board of Trustees also certifies and further covenants with the purchasers and holders and registered owners of the Bonds from time to time outstanding that so long as any of the Bonds remain unpaid, moneys on deposit in any fund or account in connection with the Bonds, whether or not such moneys were derived from the proceeds of the sale of the Bonds or from any other source, will not be used in a manner which will cause the Bonds to be "arbitrage bonds" within the meaning of Section 103(c) of the Code, and any lawful regulations promulgated thereunder, including Treas. Reg. Sections 1.103-13, 1.103-14 and 1.103-15 (1979) as the same presently exist, or may from time to time hereafter be amended, supplemented or revised. The President and Board of Trustees reserves the right, however, to make any investment of moneys on deposit in any fund or account in connection with the Bonds permitted by state law, if, when and to the extent that said Section 103(c) or regulations promulgated thereunder shall be repealed or relaxed or shall be held void by final decision of a court of competent jurisdiction, but only if any investment made by virtue of such repeal, relaxation or decision would not, in the opinion of an attorney at law or a firm of attorneys of nationally recognized standing in matters pertaining to tax-exempt bonds, result in the inclusion of interest on the Bonds in gross income for federal income tax purposes.

The officers of the Village are hereby authorized and directed to make such further covenants, estimates, representations, or assurances as may be necessary or advisable to the end that the Bonds not be "arbitrage bonds" as aforesaid.

Section 20. Registered Form.

The Village recognizes that Section 103(j) of the Code required the Bonds to be issued and to remain in fully registered form in order that interest thereon is exempt from federal income taxation under laws in force at the time the Bonds are delivered. In this connection, the Village agrees that it will not take any action to permit the Bonds to be issued in, or converted into, bearer or coupon form.

Section 21. Further Tax Covenants.

The Village acknowledges that on December 17, 1985, the United States House of Representatives adopted H.R. 3838 (in the form so adopted, the "Tax Bill"). The Village further acknowledges that on March 14, 1986, the Chairman of the House Ways and Means Committee, the Chairman of the Senate Finance Committee, the Secretary of the Treasury, and the ranking minority members of said committees issued a joint statement (the "Joint Statement") endorsing the postponement, until the earlier of September 1, 1986, or the date of enactment of tax reform legislation, of the application of certain provisions of the Tax Bill to certain types of bonds, including the Bonds. If the Village issues the Bonds prior to the effective date referred to in the Joint Statement, it will make compliance with those provisions of the Tax Bill proposed to be postponed pursuant to the Joint Statement unnecessary if such postponement is enacted. In such event, the Village does not intend to comply with the provisions of the Tax Bill proposed to be postponed, but hereby covenants to comply with the provisions of the Tax Bill which are unaffected by the Joint Statement.

The Village covenants to comply with the requirements and restrictions of any federal legislation enacted into law prior to issuance of the Bonds and applicable to the interest on the Bonds.

Section 22. Rights and Duties of Bond Registrar.

If requested by the Bond Registrar, the President and Village Clerk of the Village are authorized to execute the Bond Registrar's standard form of agreement between the Village and Bonds Registrar with respect to the obligations and duties of the Bond Registrar hereunder. Subject to modification by the express terms of any such agreement, such duties shall include the following:

(a) to act as bond registrar, authenticating agent, paying agent and transfer agent as provided herein;

(b) to maintain a list of Bondholders as set forth herein and to furnish such list to the Village upon request, but otherwise to keep such list confidential to the extent permitted by law;

(c) to give notice of redemption of Bonds as provided herein;

(d) to cancel and/or destroy Bonds which have been paid at maturity or upon earlier redemption or submitted for exchange or transfer;

(e) to furnish the Village at least annually a certificate with respect to Bonds cancelled and/or destroyed; and

(f) to furnish the Village at least annually an audit confirmation of Bonds paid, Bonds outstanding and payments made with respect to interest on the Bonds.

The Village Clerk of the Village is hereby directed to file a certified copy of this Ordinance and of the sale proceedings as referred to in Section 16 hereof with the Bond Registrar.

Section 23. Publication.

This ordinance, together with a notice in the form set forth in Section 24 hereof, shall be published once within 10 days of passage hereof by the President and Board of Trustees in Antioch News-Reporter, being a newspaper published in and having a general circulation in the Village, and if no petition, signed by electors numbering 15% of the number of electors voting for President at the last preceding Municipal election at which a President for the Village was elected (such 15% being 171 electors) and asking that the question of proceeding with the Project, as provided in this Ordinance, and the issuance of revenue bonds therefore, be submitted to the electors of the Village, is filed with the Village Clerk of the Village within 21 days after the date of the publication of this Ordinance and said notice, then this Ordinance shall be in full force and effect. A petition form as set out in Section 24 hereof shall be provided by the Village Clerk to any individual requesting one.

Section 24. Forms of Notice and Petition.

The notice to be published pursuant to Section 23 hereof and the petition form referred to therein shall be in substantially the following forms:

(Form of Notice)

**NOTICE OF INTENT TO ISSUE BONDS
AND RIGHT TO FILE PETITION**

Notice is hereby given that pursuant to Ordinance Number 86-7-18 adopted July 21, 1986, the Village of Antioch, Lake County, Illinois (the "Village"), intends to issue its Waterworks and Sewerage Revenue Bonds, Series 1986A (the "Bonds") in the amount of not to exceed \$2,750,000 and bearing interest per annum at not to exceed the maximum rate authorized by law at the time the Bonds are sold, for the purpose of refunding certain outstanding waterworks and sewerage revenue bonds and of paying the costs of certain improvements and extensions to the waterworks and sewerage system of the Village.

In addition, notice is hereby given that if a petition signed by 171 or more electors of the Village requesting that the question of improving the waterworks and sewerage system and the issuance of said Bonds therefore be submitted to the Village Clerk within 21 days of the date of publication hereof, the question of improving the waterworks and sewerage system of the Village as provided in said Ordinance and the issuance of said Bonds therefore shall be submitted to the electors of the Village at the general election to be held on November 4, 1986. A form of petition for such purpose is available from the office of the Village Clerk.

/s/ Marilyn J. Sterbenz,
Village Clerk
Village of Antioch
Lake County, Illinois

(Form of Petition)

PETITION

To the Village Clerk of the Village of Antioch, Lake County, Illinois:

We, the undersigned, being electors of the Village of Antioch, Lake County, Illinois, do hereby petition you to cause the question of improving the waterworks and sewerage system of said Village, as provided in Ordinance Number 86-7-18 of said Village, and the issuance of Waterworks and Sewerage Revenue Bonds, Series 1986A, as provided in said Ordinance to be certified to the County Clerk of The County of Lake, Illinois and submitted to the electors of said Village at the general election to be held on November 4, 1986.

Name	Address
	Antioch, Illinois
	Antioch, Illinois
	Antioch, Illinois

(additional signature lines shall be provided)

I, _____, of _____ (insert residence address, Antioch, Illinois, do hereby certify that I am a registered voter of the Village of Antioch, and in The County of Lake, Illinois, and the signatures on this petition were signed in my presence within the Village of Antioch, Illinois, and in The County of Lake, Illinois, and are genuine, and, to the best of my knowledge and belief, the persons so signing were at the time of signing this petition registered voters of said Village of Antioch and that their addresses are correctly stated herein.

Section 25. Severability.

If any section, paragraph, clause or provision of this Ordinance shall be held invalid, the invalidity of such section, paragraph, clause or provision shall not affect any of the other provisions of this Ordinance.

Section 26. Repealer.

All ordinances, resolutions or orders, or parts thereof, in conflict with the provisions of this ordinance are to the extent of such conflict hereby repealed.

PASSED by the President and Board of Trustees on July 21, 1986.

APPROVED: July 21, 1986.

(SEAL)

Trustee Amundsen moved and Trustee Rod White seconded the motion that said ordinance as presented and read by the Village Clerk be adopted.

After a full and complete discussion thereof, the President directed that the roll be called for a vote upon the motion to adopt the ordinance as read.

Upon the roll being called, the following Trustees voted

AYE: Cumminning, Amundsen, White, Wilton, Barnstable and Weber.

NAY: None

Whereupon the President declared the motion carried and the ordinance adopted, and henceforth did approve and sign the same in open meeting and did direct the Village Clerk to record the same in full in the records of the President and Board of Trustees of the Village.

Other business not pertinent to the adoption of said ordinance was duly transacted at said meeting.

Upon motion duly made and seconded, the meeting was adjourned.

Marilyn J. Sterbenz,
Village Clerk

**STATE OF ILLINOIS
COUNTY OF LAKE, ss**

CERTIFICATION OF ORDINANCE AND MINUTES

I, the undersigned, do hereby certify that I am the duly qualified and acting Village Clerk of the Village of Antioch, Lake County, Illinois (the "Village"), and as such officer I am the keeper of the books, records, files, and journal of proceedings of the Village and of the President and Board of Trustees (the "President and Board of Trustees") thereof.

I do further certify that the foregoing constitutes a full, true and complete transcript of the minutes of the legally convened meeting of the President and Board of Trustees held

on the 21st day of July 1986, insofar as same relates to the adoption of an ordinance numbered 86-7-18 and entitled:

AN ORDINANCE authorizing and providing for the issue of \$2,750,000 Waterworks and Sewerage Revenue Bonds, Series 1986A, of the Village of Antioch, Lake County, Illinois, for the purpose of refunding outstanding waterworks and sewerage revenue bonds of said Village and defraying the cost of improving the combined waterworks and sewerage system of said Village, prescribing all the details of said bonds, and providing for the collection, segregation and distribution of the revenues of the combined waterworks and sewerage system of said Village.

a true, correct and complete copy of which said ordinance as adopted at said meeting appears in the foregoing transcript of the minutes of said meeting.

I, do further certify that the deliberations of the President and Board of Trustees on the adoption of said ordinance were taken openly; that the vote on the adoption of said ordinance was taken openly; that said meeting was held at a specified time and place convenient to the public; that notice of said meeting was duly given to all of the news media requesting such notice of said meeting was duly given to all of the news media requesting such notice; that said meeting was called and held in strict accordance with the provisions of the Open Meetings Act of the State of Illinois, as amended; and that the President and Board of Trustees have complied with all of the applicable provisions of said Act and their procedural rules in the adoption of said ordinance.

IN WITNESS WHEREOF, I have hereunto affixed my official signature and the seal of the Village, this 21st day of July, 1986.

Marilyn Sterbenz,
Village Clerk

(SEAL)

**STATE OF ILLINOIS
COUNTY OF LAKE, ss**

NO REFERENDUM PETITION CERTIFICATE

I, the undersigned, do hereby certify that I am the duly qualified, and acting Village Clerk of the Village of Antioch, Lake County, Illinois (the "Village"), and keeper of the records and files of the President and Board of the Trustees of the Village.

I do further certify that Ordinance No. 86-7-18 being the ordinance entitled:

AN ORDINANCE authorizing and providing for the issue of \$2,750,000 Waterworks and Sewerage Revenue Bonds, Series 1986A, of the Village of Antioch, Lake County, Illinois, for the purpose of refunding outstanding waterworks and sewerage revenue bonds of said Village and defraying the cost of improving the combined waterworks and sewerage system of said Village, prescribing all the details of said bonds, and providing for the collection, segregation and distribution of the revenues of the combined waterworks and sewerage system of said Village.

(the "Ordinance") was presented to and passed by the President and Board of Trustees of the Village of Antioch at its legally convened meeting on the 21st day of July 1986, and approved by the President of the Village on said day.

I do further certify that said Ordinance was duly and properly published in the Antioch News-Reporter, the same being a newspaper published and of general circulation within the Village, on the 31st day of July 1986, being a date within 10 days from the date of passage of said Ordinance.

I do further certify that publication of the Ordinance was accompanied by a separate publication of notice of (1) the specific number of voters required to sign the petition requesting the question of constructing improvements to the combined waterworks and sewerage system as provided in the Ordinance; (2) the time in which such petition must have been filed; and (3) the date of prospective referendum.

I do further certify that no Petition has been filed in my office within 21 days after publication of the Ordinance or as of the time of the signing hereof as provided by statute asking that the question of improving the waterworks and sewerage system as provided in the Ordinance, and the issuance of revenue bonds therefore be submitted to the electors of the Village.

IN WITNESS WHEREOF, I have hereunto affixed my official signature and the corporate seal of the Village at Antioch, Illinois, this 21st day of July, 1986.

Marilyn Sterbenz,
Village Clerk of the Village of
Antioch, Lake County, Illinois.

PETITION AVAILABILITY CERTIFICATE

I, the undersigned, do hereby certify that I am the duly qualified, and acting Village Clerk of the Village of Antioch, Lake County, Illinois (the "Village"), and as such officer I am the keeper of the books, records, files, and journal of proceedings of the Village and of the President and Board of Trustees of the Village.

I do further certify that pursuant to Ordinance No. 86-7-18, being the ordinance entitled:

AN ORDINANCE authorizing and providing for the issue of \$2,750,000 Waterworks and Sewerage Revenue Bonds, Series 1986A, of the Village of Antioch, Lake County, Illinois, for the purpose of refunding outstanding waterworks and sewerage revenue bonds of said Village and defraying the cost of improving the combined waterworks and sewerage system of said Village, prescribing all the details of said bonds, and providing for the collection, segregation and distribution of the revenues of the combined waterworks and sewerage system of said Village.

I did make available and provide to any individual so requesting a petition form, in the form as attached hereto, which petition form provided for submission to the electors of the Village of the question as set forth therein. Such petition forms were available from me continuously from July 21, 1986, up to and including August 22, 1986.

IN WITNESS WHEREOF I have hereunto affixed my official signature and the corporate seal of the Village at Antioch, Illinois, this 21st day of July, 1986.

GreatAmerican Federal Savings and Loan Association, a corporation organized and existing under the laws of the United States of America, Plaintiff,

vs.

Sallee Brown, et al.,
Defendants.

No. 86Ch76

The requisite affidavit for publication having been filed, notice is hereby given you, Sallee Brown, Frank W. Brown and Unknown Owners, defendant(s) in the above entitled suit, that the said suit has been commenced in the Circuit Court of Lake County, Chancery Division, by the said plaintiff against you and other defendants, praying for the foreclosure of a certain (Mortgage) conveying the premises described as follows, to-wit:

The North 85 feet of the South 375 feet of all that Part of the North 40 Rods of the North West 1/4 of Section 9, lying West of the East 870 feet thereof, and East of the East line of Poplar Street, all in Township 45 North, Range 12, East of the Third Principal Meridian, in Lake County, Illinois, commonly known as 2519 Poplar, Waukegan, Illinois.

and which said (Mortgage) was made by Sallee Brown and Frank W. Brown, married to each other, Mortgagors, to GreatAmerican Federal Savings and Loan Association, as (Mortgagee), and recorded in the office of the Recorder of Deeds of Lake County, Illinois, as document number 2036803, and for other relief; that summons was duly issued out of the said Court against you as

provided by law, and that the said suit is now pending.

Now, therefore, unless you, the said above named defendant(s), file your answer to the Complaint in the said suit or otherwise make your appearance therein, in the office of the Clerk of the Circuit Court of Lake County, in the Lake County Courthouse, Waukegan, Illinois, on or before the 25th day of August, 1986, default may be entered against you at any time after that day and a Judgment entered in accordance with the prayer of said Complaint.

Dated, Waukegan,
Illinois, July 24th, 1986.

(1) Sealed proposals will be received in the office of the LAKES REGION SANITARY DISTRICT, 25380 WEST MAIN STREET, INGLESIDE, ILLINOIS, until 10:00 A.M., August 7, 1986, for the WATSON AVENUE SANITARY SEWER EXTENSION, described in the Plans and Specifications and at that time publicly opened and read.

(2) Proposals shall be submitted on the form furnished by the Owner which may be obtained at the offices listed below:

LAKES REGION
SANITARY DISTRICT
25380 WEST MAIN STREET
INGLESIDE, ILLINOIS, 60041

or at

MORRIS ENVIRONMENTAL
ENGINEERING, INC.
1403 North Main Street
Suite 301
Wheaton, Illinois, 60187
(312/690-0770)

and shall be enclosed in an envelope endorsed "BID PROPOSAL WATSON AVENUE SANITARY SEWER EXTENSION".

A twenty-five (\$25.00) dollar non-refundable deposit, payable to Morris Environmental Engineering, Inc., is required for the plans and specifications. Plans and specifications will not be mailed.

(3) The right is reserved to reject any and all proposals and to waive technicalities. Proposal guarantee in the amount of not less than 5% of the bid will be required. A surety bond for the full amount of the award will be required. Failure on the part of the Contractor to complete the improvements within the time specified, or failure to do the work as specified herein, will be considered just cause to forfeit his surety as provided in Division I, Section 8-12 of the STANDARD SPECIFICATIONS FOR WATER AND SEWER MAIN CONSTRUCTION IN ILLINOIS, third edition. Bid Bonds will be accepted. The award of the Contract is conditioned upon receipt of an IEPA Permit to Construct.

By Order of the Lakes Region Sanitary District Board of Trustees July 8th, 1986.

RESOLUTION

WHEREAS, the State of Illinois has enacted "An Act regulating wages of laborers, mechanics and other workmen employed in any public works by the State, county, city of any public body or any political subdivision or by any one under contract for public works," approved June 26, 1941, as amended, being Section 392-1 through 392-12, Chapter 48, Illinois Revised Statutes, 1973, and

WHEREAS, the aforesaid Act requires that the Woodland School investigate and ascertain the prevailing rate of wages as defined in said Act for laborers, mechanics, and other workmen employed in performing construction of public works, for said Woodland School exclusive of maintenance work,

NOW, THEREFORE, BE IT RESOLVED BY THE PRESIDENT AND BOARD OF EDUCATION OF WOODLAND COMMUNITY CONSOLIDATED SCHOOL DISTRICT NUMBER 50, Gages Lake:

SECTION 1: To the extent and as required by "An Act regulating wages of laborers, mechanics and other workmen employed in any public works by the State, county, city or any public body or any political subdivision or by any one under contract for public works," approved June 26, 1941, as amended, the general prevailing rate of wages in this locality for laborers, mechanics and other workmen engaged in the construction of public works coming under the jurisdiction of this School District No. 50 is hereby ascertained to be the same as the prevailing rate of wages for construction work in Lake County areas as determined by the Department of Labor of the State of Illinois as of June, 1986, a copy of that determination being attached hereto and incorporated herein by reference. The definition of any terms appearing in this Resolution which are also used in aforesaid Act shall be the same as in said Act.

SECTION 2: Nothing herein contained shall be construed to apply said general prevailing rate of wages as herein ascertained to any work or employment except public works construction of this School District No. 50 to the extent required by the aforesaid Act.

SECTION 3: The Woodland School Board of Education Secretary shall publicly post or keep available for inspection by any interested party in the main office of the School District No. 50 this determination of such prevailing rate of wage.

SECTION 4: The Woodland School Board of Education Secretary shall mail a copy of this determination to any employer, and to any association of employers and to any person or association of employees who have filed, or file their names and addresses, requesting copies of any determination stating the particular rates and the particular class of workmen whose wages will be affected by such rates.

SECTION 5: The Woodland School Board of Education Secretary shall promptly file a certified copy of this Resolution with both the Secretary of State and the Department of Labor of the State of Illinois.

SECTION 6: The Woodland School Board of Education Secretary shall cause to be published in a newspaper of general circulation within the area a copy of this Resolution, and such publication shall constitute notice that the determination is effective and that this is the determination of this public body.

ADOPTED THIS 21 DAY OF July, 1986.

Nicholas Gowe,
President, Board of Education

ATTEST:
Max J. Vogel, Jr.
Secretary, Board of Education

July 31, 1986
786E-779-WN

the above entitled suit, that the said suit has been commenced in the Circuit Court of Lake County, Chancery Division, by the said plaintiff against you and other defendants, praying for the foreclosure of a certain (Mortgage) conveying the premises described as follows, to-wit:

Lot 57 in Deerpath Unit No. 2, being a Subdivision of part of the South West quarter of Section 4, Township 43 North, Range 11, East of the Third Principal Meridian, according to the plat thereof, recorded April 22, 1974, as Document 1660327, in Book 53 of Plats, pages 60, 61 and 62, in Lake County, Illinois, commonly known as 213 Onwentsia Road, Vernon Hills, Illinois.

and which said (Mortgage) was made by Terrence E. King and Barbara L. King, his wife, Mortgagors, to Oak Park Federal Savings and Loan Association, as (Mortgagee), and recorded in the office of the Recorder of Deeds of Lake County, Illinois, as document number 1740081, and for other relief; that summons was duly issued out of the said Court against you as provided by law, and that the said suit is now pending.

Now, therefore, unless you, the said above named defendant(s), file your answer to the Complaint in the said suit or otherwise

make your appearance therein, in the office of the Clerk of the Circuit Court of Lake County, in the Lake County Courthouse, Waukegan, Illinois, on or before the 2nd day of September, 1986, default may be entered against you at any time after that day and a Judgment entered in accordance with the prayer of said Complaint.

Dated, Waukegan,

**ORDINANCE NUMBER 86-10
AN ORDINANCE ASCERTAINING
PREVAILING WAGES
THE TOWNSHIP OF AVON**

WHEREAS, the State of Illinois has enacted "An Act
regulating wages of laborers, mechanics and other
workers employed in any public works by the State, coun-
ty, city or any public body or political subdivision or by
any one under contract for public works," approved June
26, 1941, as amended, being Section 39a-1 through 39a-
12, Chapter 48, Illinois Revised Statutes, 1973, and

WHEREAS, the aforesaid Act requires that the Town
Board of the Town of Avon investigate and ascertain the
prevailing rate of wages as defined in said Act for
laborers, mechanics and other workers in the locality of
said Township, employed in performing construction of
public works, for said Township exclusive of maintenance
work.

NOW THEREFORE, BE IT ORDAINED BY THE AVON
TOWN BOARD OF AVON TOWNSHIP

SECTION ONE: To the extent and as required by "An
Act regulating wages of laborers, mechanics and other
workers employed in any public works by the State, coun-
ty, city or any public body or any political subdivision or
by any one under contract for public works," approved
June 26, 1941, as amended, the general prevailing rate
of wages in this locality for laborers, mechanics and other
workers engaged in the construction of public works
coming under the jurisdiction of the Township of Avon is
hereby ascertained to be the same as the prevailing rate
of wages for construction work in Lake County area as
determined by the Department of Labor of the State of
Illinois as of June 1986 a copy of that determination being
attached hereto and incorporated herein by reference.
The definition of any terms appearing in this Ordinance
which are also used in aforesaid Act shall be the same as
in said Act.

SECTION TWO: Nothing herein contained shall be con-
strued to apply said general prevailing rate of wages as
herein ascertained to any work or employment except
public works construction of the Town of Avon to the ex-
tent required by the aforesaid Act.

SECTION THREE: The Township Clerk shall publicly post
or keep available for inspection by any interested party in
the main office of the township this determination of such
prevailing rate of wages.

SECTION FOUR: The Township Clerk shall mail a copy of
this determination to any employer, and to any
association of employers and to any person or association
of employees who have filed, or file their names and ad-
resses, requesting copies of any determination stating
the particular rates and the particular class of workers
whose wages will be affected by such rates.

SECTION FIVE: The Township Clerk shall promptly file a
certified copy of this Ordinance with both the Secretary of
State and the Department of Labor of the State of Illinois.

SECTION SIX: The Township Clerk shall cause to be
published in a newspaper of general circulation within
the area a copy of this Ordinance, and such publication
shall constitute notice that the determination is effective
and that this is the determination of this public body.

PASSED THIS 9th day of June, 1986.

(Form of Notice)

NOTICE OF INTENT TO ISSUE BONDS AND RIGHT TO FILE PETITION

Notice is hereby given that pursuant to Ordinance Number 86-7-18 adopted July 21, 1986, the Village of Antioch, Lake County, Illinois (the "Village"), intends to issue its Waterworks and Sewerage Revenue Bonds, Series 1986A (the "Bonds") in the amount of not to exceed \$2,750,000 and bearing interest per annum at not to exceed the maximum rate authorized by law at the time the Bonds are sold, for the purpose of refunding certain outstanding waterworks and sewerage revenue bonds and of paying the costs of certain improvements and extensions to the waterworks and sewerage system of the Village.

In addition, notice is hereby given that if a petition signed by 171 or more electors of the Village requesting that the question of improving the waterworks and sewerage system and the issuance of said Bonds therefore be submitted to the Village Clerk within 21 days of the date of publication hereof, the question of improving the waterworks and sewerage system of the Village as provided in said Ordinance and the issuance of said Bonds therefore shall be submitted to the electors of the Village at the general election to be held on November 4, 1986. A form of petition for such purpose is available from the office of the Village Clerk.

/s/ Marilyn J. Sterbenz,
Village Clerk
Village of Antioch
Lake County, Illinois

(Form of Petition)

PETITION

To the Village Clerk of the Village of Antioch, Lake County, Illinois:

We, the undersigned, being electors of the Village of Antioch, Lake County, Illinois, do hereby petition you to cause the question of improving the waterworks and sewerage system of said Village, as provided in Ordinance Number 86-7-18f said Village, and the issuance of Waterworks and Sewerage Revenue Bonds, Series 1986A, as provided in said Ordinance to be certified to the County Clerk of The County of Lake, Illinois, and submitted to the electors of said Village at the general election to be held on November 4, 1986.

Name

Address

, Antioch, Illinois
, Antioch, Illinois
, Antioch, Illinois

(additional signature lines shall be provided)

I, _____, of _____ (insert residence address, Antioch, Illinois, do hereby certify that I am a registered voter of the Village of Antioch, and in The County of Lake, Illinois, and the signatures on this petition were signed in my presence within the Village of Antioch, Illinois, and in The County of Lake, Illinois, and are genuine, and, to the best of my knowledge and belief, the persons so signing were at the time of signing this petition registered voters of said Village of Antioch and that their addresses are correctly stated herein.

Section 25. Severability.

If any section, paragraph, clause or provision of this Ordinance shall be held invalid, the invalidity of such section, paragraph, clause or provision shall not affect any of the other provisions of this Ordinance.

Section 26. Repealer.

All ordinances, resolutions or orders, or parts thereof, in conflict with the provisions of this ordinance are to the extent of such conflict hereby repealed.

PASSED by the President and Board of Trustees on July 21, 1986.

APPROVED: July 21, 1986.

10 reasons why you should maintain and increase your newspaper advertising when business is slow.

1. Whether business is good or slow, you have to get your share of whatever business is around. Cutting back your advertising puts you at a disadvantage at the very moment when you need an edge. Increasing your advertising gives you the edge.

2. In times of uncertainty, consumers are careful and a little reluctant to spend. They want to be sure before they buy; they want information about products, services, prices and values. The best source is newspaper advertising. Yours—or somebody else's.

3. Maybe you figure other retailers in your line are going to cut back their advertising, so it's safe for you, too. Right? Wrong. You're in competition for the customer's dollar with very other retailer in town, no matter what he or she sells. People have only so many dollars to spend and if they don't spend them for what you sell they'll spend them for something else.

4. There are more people working now than ever before. More women working, too, adding to the family income. People still need and want goods and services and will spend for them. There is plenty of business out there. Your competitors will be bidding for their share—and yours.

5. You can't do much about most factors in the marketplace: rent, labor cost, price or merchandise, what the competition will do. But one thing you do control is your own promotion. Remember that newspaper advertising is not just a cost of doing business. It's a proven sales tool that returns many times your investment in store traffic and sales.

6. Remember how long it took you to get started? Once you build up a business, you can keep it going with a moderate, consistent advertising program. But if you cut your advertising and lose your hold on the public's awareness you'll find it's much harder to build it up again. It's sort of like starting all over.

7. Your advertising is part of your sales force. Newspaper ads help to pre-sell the customers and help you close the sale faster. What saves you time saves you money.

8. You say your customers know you and for a while at least they'll keep coming in even if you don't promote? That's partly true, but shortsighted. Remember, one out of five Americans moves every year. So there's a steady flow of your customers out of your market, and a corresponding influx of new folks who don't know you at all. Tell them about yourself.

9. Here's a hard fact to chew on. Over any given period, a business that advertises below the industry average has sales that are below the industry average.

10. Advertising is "news" — about products and services. Your customers look for this kind of news in the pages of Lakeland Newspapers. In plush times, retailers often experiment with other media. But when the going gets tough, they concentrate their efforts in the newspaper because it provides an immediate payoff at the cash register.

CALL YOUR LAKE LAND NEWSPAPERS' ADVERTISING REPRESENTATIVES. WE'LL HELP YOU PLAN A PROGRAM THAT WILL PAY DIVIDENDS IN ADDITIONAL STORE TRAFFIC AND INCREASED SALES.

Along the way with ANNIE MAE

AN ACCIDENT INVOLVING a school bus and several cars at the intersection of Beach Grove Rd. and Rte. 59 has me wondering why the state does not either put up a traffic signal there or change the flashing yellow light to a flashing red one.

It is a state route, so action will have to come from the state on it. But since school children can be endangered by this perilous intersection, I hope that local officials will ask the state to consider making this a four-way stop.

I AM LOOKING forward to the annual Chicken Barbecue Picnic and Auction held by the Lions Club each year. They always have so much food and so much fun to go with it.

Some of my out-of-state relatives will be visiting at the time so this picnic will have people attending from as far away as Alabama and New Mexico.

Goodness, it would be interesting to see just how many states are represented at this picnic. One thing is certain: all the out of town visitors are sure to go away with good feelings about our little town.

EVERYWHERE I LOOK I see new developments going up and work being done. The Foremost Liquor store at Main and Rte. 173 looks like it will soon be finished.

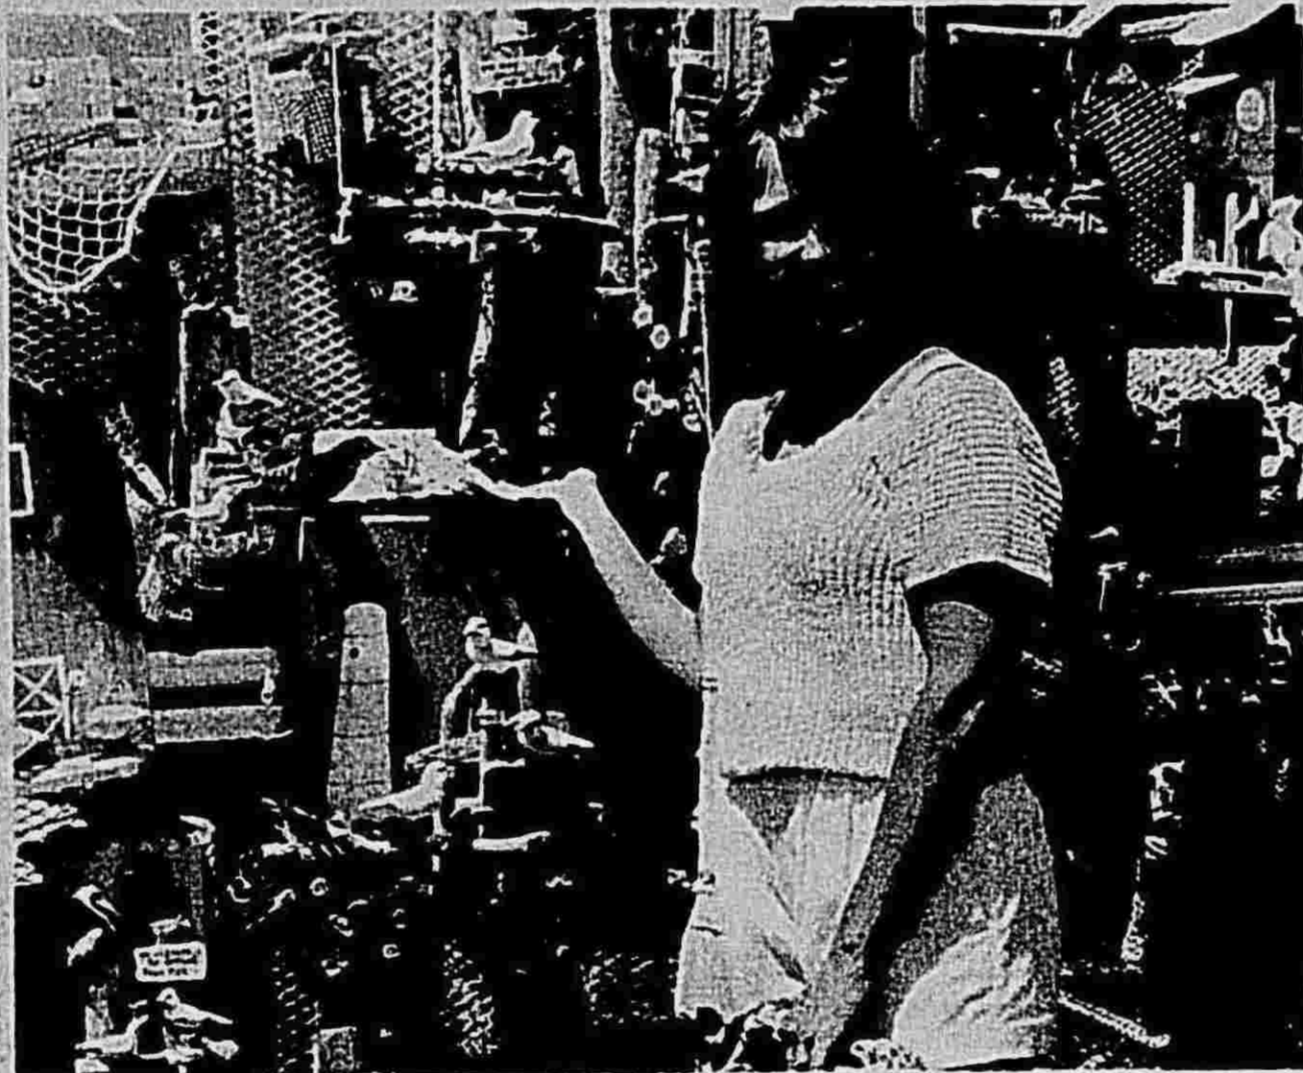

It is hard to drive uptown from the intersection of North Ave. and Main what with all the building and improvements that are being done.

Arms Specialist

Air National Guard Airman Tracy J. Scanlon, daughter of James Scanlon of McHenry and Dorothy Kerlin of Freeport, has graduated from the U.S. Air Force course for small arms specialist at Lackland Air Force Base, Texas. Graduates of the course studied marksmanship fundamentals and the maintenance of hand and shoulder weapons, and earned credits toward an associate's degree in applied science through the Community College of the Air Force.

Wins Degree

Chief Warrant Officer James R. Berg, son of Mr. and Mrs. Robert H. Berg of Antioch, has received a bachelor's degree from the University of Maryland. Berg is an engineer with the Allied Land Forces, Southeastern Europe, Turkey. His wife, Elizabeth, is the daughter of Madeline McBride of Pittsburgh.

Arts In The Park

The annual Arts and Crafts Festival in Antioch saw hundreds of visitors. Antioch resident Sue Dost stopped to admire the miniature nautical scenes created by artists John Vidakovic and Mary Ann Ampe of Kenosha. Over 90 juried exhibitors were featured at the show in Williams Park.

It is nice to see the village grow, while at the same time keeping the links with our tradition and history.

GOOD HEAVENS, WHAT an embarrassment that Phil Burke is to our town. There is no getting around the fact that the guy is just downright weird.

Although the courts have just found that out, we knew it in 1981 when he only got eight votes in his campaign for mayor, and also in 1985 when he got zero votes in his write-in campaign.

I hope we have heard the last of this unsavory character.

Births

Lauren Elizabeth Boarini

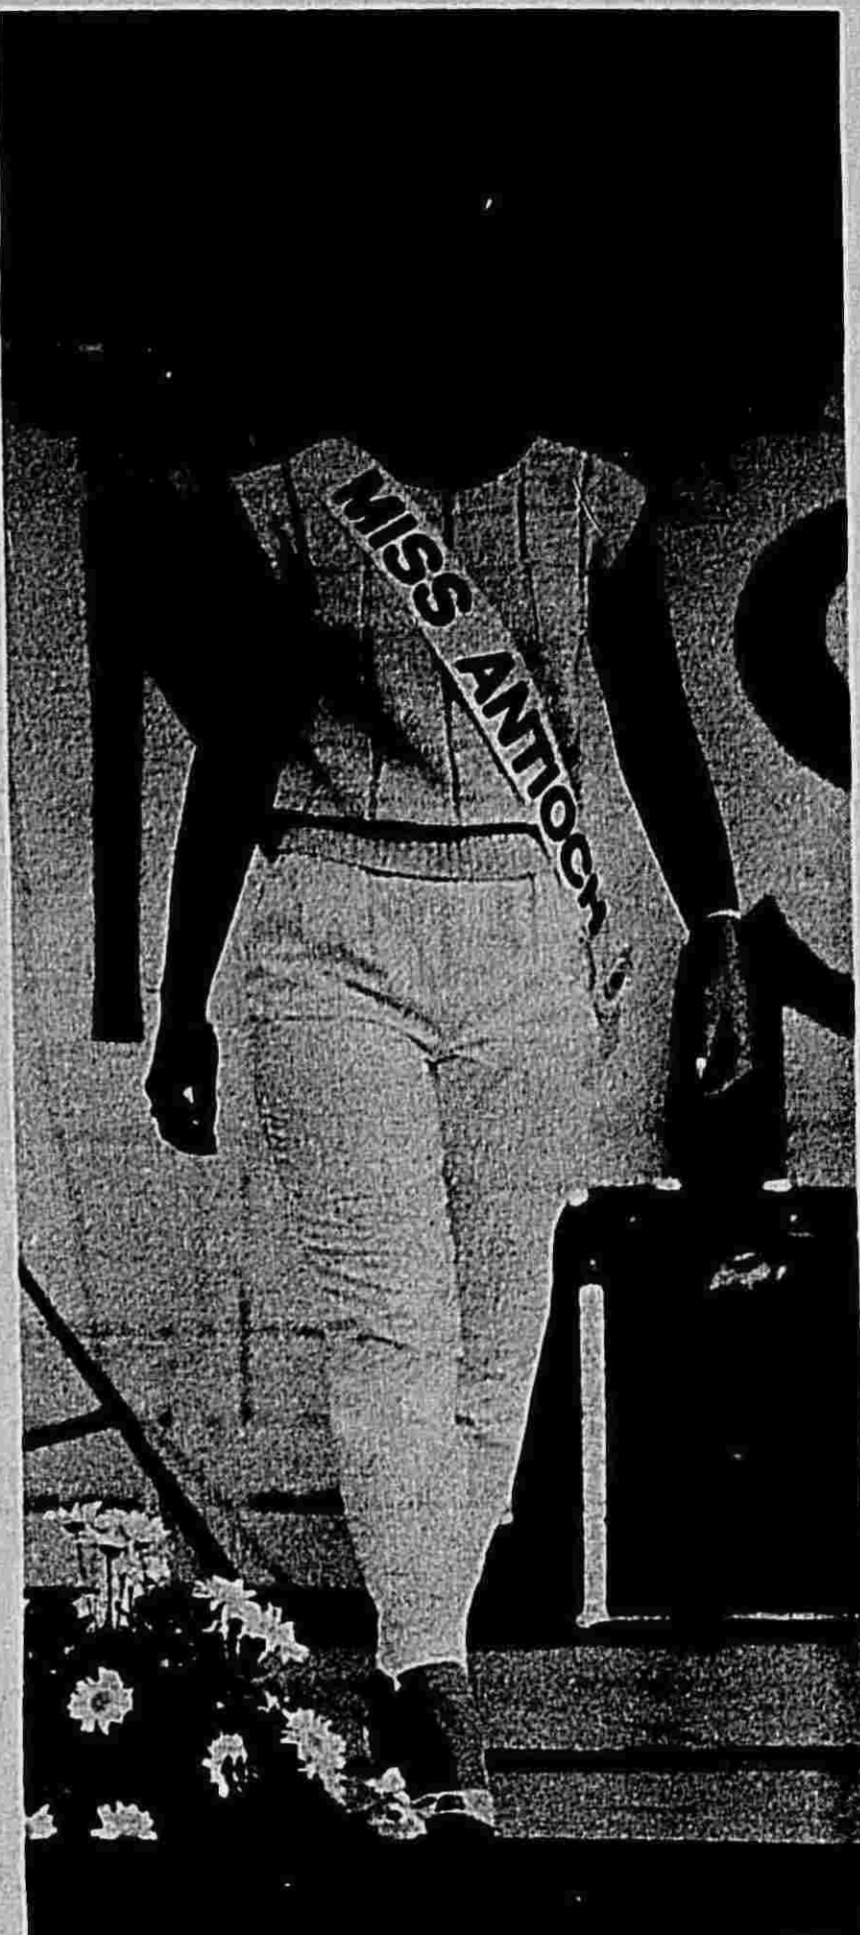

A daughter, Lauren Elizabeth, was born July 9 at The Medical Center of Lake County, Libertyville, to Christopher and Sharon Boarini, Antioch. The baby has a brother, Jason, 6. Grandparents are Dr. and Mrs. John Boarini, Antioch, and Gerald and Bonnie Torgersen, Lafayette, Tenn.

Julie Kathleen LaBuda

A daughter, Julie Kathleen, was born June 27, at Lake Forest Hospital, to Kathy and Don LaBuda, Antioch. The baby has a brother, Daniel, 2. Grandmothers are Kathryn Dolleslager, Silvis, Ill., and Mary LaBuda, Highland Park.

Allison Anne Beinecke

A daughter, Allison Anne, was born July 11 at Lake Forest Hospital, to Sue and Paul Beinecke, Antioch. The baby has a brother, Erin, 4, and a sister, Megan, 2. Grandparents are Eleanor Walsh-Neff, Racine, and Vera and Vernon Beinecke, Necedah, Wis. Great-grandmother is Mary Beinecke, Chicago.

Miss Antioch

Tamara Krause, Miss Antioch, was among the competitors in the queen contest at the Lake County Fair. Though Miss Mundelein took the crown, Krause had a large contingent of local admirers cheering her on.

Joint Exercise

Airman 1st Class Philip J. Canty, son of Harry and Molly Mesmer of Richmond, has participated in Global Shield 86, an exercise involving U.S. Air Force, Navy, and Marine Corps Units, and elements of the Canadian Forces. The exercise, coordinated by the Air Force Strategic Air Command (SAC), was designed to enhance readiness and the ability of SAC to carry out orders should deterrence fail. Canty is a technical aircraft maintenance specialist with the 380th Bombardment Wing at Plattsburgh Air Force Base, N.Y.

Attends Leaders' Program

Cadet Paul J. Hettich, son of Paul and Mary Hettich of Antioch, received practical work in military leadership at the U.S. Army ROTC advanced camp, Fort Riley, Kansas.

The six-week camp, attended by cadets between their third and fourth year of college, includes instruction in communications, management, and survival training.

Successful completion of the advanced camp and graduation from college results in a commission as a second lieutenant in either the U.S. Army, Army Reserve, or National Guard for the cadet.

Hettich is a student at Barat College in Lake Forest and is attending ROTC at Loyola University in Chicago.

Ingleside; and Angelene Alvarez Youngman, Youngman & Company, Inc.

ELIMINATION OF RACISM - Kellie Dorsey, Saint Therese Medical Center;

Rustoleum, Waukegan, was named corporate winner. Saint Therese Medical Center, Waukegan, was also nominated.

Council Gives Employers Break

Several Lake County employers are participating in a unique training effort sponsored by the Private Industry Council of Lake County.

Young high-school students ages 16 to 21 are given the opportunity to "try-out" jobs in a particular field. Employers have the workers in their places of business for 250 hours of training and work with the time com-

pensated by the Private Industry Council, not by the employer.

After the training period, the young workers go onto the regular part-time payroll with the training employer for afterschool, weekend and vacation-time work.

At the present time, the council has openings for 16 to 18 years old in the food service and retail trade. The council is accepting calls from employers who may be interested in offering op-

portunities with their firms, in other fields of em-

ployment. Melba Rivera may be reached at (312) 249-2200.

Lodge Performs First

The Grayslake chapter of the House of The Rising Sun Lodge has conducted a ceremony for a deaf mute.

Harry Schippers, Worshipful Master of the Lodge, said Grayslake resident Ronald Golden was inducted in a degree ceremony.

Schippers said the ceremony was a first for the Grayslake lodge, adding, "it takes several years to put on a degree."

Guests included state-wide lodge office holders including Harold O. Wolfe, Russell Hoepfner and William Ditzler.

You won't be such a Cowardly Lion after you visit North Point Medical/Dental Center's "Road To Oz"

Some very interesting events will take place August 9 from 10:00 a.m. to 3:00 p.m., at the clinic. Don't be surprised to meet Dorothy Gale or the Wicked Witch of the West or even Toto too!

North Point Medical/Dental Clinic will be hosting our second annual Child Identification Day with a new twist. The event will be named The Road To Oz and will include guided tours for children down the Yellow Brick Road of Oz which just happens to run through the clinic confines.

The children will become acquainted with the clinic services by visiting the nutrition center and the dentist office where a short film will be shown. While on tour they will receive balloons, toys, fruit and most importantly their own identification folder containing their photograph, fingerprints and vital statistics.

Library Friends Seek Donations

You know those boxes of books in your attic or basement that you don't have the heart to throw away? Well, don't! The Antioch Library Friends are more than willing to take them off your hands. The Friends have set up a barrel in the Antioch Township Library where your precious books (paperback, hardcover, or magazines) can be dropped any time the library is open.

If you are a book Connoisseur, set aside Saturday, Sept. 27. The books and magazines collected this summer will be sorted and priced for the Friends' Second Annual Book Sale. The assortment of books is tremendous—contemporary fiction, classic, romance, children's books, etc.

Anyone willing to help or interested in the Friends, please call Joyce Heneberry at (312) 356-5758.

Medical/Pharmacist

STAFF PHARMACIST

The Pennsylvania State University's teaching hospital, The Milton S. Eisenhower Medical Center, is currently seeking a progressive, motivated professional. The hospital offers decentralized, unit-dose pharmacy practices, I.V. admixture, and I.P.M. services. Clinical services include investigational drug services, pharmacokinetics, drug information, clinical research and home therapy services.

The University Hospital is a 450 bed medical complex consisting of adult, pediatric and rehabilitation facilities serving as the primary teaching facility for medical education.

Individuals who desire a professional career opportunity in a contemporary environment are encouraged to apply for this rotating shift position. Eligibility for Pennsylvania licensure is required. Priority consideration will be given to candidates with previous hospital experience, but this is not required for application.

THIS WEEK'S HOROSCOPE

Arise (Mar. 21-Apr. 19) Need relief from those pesky pressures? Take time for simple wool gathering. Think nice thoughts. Make plans for a weekend away with someone special.

Twins (Apr. 20-May 20) Your well-timed plans begin to bloom soon. Meanwhile, continue to cultivate new contacts who will help you set up growing operations.

Gemini (May 21-June 20) That know-it-all appears to be dropping your footstep again. Never mind. Your track record helps you come out ahead once again.

Cancer (June 21-July 20) A new friend makes demands. Careful. Don't drop other trusted friends to keep this relationship going. The trade-off may be unwise.

Leo (Jul 21-Aug. 22) A chance to move into a new domain must last and last. Others may have second thoughts. Consult with him before making decisions.

Virgo (Aug. 23-Sept. 22) An angry coworker threatens to disrupt job performance. Have a neutral party settle the issue. Adjustments may need to be made all around.

Libra (Sept. 23-Oct. 22) It's a good time to refresh the senses. Indulge yourself in good company and pleasant experiences. A new friend becomes a special friend.

Scorpio (Oct. 23-Nov. 21) As much as you'd like to, you can't do it all. Press some responsibilities to others. Concentrate on those you can fulfill best right now.

Sagittarius (Nov. 22-Dec. 21) Continue to pursue opportunities offered in spite of setbacks. Expand your qualifications. A positive response will soon come through.

Capricorn (Dec. 22-Jan. 19) A weighty matter dominates your thoughts. Talk it out. Giving it a lot of air helps lift it from your mind. Make has good advice for you.

Aquarius (Jan. 20-Feb. 18) If you still feel you and that special someone are drifting apart, then take control now before your relationship crashes on the rocks.

Pisces (Feb. 19-Mar. 20) You need to share up some emotional defenses before you are overwhelmed by a turn of events. Get set to welcome the return of an old admirer. © 1986, McNaught Synd.

LEGAL

NOTICE

Grayslake Community High School District No. 127 today announced its policy for free and reduced price meals for children unable to pay the full price of meals served under the National School Lunch, School Breakfast or Commodity School Programs. The following household size and income criteria will be used for determining eligibility.

FAMILY SIZE	FREE MEALS			REDUCED PRICE MEALS		
	YEAR	MONTH	WEEK	YEAR	MONTH	WEEK
1	\$6,968	\$581	\$134	\$9,916	\$827	\$191
2	9,412	785	181	13,394	1,117	258
3	11,856	988	228	16,872	1,406	325
4	14,300	1,192	275	20,350	1,696	392
5	16,744	1,396	322	23,828	1,986	459
6	19,188	1,599	369	27,306	2,276	526
7	21,632	1,803	416	30,784	2,566	592
8	24,076	2,007	463	34,262	2,856	659
Family Member	2,444	204	47	3,478	290	67
Each Additional						

Children from households whose income is at or below the levels shown are eligible for free or reduced price meals.

Application forms are being sent to all homes with a letter to parents or guardians. To apply for free or reduced price meals, households should fill out the form and return it to the school. Additional copies of the application form are available at the principal's office in each school. Households should answer all questions on the form. An application which does not contain all of the following information cannot be processed by the school.

(1) the total household income AND the amount of source of income received by each household member (such as wages, child support, etc.)

OR
the household's food stamp case number if the household is on food stamps.

(2) names of all household members.

(3) social security numbers of all household members 21 years of age or older or the word "NONE" for any adult household member who does not have a social security number; and

(4) the signature of an adult household member

"Household" is defined as a group of related or non-related individuals who are not residents of an institution or boarding house who are living together as one economic unit.

The information provided by the household is confidential and will be used only for the purpose of determining eligibility and verifying data. Applications may be verified by the school or other officials at any time during the school year.

If children are approved for free or reduced price meal benefits, the household must report to the school increases in household income over \$50 per month (\$600 per year) and decreases in household size.

Households may apply for benefits at any time during the school year. If a household is not currently eligible but has a decrease in household income, an increase size or if a household member becomes unemployed, the household should fill out an application at that time.

In certain cases foster children are eligible for these benefits regardless of the household's income. If a household has foster children living with them and they wish to apply for free or reduced price meals for the, the household should contact the school for more information.

Under the provisions of the policy Charles Roberts, Principal will review applications and determine eligibility.

Parents or guardians dissatisfied with the ruling of the official may wish to discuss the decision with the determining official on an informal basis. The household also has the right to a fair hearing. This can be done by calling or writing the following official:

Business Manager
David Bonner
400 N. Lake Street
Grayslake, IL., 60030

The school has a copy of the complete policy, which may be reviewed by any interested party.

In the operation of the child feeding programs no child will be discriminated against on the basis of race, color, national origin, age, sex, or handicap. If any member of a household believes they have been discriminated against, they should write immediately to the Secretary of Agriculture, Washington, D.C., 20250.

Notice of Hearing

A public hearing concerning the proposed budget and the proposed levy increase for the Fremont Township Road Fund will be held on the 11th day of August, 1986 at 8:00 P.M. in the Township Office, 22376 W. Erhart Road, Mundelein, Illinois 60060.

The amount of property taxes, less exclusion for election costs, extended or estimated to be extended on behalf of Fremont Township Road Dist. for the preceding year is \$88,489.99.

The amount of the proposed levy, less exclusion for election costs, for the current year is \$118,489.99.

The percentage of increase of the current year levy over the amount extended or estimated to be extended for the preceding year is 34%.
